1. Opening of the session

FISA President Jean-Christophe Rolland declared the Congress open and greeted the delegates. He noted that the delegates might see some changes in how the Congress is led as it was his first as President of FISA. He welcomed FISA Honorary President Denis Oswald who stepped down as president one month earlier in Lucerne. Denis has accepted to continue to offer his advice and support whenever we ask. He congratulated John Coates, FISA Continental Representative for Oceania, on his election as IOC Vice President at the 2013 IOC session in Buenos Aires. He mentioned that Anita DeFrantz, former Vice President of FISA, had been elected to the IOC Executive Board.

Referring to the 2014 World Rowing Championships just completed, the President congratulated the athletes for the fantastic competition and continued *"Some sports have judges, some sports have time trials - sometimes in significantly changing conditions – but in rowing we want the results to be based only on the performance of the athletes; no judges but a finish line, same materials for all and access to the same technology. This is in our DNA and we are very concerned when the external conditions create unfairness.*

After a few tricky experiences in the past we have developed specific rules and set up a dedicated fairness committee to try to mitigate the consequences of tricky conditions. I think you will all agree that we have made great progress in how we deal with challenging wind conditions and fairness. Whatever we can do however mitigating the consequences doesn't mean completely eliminating the unfairness in adverse situations. We had to face changing and tough conditions this week. In the end, as you know, despite using all the information we have,

the science we have, the experience we have, and trying to make the best decision possible - the decisions we make have to be what is most reasonable in the circumstances.

Let me say that I feel deeply for the athletes who have been affected this week. I can also understand their frustration. Do not forget that we, in FISA, are all former athletes - we have this in our souls - we understand the work that athletes and coaches and you have done to get to the Championships. We understand the importance of our decisions in terms of the effect these decisions have on all of you. But we are an outdoor sport and there will always be variables. We will continue to manage them to the best of our ability- with integrity and fairness - always with the interests of our athletes, our coaches and you in mind.

We have been very transparent with the process and have communicated closely with the Teams all the elements, and have explained the decisions. I would like to thank the federations, all of you, for your understanding that our decisions are made with the best interest of our athletes and rowing as a whole - not just one crew - not just one event. I am proud, in particular, of how most athletes handled themselves, how, in large part, you handled yourselves- in these tough conditions- it is an example of great sportsmanship and class - and truly a great reflection on our sport."

The President thanked the Organising Committee for their excellent organisation of the Championships and, especially, for their treatment of all stakeholders which is critical. He expressed his thanks to Gerrit-Jan Eggenkamp and Henk-Jan Zwolle for their excellent organisation of the championships and preparation of the Congress.

In the memory of recently deceased rowing friends and colleagues, the President then

asked the delegates to observe a moment of silence. He mentioned the names of the following persons:

Fernando Gomez (MEX)
Daniel Gomez (MEX)
Igor Grinko (UKR)
Allen Rosenberg (USA)
Alain Marey (FRA)
Yvon Petit (FRA)
Yves Delacour (FRA)
Urs Kaufmann (SUI)

The President then invited the President of the Dutch Rowing Federation, Frans Cornelis, who made a short speech thanking the volunteers all over the country.

The President provided general information about the organisation of the Congress. He reminded the delegates that they should feel free to speak but asked that they be as concise as possible. There were no questions regarding the course of the Congress or the Agenda for the Congress.

2. Identification of the delegates and confirmation of their authority

The Executive Director Matt Smith made the roll call. He then informed the delegates that, at that point, there were 51 federations represented, 45 entitled to three votes and 7 entitled to one vote making a total of 142 votes. Therefore, 72 votes would be necessary for a clear majority if everyone voted. A list of those present is annexed to these minutes.

3. Appointment of scrutineers for the period of Congress

The Congress unanimously accepted the President's proposal that the following individuals serve as scrutineers for this congress:

Gwenda Stevens (BEL)
Dag Danzglock (GER)
Mike Walker (CAN)

4. Approval of the minutes of the 2013 Ordinary Congress

The President reminded the delegates that they were asked to submit any comments to the above mentioned minutes in advance of this Congress. No comments had been received but he invited the delegates to make comments if they wished.

As there were no remarks, the President considered the minutes of the 2013 Ordinary Congress as approved unanimously.

5. President's report and reports of the Executive Committee Members

As the period refers to 2013, the President's report has been written by then FISA President Denis Oswald who was given the floor to make additional comments. Denis Oswald commented on the nice handover ceremony a few weeks ago in Lucerne which was a wonderful surprise for him. He offered his continued support for the new President.

For the other members of the Executive Committee there were no additional comments. There were no questions about the reports. The President considered these reports were approved unanimously.

