What is expected from parents?

- All parents are asked to **complete the 'About Me' profile** on their child (see below) and return it to camps@munsterrugby.ie prior to the start of camp so that we can tailor the coaching children will receive on the camp to maximise participation and enjoyment.
- Our inclusion camp will have enough coaches and assistants present that parents do not need to stay for the duration of the camp. However, if you feel you would like to stay to support your child, you are more than welcome once you inform the Camp Manager.

If you have any further questions, please contact Munster Rugby Spirit Officer Emily O' Leary on emilyoleary@munsterrugby.ie or Ray Gadsden on raygadsden@munsterrugby.ie
