Rowers

Here's how you can help bring the Kafue River & Rowing Centre to life.

LOCAL REGATTAS

- Donate the leftover proceeds of the Regatta to the Centre. This could be total proceeds, or related to a specific element such as programmes, entry, concessions or merchandise. Mention this to potential sponsors in communications leading up to the event, and to all stakeholders during the event.
- Charge €1 extra on regatta tickets or programmes.
- Volunteers with buckets collect donations from regatta attendees.
- Racking "tax." Charge competing boats €10 per racking space.
- Parking "tax." Charge €1 extra for car parking.

CLUBS & UNIVERSITIES

- Hold a fundraising dinner, BBQ or Open Day. Sell tickets to a club event or sell food drinks at open day, with a share of the proceeds to benefit the Centre.
- Stage a 12h or 24h rowathon.
- Coaches Cough Up for the Kafue! Coaches agree to donate x cents for every km rowed during a training session.
- Charity Row the length of the Kafue River (1600 km) on an ergometre. Participants to gather sponsors who donate per km.

INDIVIDUALS

- Make a donation! Every donation we receive helps to make the Centre a reality.
- Inspire by sharing. Of course we encourage you to share news and progress on the Centre via social media, but also tell us when you hold a successful fundraising event or gather new supporters!
- Matching funds. Is your employer a potential Centre sponsor, or do you know someone who could be? A sponsor could match funds raised by regattas, clubs and individuals, greatly multiplying their effect.

*Let us know what you've done and
we'll feature the top fundraising
