DIRECTIONS TO THE REGATTA VENUE IN POZNAN

Poznan lies at the crossing of many transportation routes. The Western Europe – Russia route runs through Poznan, while in the north-south direction lies the international route from Gdańsk via Poznan and Leszno to Prague and further to the south of Europe. The A2 motorway fragment is leading to the western border of Poland and connects Warsaw with Berlin via Poznan. The EuroCity trains run along the Warsaw-Poznan-Berlin route ensuring fast transportation services, and the route is adapted to the European system of fast connections. Poznan is also home of the Poznan-Ławica Airport which, in terms of passenger carriage, belongs to the most dynamically developing airports in the country.
