Message from the President Robert Deacon

As the 100th President of Leinster Rugby, for which I am deeply honoured, I am delighted to welcome all of you associated with rugby in the province and wish each of you a successful and enjoyable year.

Once again last season brought success for Leinster Rugby, retaining the Guinness PRO14 league title. However, I know this season the aim of all involved will be to regain the Heineken Champions Cup and place that fifth star on the blue jersey, a target the team came so close to achieving in the final last May.

On behalf of you all I would like to wish Leo Cullen, Stuart Lancaster, Felipe Contepomi, Emmet Farrell, Hugh Hogan and new recruit Robin McBryde all the very best for what lies ahead. Indeed, we extend a warm welcome to Robin, the former Welsh International, who has been part of the national coaching team in Wales for the last number of seasons who will join us after the World Cup. To Guy Easterby and all the backroom staff, the very best to you all for the challenges ahead. We also wish all our departing players well, and welcome the returning Cian Kelleher along with our new recruits from the Leinster Academy into the squad.

Other representative sides from the province to enjoy success last season were the Leinster 'A' team winning the Celtic Cup, along with our Women's team, the Leinster Juniors, the Schools and Under 19's each winning Interprovincial titles. Well done to all.

To all sponsors of Leinster Rugby, we are extremely grateful for your generous support, and offer our sincere thanks.

Our title partner, Bank of Ireland have once again embraced both our professional team and our domestic game by way of their support of the Bank of Ireland Leinster Rugby Schools Cups and the Bank of Ireland Provincial Towns Cup in particular.

They are also supporters of our Women's team, the OLSC, our age grade programmes along with our Schools of Excellence and Summer Camps. Special thanks are due to CEO Francesca McDonagh and her team, in particular Gemma Bell and Sharon Woods.

This will be our second season with our official kit partners Adidas, which has been a great success, enjoyed not just by our teams, but also by our supporters, the Adidas gear being available for purchase through our link with Life Style Sports. I would also like to acknowledge the continued support from Guinness, Laya Healthcare, Energia, BearingPoint, Deep River Rock, City jet, Optimum Nutrition, BDO, Aircoach, Windsor Motor Group, Beauchamps, Best Menswear, Communicorp, Irish Independent and the InterContinental Hotel.

We are also indebted to Ramsey Cardy and the team in Sportsfile for providing an excellent photographic service, capturing images

across all levels of the game. Our supporters have played a vital role in the success of Leinster Rugby, and a big thank you goes to the many fans who attend and cheer on the province. In particular our Season Ticket Holders and members of the OLSC. It is a cliché, but the fans are the extra man, the chants and the roars, coupled with the sea of blue flags is greatly appreciated by the players wherever the team play, be it in Energia Park, the RDS Arena, the Aviva Stadium and beyond.

Our domestic game in the province continues to thrive and I would like to wish all of our senior clubs every success across all five divisions in the Energia All-Ireland League.

Congratulations to Enniscorthy RFC who will play in the AIL for the first time this season after winning the Leinster League Division 1 and the subsequent Round Robin playoff. They also enjoyed further success by retaining the Bank of Ireland Provincial Towns Cup. Lansdowne FC also enjoyed a great season with success in the Leinster League and Cup, along with their J1 team also doing a League and Cup double. Ashbourne RFC won the All Ireland Junior Cup for the third season in a row, an excellent achievement.

To all clubs competing in the Leinster Leagues, the Metro Leagues, cup competitions and at Under U20 level, I wish you every success and enjoyment.

To all of our clubs with youths and mini sections, and those engaged with inclusion rugby, here's to a fun

filled season ahead. This is where the rugby journey starts for many of our players and I commend all who give of their time and commit to this important and vital part of our game. Youths finals day played over the May Bank Holiday weekend in Energia Park, was once again another great spectacle with plenty of talent on show.

In school's rugby St. Michael's College had a great season winning both the Bank of Ireland Leinster Rugby Schools Senior and Junior Cups. We now have over 120 schools affiliated to the Leinster Branch with various league and cup competitions catering for all levels. Again, to wish all those competing a great seasons rugby.

