## **1. Opening of the session**

FISA President Jean-Christophe Rolland declared the Congress open and greeted the delegates. He also welcomed the Honorary President Denis Oswald.

Referring to the 2015 World Rowing Championships just completed, the President congratulated the athletes for the fantastic competition. The Mayor of Chambéry Michel Dantin welcomed the delegates to Chambéry and thanked them for having selected Aiguebelette back in 2011.

He also welcomed and thanked the Co-Presidents Jean-Jacques Mulot and Hervé Gaymard as well as the Director of the Organising Committee Rémy Charmetant and mentioned elements about their excellent organisation of the Championship. He expressed his thanks to the Aiguebelette OC for their excellent organisation of the championships and preparation of the Congress. He also mentioned that the President of the International Olympic Committee, Thomas Bach, spent the whole day on Sunday at the venue and IOC Sport Director Kit McConnell enjoyed the event with his team on Friday

In the memory of recently deceased rowing friends and colleagues, the President then asked the delegates to observe a moment of silence. He mentioned the names of the following persons:

Christopher Davidge (GBR) former Council member  
Don Rowlands (NZL) former Council member  
Dan Topolski (GBR)  
Nigel Smith (GBR)  
Fred Louk (CAN)  
Joan Lind/Van Blom (USA)  
Tim Hosea (USA)

Guido Terryn (BEL)  
Pierre Cappellemans (BEL)  
Rennaldo Gonzalez (CUB)  
Rodney Araujo (BRA)  
Guideon Raz (ISR)  
Bill Clarke (GBR)  
Jim MacRitchie (GBR)  
Dan Popper (ROU)  
Rafael Chaires (MEX)  
Toufik Abdel Kader (MAR)

The President provided general information about the organisation of the Congress. He reminded the delegates that they should feel free to speak but asked that they be as concise as possible. There were no questions regarding the course of the Congress or the Agenda for the Congress.

## **2. Identification of the delegates and confirmation of their authority**

The Executive Director Matt Smith made the roll call. Djibouti was mistakenly called as a member and Iraq and Gibraltar joined the Congress after the roll call. At the time of the attribution vote, there were 65 federations represented, 48 entitled to three votes and 17 entitled to one vote making a total of 161 votes. Therefore, 81 votes would be necessary for a clear majority if everyone voted. A list of those present is annexed to these minutes.

## **3. Appointment of scrutineers for the period of Congress**

The Congress unanimously accepted the President's proposal that the following individuals serve as scrutineers for this congress:

Dusan Machcek (CZE)  
Yannis Karras (GRE)  
Tamas Benyi (HUN)  
Tine Bjonge (NOR)  
Jernej Slivnik (SLO)

#### **4. Approval of the minutes of the 2014 Ordinary Congress**

The President reminded the delegates that they were asked to submit any comments to the above mentioned minutes in advance of this Congress. No comments had been received but he invited the delegates to make comments if they wished.

As there were no remarks, the President considered the minutes of the 2014 Ordinary Congress as approved unanimously.

#### **5. President's report and reports of the Executive Committee Members**

The President made a few remarks to complement his report but added a few updates related to the process to align Olympic Agenda 2020 and FISA. There were 40 recommendations adopted but a few of them have a major impact on FISA. For example, one of the major issues was the cost and complexity of the venues. He announced that the IOC Executive Board has recently approved the Sea Forest Park venue for rowing and canoeing for the Tokyo 2020 Olympic Games. This places rowing very close to the Olympic Village and to the heart of the Games.

He also mentioned the 2015 SportAccord Convention and the incident when the president of that organisation Marius Vizer made a very strong attack on the IOC, claiming that he represented the views of the international federations, which was not the case. As Mr. Vizer refused to step back from his comments, the FISA Executive Committee decided to withdraw FISA's membership from SportAccord. FISA awaits information on the future of this organisation and

a review of its mission before deciding on future membership.

The President also mentioned that the 2015 World Rowing Junior Championships event in Rio was a great success. This was a test event for the 2016 Olympic and Paralympic Games and several issues that were apparent are being worked on closely with the Rio 2016 OC and IOC, such as water quality, depth, weed and the grandstands.

He also took the opportunity to thank the 2015 organising committees of the World Cups that took place this year in Bled, Varese and Lucerne; the World Rowing Under 23 Championship OC in Plovdiv; and he wished luck to the World Rowing Master's Regatta OC later this week in Hazewinkel.

For the other members of the Executive Committee there were no additional comments. There were no questions about the reports. The President considered these reports were approved unanimously.

#### **6. Reports of the Chairs of the Specialist Commissions**

The Chairs of the Commissions had no additional comments to add to their written reports, expect for the following:

- Rosie Mayglothling, Chair of the Competitive Rowing Commission, announced that the 2015 Coaches Conference will take place from 19 to 22 November 2015 in Sarasota, Florida, USA.
- Algirdas Raslanas, Chair of the Youth Rowing Commission, announced that the 2015 Youth Coaches Conference will take place from 28 September to 1 October 2015 in Beijing, CHN.

