

Definitions

Consistently	Means that the umpire fully understands the particular rule, relevant techniques or protocol (pre and post-match checks etc) and is able to apply it/them correctly and in the same way throughout the assessment. You are required to assess the ability of the Umpire to be continuous and constant over the full duration of the match but to expect and accept the occasional lapse or error. The umpire should get it right around 90% of the time.
Mostly	Means that the umpire has a good understanding of the particular rule, relevant techniques or protocol (pre and post-match checks etc) and is able to apply it/them correctly and in the same way a substantial amount of the time during the assessment. You are required to assess the ability of the umpire to be able to do this over the full duration of the game. The umpire should get it right around 70% of the time but some lapses and errors are to be expected.
Beginning to	Means that the umpire has a reasonable understanding of the particular rule, relevant techniques or protocol (pre and post-match checks etc) and is able to apply it/them correctly and in the same way during the assessment. The umpire should maintain general control of the game but some lapses and errors are to be expected.
