## MUNSTER RUGBY GLOBAL DINNER EVENTS

Munster Rugby has long been proud of our connection to our supporters around the world, and this affinity has resulted in the highly successful Global Dinners, taking place in some of the world's major cities, New York, Dubai, London & Dublin.

Our plans are in full swing for the returns of these events (as well as potentially others) in 2023, and we are delighted to outline these in more detail below.

On Thursday 9th February 2023, Munster Rugby will be holding the second Munster Rugby Dublin Dinner, brought to you by Laya healthcare from The Intercontinental Hotel in the heart of Dublin City.

On Thursday 9th March 2023, Munster Rugby will be returning to London to host the popular Munster Rugby London Dinner, from The Londoner Hotel, located on Leicester Square.

This long standing and successful event are one of the cornerstones in the Munster Rugby commercial calendar. Now in its ninth years, the Munster Rugby London Dinner enables guests to meet with some of the legends of the club, both current and past in the fantastic setting that is Londoner Hotel.
