## Classification:

### Visual Impaired classification:

Thursday 10<sup>th</sup> May 2018

Classification will take place at Ospedale di Circolo – Varese

Transport is organized by the OC.

In order to have the clinic well organized for IBSA medical examination, teams are kindly requested to inform the OC within **February 28<sup>th</sup>**, by sending the [Form B – VI](#), indicating the number of athletes that need to be classified.

### Physical Disabled classification:

Thursday 10<sup>th</sup> May 2018

Classification will take place at the Australian Institute of Sport

[Form B – PH](#) have to be sent to the OC within **April 10<sup>th</sup>**.

### New pre-classification system

Athletes seeking an international classification must first be pre-classified in order to determine eligibility and sport class.

Athletes that need to be pre-classified should upload the required forms and additional medical documents to the new FISA Classification Portal. The new Portal shows the relevant documents that must be provided to be pre-classified for an impairment. Note that the Chief Classifier will only be notified to perform the pre-classification once all the required forms have been uploaded. The Portal also serves as a secure environment to store the athletes' medical data.

Access to the Portal is restricted to our member federations. Please contact your national federation should you wish to be pre-classified: [FISA national federations](#).

**DEADLINE: 30 days prior to the start of the classification – 10<sup>th</sup> April 2018**

### Classification Eligibility Guide

FISA has created a new online tool to help potential para rowers determine their eligibility for para rowing and to give an indication of what sport class they may be eligible for. The online tool is available here:

[Classification Eligibility Guide](#)

Please be advised that the tool provides an indication only. The actual sport class can only be determined after pre-classification and consequently international classification by a FISA panel before an event.

### Questions

For any questions regarding classification please contact: Tarina van der Stockt at [classification@fisa.org](mailto:classification@fisa.org)

**Failure to provide the required medical documentation by the deadline may result in the athlete not being classified and therefore not being able to compete at this event. Please bring the required medical documents with you to the event for classification.**

## Entry deadline for the International Regatta

Entry deadline is **Friday, 27<sup>th</sup> April 2018**
