

Official Statement – Cuban rower

The World Rowing Federation FISA has been informed by the Cuban Rowing Federation that Cuban lightweight woman single sculler Licet Hernández Licea has not appeared for her race this morning, Thursday, 28 September. She was reported missing by the Cuban Rowing Federation.

FISA and the Organising Committee have contacted the appropriate authorities who are now working with the Cuban Rowing Federation to try to seek assurance of the well-being of this female athlete. Updates will be forthcoming as information becomes available.