There were no other comments or questions and the President asked the delegates if he could consider the reports approved and asked if there were any who disagreed. No delegates disagreed and the reports were considered as approved.

## **7. Reports of the Continental Representatives**

The President announced that the Continental Representatives had no additional comments to their reports. As the delegates had no further questions, he considered that the reports were approved unanimously.

## **8. Accounts, financial report and auditors' report**

Mike Williams, the Treasurer, presented the accounts of FISA including the financial report and the report by PriceWaterhouseCoopers, the independent auditors. The Treasurer directed the delegates to the detailed explanations in the Agenda Papers but repeated that the accounts of 2014 showed a small deficit of CHF 28'096 on total expenditure of CHF 7'422'370. The details of the finances are found on pages 60 to 77.

He continued by mentioning that the expenditures for 2015 were estimated to be above the expected revenues and that an additional draw of CHF 1'400'000 was necessary from reserves. This revised budget is presented in the financial section.

He thanked the FISA staff for the good work in maintaining costs and preparing the accounts. The President asked if there were any questions for the Treasurer. There were none.

## **9. Approval of 2014 Accounts**

The accounts as presented were approved by the delegates in a show of voting cards and they approved unanimously.

## **10. Determination of entrance fee and annual subscription**

No change had been proposed by the Council and the delegates did not disagree.

## **11. Budget for 2016**

The Treasurer presented the budget for 2016. The President asked if there were any questions and there were none. He then asked for and received unanimous approval for the 2016 budget.

## **12. Reports on future FISA Events and Olympic regattas**

The President informed the delegates that the organizing committees for events for the coming two years have distributed their bulletins to the delegates. He introduced Jose Quinones, South American Continental Representative, who presented information about the 2015 World Rowing Coastal Championships in Lima, Peru.

Colleen Orsmond, Rio2016 Rowing Competition Manager, made a presentation to the delegates with relevant information about the 2016 Olympic and Paralympic Games in Rio de Janeiro, Brazil. The President made a few comments about some of the challenges being faced by the Rio2016 organising committee. One of the key challenges is the water quality of the Lagoa. He asked the Executive Director to present some of the facts related to water quality.

Paul Blacketter of the 2017 World Rowing Championship OC from Sarasota/Bradenton presented a report on the preparations at that venue. Otherwise, all relevant information for all upcoming events is available in the bulletins and on the websites of FISA and the organising committees.

### **13. Place and date of the 2016 Ordinary Congress**

The President proposed that the 2016 FISA Ordinary Congress would take place on Monday, 29 August 2016 in Rotterdam, The Netherlands following the 2016 World Rowing Senior, Under 23 and Junior Championships. There were no other proposals and the President considered this to be approved by the delegates.

### **14. Attribution of future FISA Events in accordance with Rule 6**

The President asked Mike Tanner to lead this subject and he explained the full bidding process first. He then summarised key features of the bids for the 2019 World Rowing Championships.

Attribution of the 2019 World Rowing Championships – Two candidates presented final bid documents; Linz-Ottensheim from the Austrian Rowing Federation and Hamburg from the German Rowing Federation.

Mike Tanner, Chair of the FISA Events Commission, presented the technical aspects of the two bids. He highlighted that this event was the qualification event for the 2020 Olympic and Paralympic Games and, therefore, the risk of adverse weather conditions was considered to be a key consideration. Both bids have strong government support

and very experienced organising committees. He stated that the Council is satisfied that both bids offer conditions in accordance with FISA standards but, due to the Olympic and Paralympic qualification status, the Council recommended Linz-Ottensheim as the least risk for adverse weather conditions.

Lenka Wech, Chair of the FISA Athletes Commission, confirmed that the Athlete's Commission recommended Linz-Ottensheim as offering a better chance for fair conditions.

The President asked for a vote on whether the delegates follow the Council recommendation which was as follows:

Yes	128
No	30
Not valid ballots	3

The honour and responsibility of staging the 2019 World Rowing Championships as well as the 2018 World Rowing Cup 2 (test event) were attributed to the Austrian Rowing Federation for the Linz-Ottensheim regatta venue.

The FISA Council had planned to attribute the following events at this Congress:

- 2017 Extraordinary Congress
- 2017 World Rowing Junior Championships
- 2018 World Rowing Junior Championships
- 2018 World Rowing Under 23 Championships

As the open bid period has ended, the FISA Council asked the congress for the authority to negotiate directly with interested national federations and organisers in order to confirm hosts for the above mentioned events, as long as they would satisfy all conditions and requirements for hosting the events.

The President asked the delegates to vote on the question of granting the FISA Council the authority to attribute these events directly. The question was approved with a vote showing a strong majority in favour, 7 against and no abstentions.

The Executive Director announced the events that had been attributed by the FISA Council at their recent meeting:

- 2017 and 2018 World Rowing Cups 1 to Belgrade and the Serbian Rowing Federation
- 2017 World Rowing Coastal Championships to Thonon, France and the French Rowing Federation
- 2017 World Rowing Tour to Austria
