MESSAGE FROM THE PRESIDENT

ROBERT MCDERMOTT

It is indeed a fantastic honour and a great privilege to have been elected as the 96th President of Leinster Rugby for the coming season.

Many great names of Leinster Rugby have held this office before me and I hope my

efforts over the coming season will justify the faith shown in me. I must sincerely thank the Midlands Area for nominating me. The Midlands Area is made up of eight clubs namely, Birr, Edenderry, Longford, Midland Warriors, Mullingar, Roscrea, Tullamore and the West Offaly Lions.

I must also take this opportunity to thank previous Leinster Executives who decided in their wisdom to include the Areas in the Presidential rota. It showed great foresight and is very much appreciated by all Junior clubs. I believe it has completed the "12 County" tag line circle. Leinster Rugby is well served by the contributions of so many outstanding and dedicated volunteers throughout its committee structure. The work that they do is voluntary but the standard is professional.

Over the past few seasons I have seen at first hand the "Leinster Way" in operation all the hard work of our Mini coaches, Club coaches, School coaches and our CCRO programme come to fruition with the age grade interpro series. Many of our current top players have been identified here. Congratulations to Gerry Murphy and Phil Lawlor and their team for this and I wish them well with their plans to expand the programme.

Womens rugby is still developing and the quality of the product in terms of skill, commitment and enthusiasm is very impressive. It is important to recognise the work of the Womens Committee who are responsible not only for the adult game, but also for the increasing interest in and promotion of the Womens Youth Game.

I want to congratulate the outgoing Chair of the Womens committee, Lorna O' Connor, for her valuable contribution. I extend my support to her successor, Mary Quinn, and wish her and her committee well in their endeavours for the coming season.

Leinster has 20 teams competing in the newly structured five divisions of the Ulster Bank All Ireland League. Well done to both Lansdowne and Old Wesley for winning their respective divisions last season, and may I congratulate Dundalk in their maiden season as a Senior club. This is the culmination of a lot of hard work over the last few years. The standard of the All Ireland League continues to rise and the league gains validation when we see players being brought into the Leinster set up directly from it.

Both the junior leagues namely the Metro and Leinster league continue to remain competitive and grow and many clubs are upgrading their facilities accordingly. The installation of floodlights allows a lot of these games to be played at night and mid-week which players appreciate. The Bank of Ireland Provincial Towns cup and the Metropolitan cup remain the prize trophies every year. While mentioning Bank of Ireland, may I thank them on behalf of all involved in Leinster Rugby for their continued support of Leinster Rugby but in particular as

they enter their second year of sponsorship of the domestic game.

The Irish Independent has set aside pages in its Friday edition for clubs to promote the great work they are doing. I would encourage all club PRO'S to avail of this opportunity. On that note, our continued thanks to all of the media who play such a key role in promoting the game locally and nationally.

I congratulate Wayne Sheridan on his appointment as President of our Referees Association and wish all our referees a most enjoyable season. Leinster Referees have proven once again just how professionally they manage the game of rugby. Their values of continuous improvement have raised the bar in relation to the quality they produce and the goals they set for their members. We still need the clubs to encourage their members to consider refereeing as a very satisfying and worthwhile career in the game. It is imperative that clubs realise their responsibility in this respect. A cliché it may be, but quite simply we would not have a game without our Referees.

May I also wish Rebecca Leggett, the President of the OLSC (Official Leinster Supporters Club) and her committee, the very best for the season ahead. The fabulous buzz they bring to matches, either at home or away really adds to match day atmosphere and is appreciated by all at Leinster Rugby.

On the professional side, the season just finished has seen more high profile retirements and it's fair to say that the province is in transition. The meritocracy in the Guinness Pro 12 has now ensured that all games have a meaning to them and there is nothing soft going. Long term this will augur well for the league. It's now going to test our strength in depth during the World Cup

campaign when we have to play six games without our full squad. The team is going to need all your support and encouragement.

On your behalf I wish Leo Cullen in his first campaign, his coaching staff and the team the best for the upcoming season, as well of course as our national team, who hopefully will go further than any other previous Irish team in the World Cup.

There is so much going on in rugby in Leinster, both at the professional and domestic game, level that one wonders how it can be so well organised.

This is due, in no small part, to the professional commitment and absolute dedication of the staff at the Branch Office in Clonskeagh under the watchful eye of our CEO, Mick Dawson. We are very fortunate to have probably the most helpful, talented and tolerant people to assist us.

