

Residential Graduate Assistants – Sport, MFL, EAL and Drama/Music

Fixed Term Contract – September 2020 – July 2021

St John's College is seeking to appoint 4 recent or soon to be Graduates to work within a busy and vibrant Boarding Community. You will live and work at the College for the academic year with the contract running from 01/09/2020 to 31/08/2021. We are seeking Graduates with an interest in the following areas:

- Sports
- MFL
- EAL
- Drama/Music

This is an excellent opportunity to gain experience in an educational setting by contributing to the sporting and co-curricular programme of a leading co-educational independent school in the south of England. Enthusiasm, flexibility, the ability to work as part of a team, and a willingness to participate fully in a busy and thriving school are essential, as is a sense of humour.

These appointments are initially for one year, but this tenure may be extended by mutual agreement with the possibility of additional training. The post would suit an undergraduate or a graduate considering a career in teaching. A number of our previous Graduates have gone on to complete PGCE courses. However, we will also consider those wishing to take “a year out” to gain experience after the rigours of academic life at university.

Accommodation will be provided throughout the duration of the post and meals provided during term time; salary by negotiation.

Application should be by letter and application form (this can be found on the school's website <https://www.stjohnscollege.co.uk/vacancies2/56.html>) to the Head of College, Mrs M Maguire, St John's College, Grove Road South, Southsea, Hampshire, PO5 3QW or by email to Helen Clair, HR Assistant, at: recruitment@stjohnscollege.co.uk. The letter should outline why you seek the position and what you can bring specifically to the College.

Further details regarding the post can be found in the attached job profile or by contacting Helen Clair, HR Assistant, on the email address above.

The College is committed to safeguarding and promoting the welfare of children and young people and expects all its staff to share this commitment. An offer of employment is conditional on receipt of satisfactory references as well as a prohibition check and an Enhanced Certificate issued by the Disclosure Barring Service.

These posts will remain open until successfully filled so please apply as soon as possible
