OXFORD SPECTATOR GUIDE

Oxford will host the finish of stage six on Saturday 11 June.

ACCESSIBILITY

TRAIN

Oxford Railway Station is just a short walk from the city centre and is serviced by frequent services to London, Reading, Worcester and Birmingham.

For train information, visit the National Rail website nationalrail.co.uk.

PARK AND RIDE

Park and ride is the easiest way to get into Oxford by car. There are five park and ride sites located around Oxford's ring road, with regular bus services to the city centre, and - from some car parks - to the hospitals.

It is easy to use. You simply park your car and use a bus to get to your destination. Please note that, except for group tickets, separate charges apply for both the car park and bus journey.
