Players playing at a higher age category
In the event of clubs not having sufficient numbers, players can play in two age categories – the year a player is eligible for and one year up e.g. U10 playing also at U11, it is the club’s responsibility to ensure all players get the opportunity to participate in mini rugby.

Procedure for allowing U12 players to play at U13
• (Only) in instances where clubs have a concern regarding numbers e.g. not enough U13 players in the club, a club may apply to their Branch Youth Committee with supporting documents explaining the reason(s) to allow this. This to only apply to players who are U12 - no U11 player playing at U12 allowed to play up.
• Branch Youth Committee to ensure that the decision does not affect playing opportunities of the U12 team(s).

Regulations and Laws regarding Mini Rugby (LTPD Stage 1)

Due to variations in the physical, mental, social and emotional developments of young children, **players under the age of 7 are not allowed to play full contact games.** Players in this age group should be introduced to Rugby Union through the non-contact game of Leprechaun Rugby.

Mini and Leprechaun Rugby have been broken down into distinct stages which progressively introduce and develop the fundamental skills of Rugby Union.

- No limit on number of players to play in club days or events – emphasis on enjoyment and participation for all. For safety reasons, players should play within their own age group and may not play for a lower age group.
- Leprechaun Rugby and Mini 1 – one coach per team allowed on the pitch, coach must stay behind players

**Age group(s) - Age on 1st January**

**Community Games**

Given the competitive ethos and structure of National Community Games, there is no affinity with mini rugby played within this structure.
Leprechaun Rugby

Leprechaun Rugby has been developed to introduce the Game of Rugby Union to young players new to the Game. The non-tackling and soft contact nature of Leprechaun Rugby contains all the running and handling skills of Rugby Union. It is a game, which is designed to be FUN

Number of players
Can vary from 4-a-side to 8-a-side and or 10-a-side games and the emphasis is on the introduction of the skills, inclusion of all participants; safety and enjoyment.

Playing area
Depends on the number of participants and vary from 10m x 20m to 30m x 40m and or 50m x 70m.

Duration of games
Depends on the time available and can vary from 5 min. each way to 10 min. or 15 min. each way. Young players (beginners) playing non-contact rugby can only play a maximum amount 30 min. of rugby per day.

Start of play
The game starts by a pass-off with the referee indicating the mark.
The opposition must be 5 to 10 m away depending on the size of the playing area and the size of the teams.

Attacking team
The attacking team carries the ball downfield, running, passing (or handling) back to score try by placing the ball over or behind the opposition goal line. The ball can only be transferred to a player behind the ball carrier. No forward (handling) or passing allowed.

Tagging and ball take
To tag, a player must contact the ball carrier with two hands (one on each side of the hips). The ball carrier must then (immediately) pass backwards within a maximum of 3 steps. Any attempt to deliberately gain territory without trying to pass, will result in loss of possession. OR
If the ball carrier can’t see anyone to pass to he/she should (immediately) stop, turn and present the ball immediately to a support player. The support player must then take the ball and pass to another player without running.

Defending team
The defending team attempts to halt the running progress of the attacking team by tagging the ball carrier.

Off-side
Applies only to the pass-off and the ball take.
The defending team can gain possession as follows:

Intercepting the ball
An opposition pass can be intercepted.
Gathering a dropped ball
If the attacking team drops or throws the ball to the ground, the defending team can pick up the ball and play on.

Knock on
If the attacking team knocks the ball on (dropping a pass forward) the defending team will restart with pass-off.

Forward pass
Forward passes are not allowed and a pass-off is awarded to the non-offending team.

Ball in touch
If the ball or attacking player carrying the ball crosses the touchline, play is restarted by a pass-off awarded to the non-offending team.

Penalties
All penalties are taken with a pass-off. A player from the non-offending team taps the ball on the ground with his foot and then passes to a team mate. Opposing players must 5 to 10 m back depending on the size of the team and or the pitch.

Reasons for penalties
• Ball carrier hands-off a player.
• Interference by a defending player not allowing a transfer, pass or ball take immediately after a tag.
• Ball carrier makes further ground after a tag without passing, transfer or ball take.
• A defending player takes the ball from the ball carrier.
• Deliberate obstruction of an opponent.
• A defending player is offside.

In all instances the opposition must be 5 to 10m back depending on the size of the teams or the pitch.
