# Advantages of the proposed programme

## (Substitution of the M4- by the LW4-)

- 7 medal events for Men and 7 medal events for Women
- 50% of quota for Men and 50% of quota for Women
- Keeping lightweight rowing for Men and Women in the Olympic programme. Allow lightweight sweep rowing for Men and Women.
- Small boats and big boats for Lightweight Men and Lightweight Women
- Sweep rowing and Sculling for Lightweight Men and Lightweight Women
- The proposal allows a balanced, attractive and universal programme for Rowing at the Olympic Games.
