2019/20 ABBREVIATED RULES

The Championship will be played in two stages, the League Stage and the Knock-Out Stage, as set out below.

The Conference Stage:

For the Conference Stage, Celtic Rugby will have divided the Clubs into two conferences of seven Clubs each, Conference A and Conference B, at Celtic Rugby's discretion. Each conference will be made up of two Clubs from each of Ireland and Wales, and a single Club from each of Scotland, Italy and South Africa.

Each Club will play:

- against each of the other six Clubs in the same conference twice (once at home, once away, i.e. 12 Matches in total);
- against each of the seven Clubs in the other conference once (i.e. seven Matches in total, Celtic Rugby will in its discretion determine whether these Matches will be home or away); and
- two further Matches against Clubs from the same Union to ensure that (i) the Irish and Welsh Clubs will play home and away matches against all clubs from their Union and (ii) the Italian, Scottish and South African clubs play a further two matches between the clubs from the same Union, either two home matches and one away match or two away matches and one home match.

In all matches in the Conference Stage, four league points shall be awarded for a win and two league points shall be awarded for a draw. One bonus league point shall be awarded to a Team scoring four or more tries and one bonus league point shall be awarded to a Team losing by seven points or less.

The positions of the Clubs in the Conference Stage will be based on the following, in order:

- the number of League Points awarded to each Club;
- if unresolved, the number of Matches won by each Club in the League Stage;
- if unresolved, the difference between the total points scored and the total points conceded on the field of play for each Club in all Matches in the League Stage;
- if unresolved, the number of tries scored by each Club in all Matches in the League Stage;
- if unresolved, the number of points scored on the field of play by each Club in all Matches in the League Stage;
- if unresolved, the difference between the number of tries scored and the number of tries conceded by each Club in all Matches in the League Stage;

- (g) if unresolved, the number of Players suspended by a Disciplinary Committee or Appeal Committee for incidents taking place in the League Stage;
- (h) if unresolved, the number of yellow cards received by Players for each Club in all Matches in the League Stage;
- (i) if unresolved, the toss of a coin or as otherwise determined by Celtic Rugby in its absolute discretion.

For the purposes of this clause 3.1.4, what qualifies as a yellow card will be determined by Celtic Rugby in its absolute discretion.

The Knock-Out Stage

- The Clubs that rank in the top three positions in each of Conference A and Conference B respectively will qualify for the Knock-Out Stage.
- The Knock-Out Stage will be divided into two Quarter-Final Matches, two semi-final Matches and a Final Match.
- The Quarter-Final Matches will be knock-out, each played over one Match:
- the Club ranked second in Conference A will play at home against the Club ranked third in Conference B (QF1); and
- the Club ranked second in Conference B will play at home against the Club ranked third in Conference A (QF2).
- The winners of the Quarter-Final Matches will proceed to the Semi-Final Matches. The Semi-Final Matches will be knock-out, each played over one Match:
- the Club ranked first in Conference A will play at home against the winner of QF2; and
- the Club ranked first in Conference B will play at home against the winner of QF1.
- The winners of the semi-final Matches will proceed to the Final Match. The Final Match will be knock-out, played over one Match, at a venue designated by Celtic Rugby.
- Based on their final ranking at the end of the Championship some Clubs may be eligible to participate in European Professional Club Rugby tournaments (South African teams are ineligible for EPCR tournaments).
