

Emerging Nations Program Athletes

For Paris 2024 Olympic Sailing Competition as of 30 August 2023

Following the completion of the The Hague 2023 Sailing World Championships, World Sailing has now identified the athletes eligible for the Emerging Nations Program. These athletes may be invited to future training camps and provided with support to attend Olympic qualifiers. If an athlete's NOC qualifies for Paris 2024 in the Event, the athlete will then no longer be eligible for the program. Future opportunities for the athletes will be communicated to the MNA and subject to the athlete maintaining the ENP Athlete's Commitment.
