MESSAGE FROM THE PRESIDENT | FRANK DOHERTY

It gives me great pleasure as President of the Leinster Branch to extend my very best wishes to everyone involved in rugby in the province for the coming season.

Congratulations to all the teams who experienced success last season at every level. Leinster clubs have been dominating the Ulster Bank All Ireland League in recent seasons. Last season Clontarf won the the Ulster Bank All Ireland League title, the sixth year in a row that a Leinster club has won the title. With seven of the ten teams in Division One of the league this season we will be hoping for another Leinster club to be successful. I do wish all Leinster teams a successful and injury free season in the Ulster Bank All Ireland League. Indeed, to all teams from schools, minis, youths to senior, both male and female, I hope that you enjoy your competitions and play to the best of your potential.

While the numbers involved in the game has levelled out at adult level, growth continues in the

boys and especially the girls game. We understand that we must continue to progress on all fronts. To that end the Rugby Committee have developed a 5 year strategic plan to develop and progress the game at all levels throughout the province. The objectives of this plan have been approved and various sub committees will implement the objectives over the coming seasons. This is a very positive development and while the game across the province may appear to be in good health, it is always better to engage

in such an exercise from a position of relative strength, than from one of weakness.

Our commitment to developing the game continues with twelve Community Rugby Officers, thirty eight clubs with Club Community Rugby Officers and partnerships with thirteen of the fifteen City and County Councils in Leinster. The interaction between Leinster Rugby schools, clubs and communities continues to increase and improve and we must continue to support this vital work.

I extend my best wishes to the Leinster Team, under the guidance of Leo Cullen and his coaching team, in their endeavours chasing the top honours in the Guinness PRO12 and the Champions Cup campaigns. In addition, we will again be attempting to repeat our previous successes in the B&I Cup. As we have come to know, these campaigns will be extremely competitive

MESSAGE FROM THE PRESIDENT | FRANK DOHERTY

and my hope is that we start all our campaigns well and that we avoid injuries, so as to provide the strongest selections available, especially during the Irish team windows.

While we have experienced a number of retirements and players moving on, we have some new players recruited externally and promoted from the Academy. I know that they will all experience a generous Leinster welcome and a genuine desire to see them do well this season and I wish all those who have moved on the best of luck in their new endeavours.

I would like to thank the members of the Official Leinster Supporters Club for their continued support, both home and away. The contribution they make to the match day experience and their support is greatly appreciated by Leo, his coaches and the team.

The redevelopment of the RDS is progressing and the planning application was submitted at the start of August. The redevelopment will provide excellent facilities for spectators at a new Anglesea Stand, while increasing the capacity for Leinster Rugby from 18,500 to 21,000. The RDS are solely responsible for managing the redevelopment, the total cost of which is expected to be in the region of €26 million. The final redevelopment design had to meet the specific requirements of Leinster Rugby, the Dublin Horse Show and other commercial considerations of the RDS, all contained on a tight building footprint and in a busy working environment. Congratulations to all concerned on achieving this milestone for what is a very exciting and positive step for Leinster Rugby. In addition, Leinster Rugby have obtained

permission for the development of a High Performance Unit at Donnybrook and we are planning to commence this development in the near future.

We have very generous and supportive sponsors and I would like to thank them all for their continued support. A word of special praise for our lead sponsor Bank of Ireland and to Richie Boucher and the team that drive their work on the ground especially Killian and Sharon. Thank you all for the wonderful support shown to the professional team but also to the domestic side of the house, epitomised by two wonderful occasions at the Leinster Schools Cup and Provincial Towns Cup Finals last season. Great days made all the better by the Bank of Ireland and their support.

The work carried out by volunteers to provide rugby for those who

MESSAGE FROM THE PRESIDENT | FRANK DOHERTY

wish to play the game is acknowledged by Leinster Rugby. Leinster Rugby recognises and appreciates the huge contribution the club volunteer provides to rugby in the province and the success of the game in the province is directly related to their efforts.

I congratulate David MacDonald on his appointment as President of our Referees Association and wish Dave and all our referees a most enjoyable season. The Association of Leinster Rugby Referees focus on planning and improvement drives a continuous improvement of standards. We need our schools and clubs to support and promote refereeing and to encourage their members to become referees. I would like to express my thanks to the Referees, the Disciplinary and the Appeals Committees for the positive interaction and support between one another, which

fosters understanding and ultimately benefits the game and players at all levels.

