6. Playing and Competition

6.1 Competition Scheduling

6.1.1 All matches must be played as per the fixture schedule published by England Netball, and take place on Sunday, unless otherwise agreed by the Competition Referee.

6.1.2 Each team in Premier League Netball 1, 2 & 3 will play the other teams in their division twice in a season, once at home and once away.

6.1.3 The start time of each match will be mutually agreed between the teams, but will not normally be earlier than 10.30 am or later than 3:00 pm. Any dispute over start times will be determined by the Competition Referee at their absolute discretion

6.1.4 The home team must provide their opponents and the two umpires with confirmation via email of the fixture, its start time, and travel directions (including postcode) ten (10) days prior to the date of the fixture.

6.1.5 The away team will be responsible for arranging its own travel and the cost of this. The away team should allow sufficient travelling time to cover any unexpected delays. If a team is delayed in arriving for a fixture, the following protocol must be observed:

- a) Inform the opposing team and umpires as soon as they are aware of a delay
- b) Any team which fails to arrive on time must take the court and be ready to play as soon as possible and in any event within 30 minutes of the agreed start time. Teams should be given a minimum of 5 minutes for players to warm up to prevent injuries and this should be started as soon as there are 5 players present.
- c) Any team taking to court more than 30 minutes after the agreed start time will concede the match, unless otherwise agreed with the Competition Referee.

6.1.6 No team may play a match with less than 5 players; any team with less than 5 players will automatically concede the game.

6.1.7 No team may postpone or rearrange a fixture (including time and venue changes from the fixture schedule published by England Netball) without the agreement of England Netball, through the Competition Referee or their nominee(s). In the event of extreme or unforeseen circumstances (e.g., flash flood, heavy snowfall, etc.) the team affected by the circumstances must inform England Netball, their opponents and the umpires of the situation. England Netball should be contacted on 07909251285 for all of these issues. Failure to inform England Netball (a voicemail or text is appropriate if there is no answer) will result in the affected team conceding the fixture.

Matches that are postponed in these circumstances must be played before the next scheduled fixture date unless otherwise agreed by the Competition Referee, or their nominee(s). Injuries do not quantify unforeseen circumstances, and in these instances failing to fulfil the fixture will result in the affected team conceding the match. The primary responsibility for rescheduling such fixtures shall reside with the home team, and any dispute over rescheduling shall be determined by the Competition Referee, or their nominee(s), at its absolute discretion.

6.1.8 In the event of a game being conceded:

- a) The non-offending team will be awarded five (5) league points for the match, and the team which conceded will have five (5) league points deducted from their total

6.1.9 In the event that a match is abandoned for any reason (e.g., because of serious injury), the result of that match will be determined by the Competition Referee, or their nominee(s), having regard to the score at the time at which play was suspended.

6.2 Match rules and format

6.2.1 All Matches shall be played in accordance with the International Netball Federation Rules of the Game currently in force at the time of the relevant Match, except where specifically stated in these Regulations.

6.3.3 In the event that an umpire fails to arrive, or is injured or taken ill during a match, the following procedure will be applied:

- a. England Netball must be informed immediately (see 6.1.7 for contact number);
- b. If another umpire of the appropriate minimum standard (A award) is available then they will umpire the match;
- c. Failing that, the next best-qualified umpire should be used.
- d. If the appointed umpire arrives late and the game has already commenced, the umpire that started the game will continue for the entire duration of the match.

6.3.5 England Netball will have responsibility for procedures which ensure that umpires conform to a standard of physical fitness which allows them to keep pace with the speed and variability of the game(s). Matches within Premier League Netball 3 may be used by England Netball for the purpose of umpire testing and assessment.

6.4.2 Scorers are required to utilise the INF Official Scoresheet for their home matches.

6.5 Team Officials

6.5.1 A team may have up to five (5) Team Officials. These will include a coach and at least one primary care person.

6.5.4 The Team Officials and up to five (5) players not on court shall constitute the Team Bench.

- 6.5.5 The Team Bench will be situated in the area at the Team's defending half at the start of the Match to the right of the netball posts, unless otherwise agreed with the Umpires.

 - d) One (1) point for a loss if more than 50 per cent of the winners' score
 - e) Zero (0) points for a loss
- 6.7.2 Premier League Netball 1, 2 & 3 league tables will be compiled on the basis of the points awarded to each team. Where teams are level on points:
- a) Goal Average shall be used to determine their relative positions, i.e., the team with the higher Goal Average over the course of the season shall take precedence
 - b) In the event that Goal Average does not differentiate between the teams, then Goal Difference shall be applied, i.e., precedence shall be given to the team with the greater difference between goals scored and goals conceded
 - c) In the event that Goal Difference does not differentiate between the teams, then the team with the greatest number of goals scored shall take precedence
 - d) In the event that neither Goal Average nor Goal Difference nor goals scored can differentiate between the teams, the aggregate score in the match or matches played between them over the course of the season shall be calculated and precedence given to the team whose scores were greatest.

In the event that none of the above differentiates between the teams, the Competition Referee shall determine the means of differentiation.

Note - Where one of the teams has its Goal Average, Goal Difference or total number of goals scored affected by conceded fixtures, then all goals scored by and against conceding team(s) in all fixtures shall be omitted from the calculations of both teams level on points. Except where one of the teams level on points is the conceding team, at which point they assume a goal average of 0 and will be the lowest ranked team of those level on points.
