1. Entry forms must include the names and the birth dates of the competitors including all possible spare rowers.
2. The NFs can only enter one crew per event and only in the events in which their NOC has NOT already qualified. Any athlete qualifying at a continental qualification event may not compete in a different event at the 2016 Rio Olympic Games unless he/she also competes in the event qualified at the continental qualification.
3. Only entries that are received by the deadline will be accepted.
4. National federations should inform in advance their NOC that if a crew from their country earns a qualification place, the NOC will have two weeks to confirm their participation.

**IMPORTANT NOTE:** Only rowers eligible under the eligibility rules of the International Olympic Committee may represent their country at the Continental Qualification Regatta for the Olympic Games. Every competitor must be able to prove this eligibility. (See FISA Rule 19 and Olympic Charter Rule 41 and Bye-law)