To our Chief Executive Mick Dawson and all the staff in Leinster Rugby, I would like to thank you on behalf of all the volunteers for your efforts, diligence and unwavering support. Under Mick's leadership, they work tirelessly to ensure Leinster Rugby, both the professional and domestic game, is run smoothly week in week out, season after season.

A big thank you is due to the members of the Executive Committee and their myriad of sub committees, whose efforts ensure that the game in Leinster continues to foster and grow. I would like to thank the Management Committee and Executive Committee of the Branch for their continued unstinting work on behalf of the game in the province. The Leinster Branch

and all its committees are manned by many volunteers who give up their time and make a great contribution to sustaining and developing our game. I am extremely grateful to all those people for their effort and commitment. A special thanks to my predecessors in this office for the roles they played in my preparation for this honour, I learned so much from all of them.

It is such an enormous honour for me to represent Greystones RFC as the ninety seventh President of the Leinster Branch this year. I would like to sincerely thank my club for their nomination, on only the second occasion a member of Greystones RFC has held this office.

Best Wishes.

FRANK DOHERTY
PRESIDENT
LEINSTER RUGBY
2016/2017

OWN THE BLUE

COMMITTED TO THE GAME

MESSAGE FROM BANK OF IRELAND

As the 2016/2017 rugby season gets underway, I am extremely proud that Bank of Ireland will enter its 10th season as main partner of Leinster Rugby.

As the largest lender in Ireland, Bank of Ireland is part of communities throughout the country. We also support communities through our sponsorship activities, including our sponsorship of Leinster Rugby, through which we aim to not only support the professional squad but also enhance the development of the sport at a grassroots level.

Bank of Ireland's support of both the professional and domestic game is aligned with Leinster Rugby's ambition to provide an invaluable foundation for the professional squad by nurturing home-grown talent at schools and club level whilst also offering a recreational outlet in communities across the province.

While the professional team which lines out in the RDS and Aviva stadium is the most visible representation of our involvement, Bank of Ireland is extremely proud to help Leinster Rugby support nearly 500 teams from the affiliated clubs and schools across the province participating in competitions.

In the flagship competitions we witnessed some very exciting rugby this year, with Belvedere College beating last year's winners Cistercian College Roscrea, to clinch their 11th Leinster Schools Senior Cup.

Congratulations also to Wicklow RFC who were crowned Provincial Towns' Cup champions for the first time in the 91-year history of the competition, beating Enniscorthy RFC in a close encounter.

Leinster Rugby's performance on the European stage with a squad of largely indigenous talent has no doubt inspired the efforts of players at all levels of the game throughout the province and is something that schools, clubs and communities who helped shape these players can be immensely proud of. Thanks to the incredible ambition of the organisation, it is no surprise that Leinster Rugby is also home to some of

the very best international talent.

This is an exciting time for Leinster Rugby with former captain Leo Cullen as head coach and new talent emerging from the domestic game via the Academy and All-Ireland League into the professional squad. We welcome Leinster's new arrivals this season who, alongside existing talent, ensure this is a squad with talent and ambition.

Leinster Rugby continues to develop in line with its objectives and given the talent the province attracts, its deep heritage, the dedication of professional, club, youth and school players as well as coaches and management teams, I have no doubt that Leinster Rugby will enjoy continued success across its objectives for the 2016/2017 season. My colleagues and I in Bank of Ireland would like to thank all the management and staff of Leinster Rugby for facilitating our support of the game at every level. Bank of Ireland would also like to wish all those connected to Leinster Rugby – players, supporters, officers, coaches and management – the very best for an enjoyable fulfilling and successful 2016/2017 season.

Richie Boucher

LEINSTER RUGBY TEAM UP WITH AWARE AND DEBRA IRELAND

Leinster Rugby have announced two new charity partners, with Aware and DEBRA Ireland confirmed at a special gathering in Leinster Rugby head offices in UCD. It was also announced that Leinster would be extending the partnership to two seasons for the first time. As a result the partnership will run until the end of the 2017/18 season.

To celebrate the partnership it was also announced that Joe Walsh Tours, official travel partner of Leinster Rugby, would be offering both charities 14 seats on the first Guinness PRO12 away trip of the year to Glasgow, giving the lucky 28 passengers a unique insight into the Leinster Rugby environment as they travel to and from the game with the team.

Speaking at Leinster HQ, Gerry O'Brien Head of Fundraising and Business Development with Aware said: "Aware is absolutely delighted to partner with Leinster Rugby for the next two seasons. The partnership gives us the opportunity to tell everyone in the Leinster Rugby family and beyond about the vital role that mental health and wellbeing has for all aspects of our lives, including our

ability to partake in and enjoy sports such as rugby.