Women's club rugby in the province once again enjoyed a highly successful season. Congratulations are due to Railway Union RFC who claimed the All-Ireland League title, beating UL Bohemians RFC in front of a large enthusiastic crowd in Energia Park. This match was played in conjunction with the women's Leinster Finals day which proved to be a great success.

Congratulations are also due to Suttonians RFC on winning promotion to the Energia All-Ireland League, while Blackrock College RFC unfortunately came up short in the AIL Cup, beaten in the final by UL Bohemians RFC. I wish all in our women's game a successful season ahead.

I would like to take the opportunity to congratulate Norman Carter on his appointment as President of our Referee's Association, and to wish him well in his term of office.

The ARLB are continually seeking to attract more referees to cater for the ever growing number of games within the province. I would appeal to all our clubs to encourage more members to take up the whistle! The ARLB will provide training and mentoring to allow anyone, male or female, who may be interested in developing as a referee. I would ask of you all that we ensure there is total respect for our referees and officials at all times at matches in our Schools and Clubs. To Denis Collins, recently retired after nineteen years of service as Referees Administrator, allocating referees across the province, may I wish him well for the future.

Rugby in the province would not operate without the large number of volunteers filling the roles of officers, co-ordinators, referees, coaches and supporters. Leinster Rugby, under the leadership of CEO Michael Dawson, oversees the day to day administration of both the professional and domestic games. The club, area and section representatives make up the members of the various committees that keep the organi-

zation of the game in the province firmly connected to the schools and clubs. To all involved from the staff in Leinster Rugby to the voluntary committee members my sincere thanks to each and every one of you for your commitment and dedication.

This season an Inclusivity Committee has been established following the recommendation of an independent Leinster Branch Bye Laws Inclusiveness Review Group. Ratified at the Branch AGM, the aim of this new committee, chaired by Moira Flahive, shall be to enhance equality across all areas in the playing, administration and leadership of the game at schools, club and branch level. Moira has also been appointed to the Management Committee which reflects the importance of this mandate.

In relation to facilities, we await the decision in the autumn by the Government on Sports Capital funding to enable the development of the RDS Arena. It is hoped that the application submitted by the RDS with the support of Leinster Rugby will be successful and that the long awaited replacing of the Anglesea Stand can commence.

The new Ken Wall Centre of Excellence in Energia Park is now fully functional and all involved in bringing this project to fruition are to be commended in particular the Wall family. It will be of great benefit in the development of our Academy players. Future plans are to build four more Centres of Excellence across the province and we look forward to updates there in the coming months.

As President, my aim will be to visit as many clubs and to watch as many games as possible throughout the province during the season. I also look forward to meeting many of you as we support our various representative teams.

Good luck to you, to your club, your school, your area for what lies ahead both on the playing field and in committee rooms, but most importantly let's enjoy our rugby.

"FROM THE GROUND UP"

Yours in Rugby,
Robert Deacon
President, Leinster Rugby 2019/20

Message from Bank of Ireland

We look forward to our 13th year as title sponsor of Leinster Rugby and we hope it's a lucky and successful year for all concerned.

Last season was another memorable year for the players and coaches fortunate enough to pull on a Leinster jersey. Special mention must go to Leo Cullen and his squad for their journey through Europe. While Newcastle turned Blue for the final, with the banks of the Tyne resembling a walk along the Dodder on match day, Leinster was runner-up to Saracens in the Heineken Champions Cup. However, they quickly bounced back to glory for the Guinness PRO14 title defence. And congratulations to Ben Armstrong and the women's team for their Interprovincial triumph, a fantastic achievement.

A huge amount has changed in our time as title partner to Leinster Rugby. The biggest changes have happened off the field and in particular we have seen huge strides in the shape of the game on the domestic front. As proud sponsors of all four provinces, inclusivity is a key focus for Bank of Ireland and we have been thrilled to see progressive initiatives over the last few seasons.

