Damen Raceroei Regatta

On the 7th and 8th May 2016 the fourth edition of the Damen Raceroei Regatta will be organized at the Willem-Alexander rowing course near Rotterdam, the Netherlands. On the behalf of the organizing committee from D.S.R.V Laga (which you may know from winning the Henley Temple Challenge Club in 2013), we would like to invite your rowers to compete at the regatta. Damen is a Dutch multinational shipyard company and proud to be the lead sponsor of the event. In the past three years, the Damen Raceroei Regatta has grown to be a significant regatta with over 500 national entries. Due to an excellent rowing course and top facilities, the Damen Raceroei Regatta is one of the most unique events on the Dutch rowing calendar. The regatta focusses on upcoming talents (Senior B), but the entire 2k programme for men and women, heavyweights and lightweights alike, will be available.

Facilities

Damen Raceroei Regatta is able to provide top facilities to all the rowers, whilst ensuring minimal distraction for competitors during their races. Facilities include free pasta lunches, massages, a (study) lounge, bicycles for the coaches and video footage for post-race analysis.

Accommodation and equipment

We are happy to provide accommodation and, if necessary, equipment for your crews. Within walking distance of the course is the bungalow park "de Koornmolen", which will provide attractive discounts for participants. All international crews are exempt from all entry fees. We are always open to discuss any special needs that you and your crew might have.
