2018/19 SEASON TICKET INFORMATION

PRICES FROZEN IN EARLY BIRD WINDOW!

“Last season the club enjoyed a record number of season ticket holders and it would be great to see that number up again for the new season. Since I arrived at the club there’s always been a real focus on improving the home form and we have won far more often than not.

Going into the split, we currently have the second best home record in the league and that’s the kind of form we want to see continued next season. With your support we aim to do exactly that.”

Derek McInnes

IT'S WHAT WE ARE MADE OF

AberDNA is a brand new membership which has been designed to capture the imagination of not only local, but national and international fans. Over 1000 Dons supporters signed up in the opening week after launch and there is still time to join them!

Unlike other membership initiatives and season tickets, all funds raised from AberDNA will be used exclusively to support the Football Operation in an effort to level the playing field with our competitors.

In return for their support of the Football Operation, via a monthly or annual payment plan, supporters can join one of four different membership categories and will receive a number of benefits, including discount on season tickets for the 2018/19 season!

Sign-up by 30th April and you will receive an exclusive Souvenir Pack and Founding Member recognition here at Pittodrie.