In 2010 we didn't have inclusion rugby teams, schools girls' teams in Leinster, mini girls' teams, and no clubs under 15's or u18's girls' teams. Now there are 17 inclusion rugby teams across the province with the ambition to grow that number to 30. There are 89 women and girls' age grade teams to choose from, with 117 qualified women's coaches all driving the growth and development of the game across Leinster. These are fantastic achievements for all concerned.

In the last few months Leinster Rugby has hosted Inclusion Summer Camps in clubs across the province for children age 6 to 15 with all disabilities, championed the development of the women's game and featured the first ever double-header with the men's team in Energia Park. Leinster Rugby and Bank of Ireland also supported the Union Cup, Europe's largest LGBT+ inclusive rugby tournament, held over a sunny weekend in DCU's Sports Grounds in Glasnevin.

These are brilliant initiatives which will have enduring impacts. In clubs and schools all across the 12 counties, there is now an understanding that rugby is a game for all.

We are very proud to support Leinster Rugby and the important drive towards greater diversity in the sport. And we look forward to another year of supporting all teams across Leinster.

I wish you all the very best for the season ahead.

Francesca McDonagh
Bank of Ireland Group CEO

THE Laighin Out

OFFICIAL LEINSTER SUPPORTERS CLUB BAR

Player Events

Guest Players, Coaches and
Q & A Sessions

Full Bar

The Laighin Out bar provides supporters with a convivial indoor venue to meet for a pre-match chat and post-match analysis.

Merchandise

The OLSC Shop can be found at the rear of the Laighin Out on match day.

The Laighin Out is easy to find. It's located under the clock tower opposite the Anglesea Stand. You can't miss our sign.

Leinster Rugby Charity Partners 2019/20

Leinster Rugby have MS Ireland and the Down Syndrome Centre as the club's exclusive charity partners and the 2019/20 season is the second and final season of a two-season long partnership.

After a public tender process involving 57 submissions, eight charities presented to Leinster Rugby and in the end, the players chose to work with MS Ireland and Down Syndrome Centre from the 2018/19 season.

To kick off the partnership Leinster Rugby also announced that in association with their travel partner JWT, each charity would receive 10 travel and accommodation packages each to an away Guinness PRO14 game for them to use to their benefit. During 2018/19 that game was away to the Cardiff Blues and the brilliant package included travelling to and from the game with the team, accommodation and of course tickets to the game itself.

In a further boost to both charities, JWT have again confirmed that they will support the two charity partners with a similar donation for the 2019/20 season with the away trip to be a brilliant weekend in Italy as Leinster take on Benetton Rugby at the end of September.

Regarding both charities, MS Ireland's mission is to enable and empower people affected by Multiple Sclerosis (MS) to live the life of their choice to their fullest potential. There are over 9,000 people living with MS in Ireland with 3,122 of those based in Leinster.

The Down Syndrome Centre is a family focused centre that provides essential services for children with Down Syndrome and their families. They support over 200 children a week in their centre in Dublin.

Speaking at the announcement last summer, CEO of MS Ireland Ava Battles said, "We are delighted to have been selected as one of the Leinster Rugby charity partners for the next two seasons.

"We are looking forward to a very fruitful relationship over the coming two years, working with the extended Leinster family on exciting campaigns and awareness programmes.

"If the partnership is half as successful as the team have been on the pitch, it will have a huge impact on our vital services which help over 9,000 people living

with Multiple Sclerosis throughout Ireland."

Also speaking at the announcement last summer was the CEO of the Down Syndrome Centre, Sharon Dagg, who commented, "The Down Syndrome Centre is delighted to have the support of Leinster Rugby and to be selected as one of their charity partners for the next two seasons.

"For a small, yet thriving charity, to be associated with a club that has achieved so many prestigious accolades over the last season, will be a significant support in raising the profile of the charity.

"As a family focussed centre with a positive ethos we feel there is a strong synergy between the two organisations and we look forward to working together in a mutually beneficial partnership over the coming seasons."

Further information on both charities can be found at the following links:

www.ms-society.ie

www.downsyndromecentre.ie

Finally, Leinster Rugby can also confirm that the process for charities to apply for ad hoc donations from Leinster would continue and would again be through an online application process to be found at www.leinsterrugby.ie/charitypartners
