

Netball Design Guidance for Indoor Community Courts

| Description | | Requirements | |
|---|--|--|---|
| | | Minimum | Preferred |
| Principal Playing Area (PPA) ¹ | Length | 30.50m | |
| | Width | 15.25m | |
| | Height | ≥ 7.50m | |
| Run Offs (R/O) ² | Ends | To be determined in accordance with venue operator's risk assessment | 2.00m |
| | Sides | | 1.50m |
| | Between courts with common side run off ³ | | 2.00m |
| | Between courts with side dividing boards or net | | 3.00m |
| Space for team benches and match officials | Not required | | |
| Overall space requirement for a single court excluding any optional spectator seating | Length | To be determined in accordance with venue operator's risk assessment. | 34.50m |
| | Width | | 18.25m |
| | Height | | ≥ 7.50m |
| Spectator seating | Optional | | |
| Class of surface | Class 2 | | Class 1 |
| Line Markings | Width | 50mm required | |
| | Colour | Preferably white Where another sport has priority, red or blue (but not yellow) can be used. | |
| | Tolerances | All lines to be within ±15mm of their specified positions | |
| Goalposts | Type | Free standing and height adjustable | Socketed (with flush cover plate when not in use) and height adjustable |
| | Protection | Height adjustable protective padding along the length of the goal post. Padding to be of uniform thickness not more than 50mm thick. | |
| | Height | Adjustable ring heights of 3.05m, 2.75m and 2.44m to allow use for Wheelchair Netball and High 5 Netball. | |
| Lighting | Minimum maintained illuminance ⁴ | 300 lux | |
| | Uniformity ratio ⁵ | ≥ 0.7 | |

| Notes | |
|-------|--|
| 1 | Dimensions as specified in the INFs Official Netball Rules, 2016 |
| 2 | Run off distance between side line and any permanent or temporary fixture, wall etc. Run offs to have the same playing surface as the playing area. They shall be free of any permanent or temporary fixture to a height of 3.5m |
| 3 | Common run off where courts are laid side by side with no division nets etc. between them |
| 4 | Measured on a 5m grid centred on the centre circle and including a 1m margin around the perimeter of the PPA |
| 5 | Uniformity ratio = Emin/Eave |