"Aware works hard to connect with communities across the country and throughout the 12 counties of Leinster, and we hope that the new partnership will encourage people to be more mindful of their mental wellbeing and also encourage anyone who might be going through a tough time, to reach out for the help that is available.

"We have no doubt that this partnership will do so much for our families living with the devastating skin disease EB (epidermolysis bullosa). The awareness that this partnership will generate will ensure that those living with EB will be given a powerful voice because of the Blue Army! We are so grateful to Leinster Rugby for this opportunity and wish all the players the very best of luck and thank them for their support."

We can't wait to get started!"

Also in attendance on behalf of DEBRA Ireland was Judith Gilsonan, Head of Fundraising and Marketing who said: "DEBRA Ireland is delighted to be selected as one of Leinster Rugby's official charity partners and are really looking forward to working with both the Leinster Team and Clubs over the next two seasons.

Cormac Walsh speaking on behalf of Joe Walsh Tours said: "Joe Walsh Tours is proud to act as the official tour operator to Leinster Rugby and for the season ahead we are looking forward to also working with Leinster's chosen charity partners, Aware and Debra Ireland. In lending our support we hope to help them raise much needed funds to continue their great work."

Aware is the national organisation working since 1985 to provide support, education and information around depression and bipolar disorder. The organisation also provides positive mental health education programmes, which each year reach 30,000 students aged 15-18; 3,000 employees in workplaces nationwide, and 2,500 adults who are dealing with the impact of stress, anxiety or challenging life situations.

Depression is estimated to affect more than 450,000 people in Ireland at any one time, while 40,000 people experience bipolar disorder. Aware also offers support to people who care about someone who is managing one of these conditions.

DEBRA Ireland was established to provide support services to patients and families living with the debilitating skin condition EB (epidermolysis bullosa). DEBRA also drives research into treatments and cures for those living with the condition.

Established in 1988 by the patients and families of those living with EB, DEBRA provides hope and support to those living with EB. There are currently 300 people living in Ireland with the condition. DEBRA Ireland provides support not only to them but to their families who regularly act as carers.

At the announcement, special guests from Aware and DEBRA Ireland met

coaches and they also got a unique behind the scenes tour of the Leinster Rugby facilities.

Further information on the charity partners, in addition to how your charity can apply for support from Leinster Rugby can be found at leinsterrugby.ie/charitypartners.

THE

Laighin Out

OFFICIAL LEINSTER SUPPORTERS CLUB BAR

Player Events

Guest Players, Coaches and
Q & A Sessions

Big Screen & Wifi

Catch all the action again as
matches are replayed on the big
screen after PRO 12 games.

Full Bar

The Laighin Out bar provides
supporters with a convivial indoor
venue to meet for a pre-match chat
and post-match analysis.

Merchandise

The OLSC Shop can be found at
the rear of the Laighin Out on
match day.

The Laighin Out is easy to find. It's
located under the clock tower
opposite the Anglesea Stand.
You can't miss our sign.

CURRENT ACCOUNT**

*Keep on,
Believin'*

Bank of Ireland 

For small steps, for big steps, for life

***Extra 1% cashback subject to meeting the conditions of the mortgage.**

Lending criteria and terms and conditions apply. Security and insurance required. Available to Bank of Ireland current account customers who drawdown a new mortgage between 5th September 2016 and 31st March 2017. Not available with any other offer.

The Lender is Bank of Ireland Mortgages. Mortgage approval is subject to assessment of suitability and affordability. We require property and life insurance. You mortgage your home to secure the loan. A typical mortgage to buy your home of €100,000 over 20 years with 240 monthly instalments costs €615.79 per month at 4.2% variable (Annual Percentage Rate of Charge (APRC) 4.3%). APRC includes €150 valuation fee and mortgage charge of €175 paid to the Property Registration Authority. The total amount you pay is €148,114.60. Maximum loan is generally 3.5 times gross annual income and 80% of the property value (90% of the property value up to €220,000 for first time buyers). A 1% interest rate rise would increase monthly repayments by €54.02 per month. The cost of your monthly repayments may increase - if you do not keep up your repayments you may lose your home. Cashback is not available through Mortgagestore.ie.

Warning: If you do not keep up your repayments you may lose your home.

Warning: If you do not meet the repayments on your loan, your account will go into arrears. This may affect your credit rating, which may limit your ability to access credit in the future.

Bank of Ireland Mortgage Bank trading as Bank of Ireland Mortgages and The Mortgage Store is regulated by the Central Bank of Ireland.
