

How to download your ticket as a pdf from your pc/laptop only

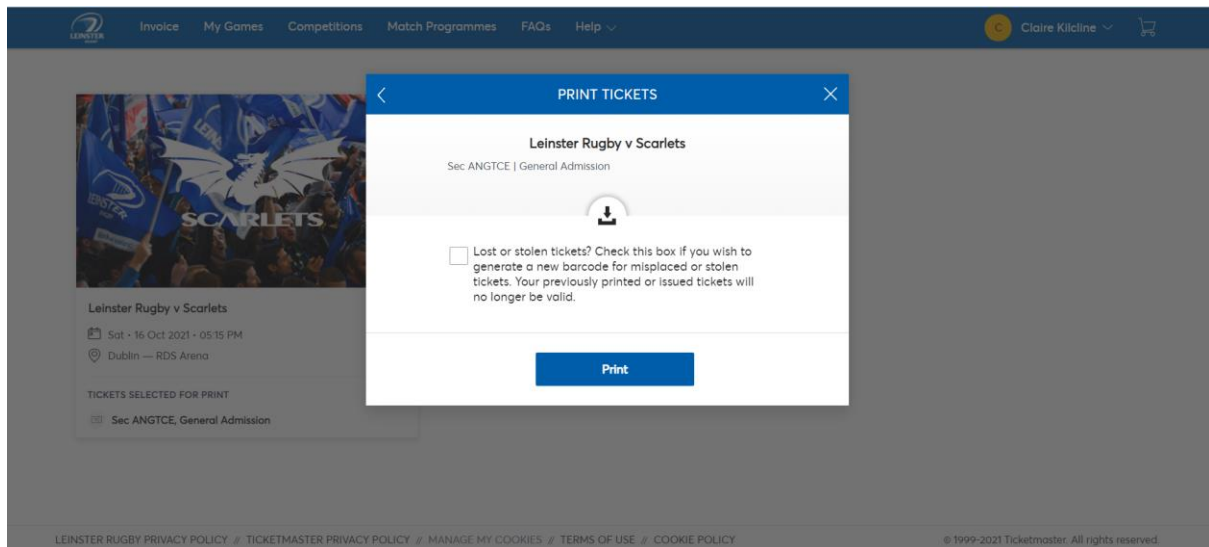

1. Log into your Season Ticket Account
2. Select My Games in the menu bar
3. Choose your game
4. Select PRINT (circled in red)

5. Select the ticket you wish to download and click CONTINUE

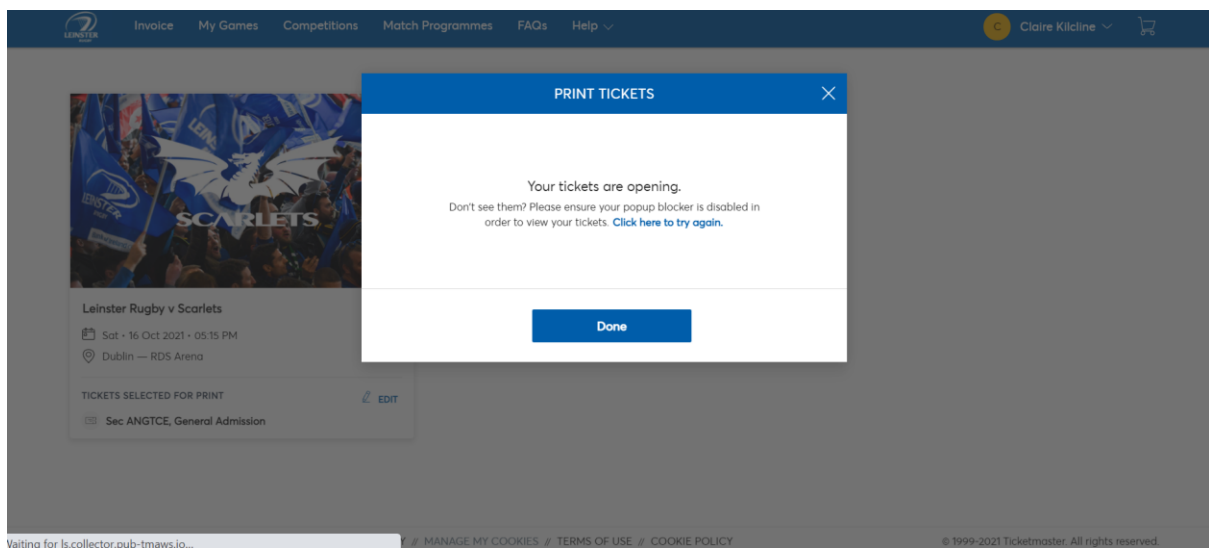

PLEASE NOTE: It is advisable to tick the box to generate new barcodes, however please remember this will then invalidate the original barcode and the original ticket will not be allowed enter

6. Click DONE

A pdf will download to the bottom left of your desktop.

You can print immediately or save to your pc and print at a later date or email the pdf on to a third party.
