

I haven't ever been to an England Netball session before

### Find your session

- Put your postcode in the Netball Finder to search the sessions near you
- Use the filters to find the ideal session type for you if it helps
- Select the sessions you want to attend

### Create an account

- By creating an account you will have an ENA ID needed to book onto any sessions run by England Netball or our approved delivery partners
- You will need to give us some basic information as well as a few details to make sure we can ensure the activities are suitable. These details will also help us help you in the unlikely event of an emergency. These details are all stored securely and you will need to create a password

### Reserve your place

- You will now be able to finalise your booking/reservation of your place at all the sessions you would like to attend.
- For those sessions run by England Netball direct, you will also be able to pay online using a debit or credit card.

If you need any further assistance please contact our customer service team [here](#)