As you read through the above notes, you can understand how the Marketing team at Leinster Rugby created the tag line 'From The Ground Up'. We are a province that truly represents and supports the game of rugby at all levels.

I would like to pay tribute to my own club, Edenderry RFC, who have supported and encouraged me in my commitment to Leinster Rugby during the past years.

In conclusion, may I wish you all a very successful and enjoyable season and I look forward, hopefully, to meeting with you during the months ahead.

With every good wish,

ROBERT MCDERMOTT
President Leinster Rugby

ONE PROVINCE TICKETING INITIATIVE

€5 LEINSTER TICKETS

One Province is a community ticketing initiative designed specifically for underage groups of teams at club and school level across the province. Those groups travelling to Leinster matches in the RDS and Aviva Stadium can avail of discounted tickets with this offer.

For example, junior tickets cost only €5 when booked through this scheme saving 50%. For every 10 tickets bought we offer 1 free adult ticket to facilitate parents, coaches or teachers who are travelling to the game with the group.

It is the perfect opportunity for clubs to capitalise on the current interest in Rugby by bringing their young players to see the live action, and excitement of match day.

Bank of Ireland

Proud Sponsor of Leinster Rugby

MESSAGE FROM BANK OF IRELAND

RICHIE BOUCHER

As we embark on the new rugby season, it is with great pride that Bank of Ireland enters its 9th Season as Leinster Rugby's main partner.

Our support covers both the professional team and the domestic game, which is aligned with Leinster's dual mandate of fielding an elite professional team

capable of competing with Europe's top sides, and maximising the development and growth of rugby throughout the province.

This is a mutually beneficial relationship; the wider Leinster rugby activity serves as an invaluable foundation for the professional team while offering a recreational outlet in communities for thousands of people every week. Equally, the professional team generates huge interest in the game and inspires people to get involved with the game at a local level.

The success of Leinster Rugby on the European stage in recent years with a squad of largely indigenous players is something that is no doubt immensely gratifying for their local clubs, schools and wider communities that played such an important role in their development. This philosophy looks set to continue with the home grown coaching ticket led by Leo Cullen, and exciting young talent coming through from the domestic game via the academy and the All-Ireland League into the senior set up.

Bank of Ireland's maiden season as sponsor of the domestic game saw some memorable occasions. For the first time both the Schools Cups Draws and Provincial Towns Cup Draw were broadcast live from the Bank of Ireland website and both saw healthy numbers of people tuning into the find out who they were to face in the opening rounds.

In each competition there was excitement and commitment right up until the final; Roscrea's victory in the Leinster Schools' Senior Cup on St.

Patrick's Day meant a new name went onto the trophy and was illustrative of the hard work being done by the Rugby Department to develop the game throughout the province. In the Provincial Towns Cup, Enniscorthy edged out Kilkenny by a single point on a memorable day which was excellently hosted by Cill Dara RFC.

These are only two of the many competitions which we are proud to be associated with, and all of this activity gives our branches a valuable opportunity to connect with the 78 clubs and 655 schools, which are affiliated to Leinster Rugby.

These are supported by a substantial coaching infrastructure which includes over 60 professional coaches provided by Leinster Rugby to improve the standard and spread of the game, and 6,500 coaches which have been formally accredited as part of Leinster's coach education activity.

The 2015/16 season will provide just as much action and everyone will be working hard to capitalise on the excitement around the Rugby World Cup and get more people involved in the game.

Bank of Ireland would like to extend its appreciation to all of the officers and staff of Leinster Rugby for facilitating our support of the game at all levels.

I would like to take this opportunity to wish Leinster President Robert McDermott every success during his season in office. As an Edenderry stalwart, the development of the game, particularly the activity of the junior clubs in non-traditional areas, has a strong advocate in the 2015-16 President.

Finally, I would like to wish everyone involved in rugby in Leinster, players, coaches, referees, volunteers and club administrators, every success and enjoyment for this season.

RICHIE BOUCHER
GROUP CEO

THE

Laighin Out

OFFICIAL LEINSTER SUPPORTERS CLUB BAR

Player Events

Guest Players, Coaches and
Q & A Sessions

Big Screen & Wifi

Catch all the action again as
matches are replayed on the big
screen after PRO 12 games.

Full Bar

The Laighin Out bar provides
supporters with a convivial indoor
venue to meet for a pre-match chat
and post-match analysis.

