- European Rowing Championships in Glasgow (GBR): 2 - 5 August 2018

ENTRY INFORMATION

Team managers should make their entries directly online through <https://rowingtwo.sportresult.com>

National Federations must nominate their chosen contact person for this online entry system for the season.

Please contact databases@fisa.org if you need any assistance on the online entry system.

For any queries on the entry process, please contact daniela.oronova@fisa.org

New athletes

The National Federations can add new athletes to the database by logging into <https://rowingtwo.sportresult.com>, using the National Federation user ID and password. For adding an athlete basic details need to be filled in and athlete's scanned copy of the passport to be uploaded.

MEDIA ACCREDITATION

The online media accreditation forms for the European Rowing Junior Championships in Gravelines and the European Rowing U23 Championships in Brest are available on <http://www.worldrowing.com/mediacenter/>.

The media accreditation for the European Rowing Championships in Glasgow will be through the local organisers on <https://www.glasgow2018.com/>

If you have any questions, please contact media@fisa.org

BIOGRAPHICAL INFORMATION ON www.worldrowing.com

Worldrowing.com is proud to offer a comprehensive athlete and rowing officials' database containing biographical information on all current and most past international rowers. The database also includes contact details for national associations worldwide as well as results from all major regattas since 1977.

Although much effort has been put into this database, we need the help of the athletes and the federations to ensure that the data is accurate and up to date. The database can be updated by each National Federation and athlete by entering into the system with a personal password.

ATHLETES / INDIVIDUALS: Each individual can update his/her own biography page through their account with the World Rowing

database at <https://rowingtwo.sportresult.com>.

In case athletes have not received an email with a link to create an account yet, they are encouraged to provide their email address to databases@fisa.org along with a scanned copy of their passport. An account then will be created for them to update their profiles.

NATIONAL FEDERATIONS: Each NF should check their details (address, contact numbers, president/secretary general, etc.) and let FISA know at databases@fisa.org if there needs to be an update.
