Decision from Commissaires Panel

Rider 108, Gemma Sargent Saint Piran WRT was dropped from the main bunch along with other riders she subsequently joined/formed a chasing group. This group was subsequently caught and lapped by the main bunch. Rider 108 then left the lapped group and joined the back of the bunch. Despite being repeatedly asked to drop back by both Team Personnel and Pit Commissaire, she remained with the bunch until 3 laps to go where she then left the race. Following a review of the race and results, the Commissaires Panel has deemed riders 108 gained their team an unfair advantage. Riders 108 time has been adjusted to the finishing time of the group she was in when lapped and the team classification adjusted accordingly. Please advise and remind your riders to listen and follow any instructions from the pits.
