MUNSTER BRANCH PRESIDENT

Sean Loftus – President 2025-26

It gives me great pleasure, as President of Munster Rugby, to extend a warm welcome to you all through the pages of this year's Annual Directory.

This publication is more than a record of names and numbers – it is a reflection of the lifeblood of our province: our clubs, our volunteers, our players, and our supporters. It captures the breadth of activity across Munster, from minis and youths to our senior men's and women's game, and it reminds us of the community spirit that underpins everything we do.

The past season has once again showcased the unique character of Munster Rugby. On the field, our players have worn the red jersey with pride, commitment, and resilience. Off the field, the work being done in clubs and schools across the province ensures that our traditions remain strong while new generations discover the joy of rugby.

I wish to acknowledge and sincerely thank our sponsors and partners for their continued support. Their backing allows

us to invest in the game at all levels, from grassroots to professional, and we are deeply grateful for their commitment.

Equally, I want to pay tribute to the countless volunteers, administrators, referees, coaches, and parents whose tireless efforts often go unseen but without whom rugby in Munster simply could not thrive.

Finally, to our supporters: thank you for your unwavering passion. You are the heartbeat of Munster Rugby, and your presence – whether in our grounds or following from afar – inspires all who represent this proud province.

As we look ahead, let us continue to uphold the values that define Munster: respect, resilience, and unity. Together, we can ensure that our game remains strong today and for generations to come.

I wish you all every success in the season ahead.
