## 2017 World Rowing Championship Venue — Nathan Benderson Park

Nathan Benderson Park was built to FISA racing standards and boasts 9 x 13.5 meter lanes with 50 meters of clear water between the west shore and the course and 27 meters between the wave attenuator and the course. The course specifications include 2,180 meters in length, 630 meters wide and on average 6 meters deep. In addition to the course has a separate warm-up and cool down lanes.

The completed venue consists of a state of the art floating wave attenuator platform that doubles as a dedicated TV road for broadcast requirements, exclusive 3m wide paved coaches cycle path and a 30 acre secure event island.

### Proposed Conference Topics

- Coach in the Spotlight
- Importance of Nutrition and Hydration on Success
- Conversion of Collegiate Athletes to Olympians
- Tour of Nathan Benderson Park—2017 World Rowing Championships Venue
- Endurance Sports Training Theory

### About Sarasota-Bradenton

Engage in the elegant entertainment of award-winning arts and culture. Dine at delectable, world-renowned local restaurants featuring a flare of the gulf coast. Explore a Florida wilderness, a rural agricultural farm or a quartz-sand beach just minutes from a bustling cityscape. Sarasota-Bradenton is just south of Tampa and St. Petersburg and is bursting with museums, attractions, shopping and much more. Well-known by many for the casual elegance of its thriving beaches, the area also attains cultural significance with an abundance of amenities, rivaling offerings of much larger metropolitan communities.

Imagine sand in your toes and the calm sound of a tide brushing the beach; the splash of an oar as you row along any of our beautiful waterways; the roar of the crowd from a sporting event. Few places can match the beaches, the sunshine and the opportunities to explore in so many ways.