Merchandise

The OLSC Shop can be found at
the rear of the Laighin Out on
match day.

The Laighin Out is easy to find. It's
located under the clock tower
opposite the Anglesea Stand.
You can't miss our sign.

NEW CHARITY PARTNERS

Leinster Rugby have announced two new charity partners for the season ahead, with The Alzheimer Society of Ireland and Cardiac Risk in the Young confirmed at a special gathering in Leinster Rugby head offices in UCD.

To celebrate the partnership it was also announced that Joe Walsh Tours, official travel partner of Leinster Rugby, would be offering both charities 14 seats on the first Guinness PRO12 trip of the year to Edinburgh last weekend thus giving the lucky 28 passengers a unique insight into the Leinster Rugby environment as they travelled to and from the game with the team.

The Alzheimer Society of Ireland is the leading dementia specific service provider in Ireland and works across the country in the heart of local communities providing dementia specific services and supports and advocating for the rights and needs of all people living with dementia and their carers. It is a national non-profit organisation and also operates the Alzheimer National Helpline offering information and support to anyone affected by dementia.

Cardiac Risk in the Young ('CRY') is a charity that aims to raise awareness of the condition known as Sudden Cardiac Death or Sudden Adult Death Syndrome. CRY also provide free counselling and support for families affected by sudden death or cardiac conditions and also support the Centre for Cardiovascular Risk in Younger Persons (CRYP), where families and individuals can be evaluated in a heart screening service in a timely and systematic fashion without financial cost.

At the announcement, special guests from The Alzheimer Society of Ireland and CRY met Leinster Rugby players and coaches and they also got a unique behind the scenes tour of the Leinster Rugby facilities. Leinster Rugby CEO, Mick Dawson outlined the vision for

the year ahead.

"This is the second year that we have reached out to the charitable sector with a public tender process and again we were delighted with the response. We had 63 submissions in total and I know from speaking to those involved in the process that the submissions were excellent and each charity was deserving of our support.

"I believe that the CSR Committee and indeed the players, have chosen two excellent charity partners for Leinster Rugby and I hope that both The Alzheimer Society of Ireland and Cardiac Risk in the Young will benefit from the association and that this partnership will leave a lasting legacy with both.

"I would also like to thank Cormac Walsh and the team in Joe Walsh Tours for the wonderful opportunity afforded both charities."

Speaking on behalf of The Alzheimer Society of Ireland, **Interim CEO and Head of Operations Miriam Enright**, said, "We are thrilled to be chosen as official charity partner to the Leinster Rugby Team and are hugely excited about working collaboratively with the team over the coming months. We believe this partnership will give The Alzheimer Society of Ireland the opportunity to raise awareness for the 48,000 people living with dementia in Ireland amongst Leinster's players and followers and we will be encouraging everyone to support Leinster Rugby in the season ahead. We wish all players the very best of luck and thank them for their support."

CEO of CRY, Orla Durkan, commented, "CRY are delighted to be chosen as a charity partner of Leinster for the 2015/2016 season. We are extremely grateful for this opportunity and we look forward to working

with the Leinster Players and staff. We hope this partnership will help to raise awareness for SADS and raise much needed funds for CRY Ireland.”

In addition to having The Alzheimer Society of Ireland and Cardiac Risk in the Young on board for the season ahead, Leinster Rugby outlined further plans to engage with other charities.

Leinster Rugby media manager and chair of the CSR Committee, Marcus Ó Buachalla, said, “The difficulty in selecting two charity partners from a list of 63 is the charities that don’t get selected. With that in mind we have once again set up an online application form for charities or schools or individuals looking to Leinster Rugby to make a contribution of some kind to their charitable endeavours. We hope to then be in a position once a month to reach out to

a further four or five charities with signed merchandise or match day tickets.

“Over the course of the last 12 months in addition to LauraLynn and Special Olympics Leinster who were our charity partners last season, we were able to make a contribution to a further 38 charities across Leinster and we look forward to doing the same this season.”

Further information on the charity partners, in addition to how your charity can apply for support from Leinster Rugby can be found at www.leinsterrugby.ie/charitypartners.

Our team is here to help yours

As proud sponsor of Leinster Rugby, Bank of Ireland supports all levels of rugby in the province – from grass roots level right up to the professional senior team. We know that success on the pitch depends on a sound structure off the pitch.

With branches located across Leinster, we are here to give you the support you need.

Drop in and see how we can help your club, business or personal banking needs.
