BLUE PLANET
OFFICIAL LEINSTER SUPPORTERS CLUB GUIDE ON WHERE TO WATCH LEINSTER AROUND THE WORLD
WHEREVER you are in the world the OLSC hopes that you can tune in to watch Leinster take on all comers in all competitions. With this in mind the OLSC has begun establishing bases in key locations around the globe, with a local representative in situ, these venues are committed to showing both the GUINNESS Pro12 and European Champions Cup games regardless of their kick off time or any clashes with other sports.

We are increasing the network of bases so if you are in a city that is not yet covered here, and you know of a venue that shows both competitions please let us know by email.

Keep an eye out on the weekly team announcement for international TV and radio coverage information.
