INTRODUCTION
LONDON needs no introduction and Leinster supporters have visited many times in recent years, for ties with Quins, Wasps and Saracens. Our most recent visit was for last season’s Heineken Cup final which was hosted at Twickenham. On this occasion we visit the Capital as quarter finalists in the Amlin Challenge Cup. With both Ulster and Munster also having European matches in the London area there will be many Irish around over the weekend. First up is a very important fixture for the boys in blue on Friday evening in High Wycombe.

ACCOMMODATION
London is a large city and we are often asked where are people staying so everyone can be together. This is difficult as some will be in High Wycombe while others will head to central London after the match. If you are reading this and are still looking for somewhere to stay visit www.hotels.com for either High Wycombe or London options.

GETTING THERE
London has six airports, in order of distance from High Wycombe these are Heathrow, Luton, City, Gatwick, Stansted and Southend.

Trains from London Marylebone can be booked at www.chilternrailways.co.uk, from Luton and Gatwick airports visit www.firstcapitalconnect.co.uk

NOTE: The last trains to London Marylebone leave High Wycombe at 11.29pm on Friday evening, a taxi if you miss it will be circa £96

MESSAGE FROM THE COACH

Dear Leinster Supporter,

I would firstly like to thank all of you who have made the trip to High Wycombe for Leinster’s inaugural foray into the Amlin Challenge Cup.

London Wasps have a strong European pedigree and under Dai Young they have improved a lot during the course of this season. In their own backyard they are formidable opponents.

It has been a roller-coaster odyssey for Leinster so far this season. After the disappointment of the back-to-back defeats against ASM Clermont Auvergne in December, we rebounded in good fashion during January, which saw us claim a maximum 10 points.

Our performances at home to Scarlets and then away to Exeter Chiefs in Sandy Park gave us every opportunity to qualify. Unfortunately, things didn’t quite fall our way and we were edged out of the Heineken Cup quarter-final mix.

We have dusted ourselves down from the disappointment and the focus and intent by the team has been impressive. On the back of a number of good performances in the PRO12 we are right in the mix for the play-off spots.

Our recent trips to London have generated some fantastic memories, not least the most recent, where the travelling support was tremendous in last season’s Heineken Cup final. Everyone connected with the team really appreciates your efforts. With a carrot of a semi-final and potential final in the RDS, we will all be doing our utmost to gain a semi-final berth.

Travel safely and enjoy the game.

Best wishes,

JOE SCHMIDT
Leinster Head Coach
MESSAGE FROM THE OLSC COMMITTEE

They say that 12 months is a long time in rugby, at this point last season things looked very different for Leinster. As the boys make their way to London all eyes are now on the Amlin Challenge Cup, especially given that the final will be in the RDS in May - added incentive if any was needed.

Being knocked out of the Heineken Cup is never easy so the team needs our support now more than ever. We expect a sell-out crowd with a number of neutrals in Adams Park. The estimated 1,000 Leinster supporters who are making the trip from Ireland and around the UK will need to have singing boots on and be on top of their game - let’s make sure we make ourselves heard!

High Wycombe will bring memories to those who made the trip when we last played there in a quarter final in March 2007. On that day only Rob Kearney, Gordon D’Arcy and Jamie Heaslip of the current squad, featured in a fixture ending 35-13 to the locals.

Some of you travelling may only be in the town for the day, others will stay over on the Friday night. Whatever your plans, be sure to call into Yates, our designated base, where we encourage supporters to meet both before and after the match. The staff there will welcome us with a range of discounts and the bar is open until late.

If you can’t make the game and are in Central London our usual base, The Porterhouse in Covent Garden will also be showing the game live.

C’MON LEINSTER!