6. Reports of the Chairs of the Specialist Commissions

The Chairs of the Commissions had no additional comments to add to their written reports, except for the following:

- John Boulton, Chair of the Competitive Rowing Commission, announced that the 2014 Coaches Conference will take place in Rio de Janeiro, Brazil.
- Fay Ho, Chair of the Para-Rowing Commission, reported on the Agitos Foundation funded training camp next May in Gavirate, Italy to develop Para-Rowing.
- Guin Batten, Chair of the Rowing for All Commission, reported that the 2015 Coastal Championships would take place in November 2015 in Lima, Peru.
- Tricia Smith, Vice President, took the opportunity to introduce the new chair of the Women's Cross Commission Jacomine Ravensbergen.

There were no other comments or questions and the President asked the delegates if he could consider the reports approved and asked if there were any who disagreed. No delegates disagreed and the reports were considered as approved.

7. Reports of the Continental Representatives

The President announced that the Continental Representatives had no additional comments to their reports. As the delegates had no further questions, he considered that the reports were approved unanimously.

8. Accounts, financial report and auditors' report

Mike Williams, the Treasurer, presented the accounts of FISA including the financial report and the report by PriceWaterhouseCoopers, the independent auditors. The Treasurer directed the delegates to the detailed explanations in the Agenda Papers but repeated that the surplus of CHF 479,248 for the year 2013 was better than the expected balanced budget. There was a charge for exchange rate loss of CHF 64,372 and a large charge of CHF 376,062 as a provision for the possible unrealised loss in the value of marketable securities which is required by accounting rules. There was a higher than anticipated income from the television rights for the London 2012 Olympic Games and the Executive Committee created a permanent reserve of CHF 5,000,000 for future security.

He continued by mentioning that the expenditures for 2014 were progressing in line with the revised 2014 budget, found in the middle column of page 61 in the English Agenda Papers, but that it was too early to make judgements.

He thanked the FISA staff for the good work in maintaining costs and preparing the accounts. The President asked if there were any questions for the Treasurer. There were none.

9. Approval of 2013 Accounts

The accounts as presented were approved by the delegates in a show of voting cards and they approved unanimously.

10. Determination of entrance fee and annual subscription

No change had been proposed by the Council and the delegates did not disagree.

11. Budget for 2015

The Treasurer presented the budget for 2015. The President asked if there were any questions and there were none. He then asked for and received unanimous approval for the 2015 budget.

12. Reports on future FISA Events and Olympic regattas

The Executive Director informed the delegates that the organizing committees for events for the coming two years have distributed their bulletins to the delegates. He introduced the Director of the 2015 World Rowing Championships in Aiguebelette, France, Remy Charmetant who made a presentation to the delegates with relevant information about these championships. He next introduced Rodrigo Garcia, Sport Director of the Rio 2016 Organising Committee and Colleen Orsmond, rowing competition manager, who combined on a presentation about Rio 2015 and 2016. Otherwise, all relevant information for all upcoming events is available in the bulletins and on the websites of FISA and the organising committees.

The President took the opportunity to introduce the Council's proposed 2016 Olympic regatta schedule which included four days of finals but is slightly different from London. There are two finals on day five with attractive semi-finals then four finals on day six, day seven and day eight. The Olympic regatta will end with the eights on day eight. This has been submitted to the IOC in accordance with their deadline.

13. Place and date of the 2015 Ordinary Congress

The President proposed that the 2015 Ordinary Congress would take place on Monday, 7 September 2015 in Chambéry, France following the 2015 World Rowing Championships. There were no other proposals and the President considered this to be approved by the delegates.

14. Attribution of future FISA Events in accordance with Rule 6

The President asked Mike Tanner to lead this subject and he explained the full bidding process first. He then summarised key features of the bids for the 2016 and 2017 World Rowing Under 23 Championships.

Attribution of the 2016 World Rowing Under 23 Championships – There were no bidders for this event so FISA went to the Rotterdam Organising Committee and the Dutch Rowing Federation with the idea of combining this event with the 2016 World Rowing Senior and Junior Championships. This has been circulated to the NFs for comments two times already leading to a programme of seven and a half days; each event would have five days. The dates were also submitted to the national federations the preference was after the Olympic Games. FISA and the Dutch Federation are still working on the final details but the Council has approved the technical details of the bid. The President asked Mike Tanner to explain the background. He indicated that the prevailing wind is tail with average speeds of 4 to 6 metres per second. All aspects of the venue have been constructed according to FISA standards.

The President asked for a vote to grant the Council to attribute the championships subject to final negotiations with the Dutch

federation. A vote by show of cards was taken. There was a large majority in favour with no objections, and two federations abstained.

Attribution of the 2017 World Rowing Under 23 Championships – Mike Tanner presented the technical aspects of the bid of the Bulgarian Federation for Plovdiv. The Council is satisfied that the conditions are according to FISA standards and recommended approval. Matt Smith mentioned that this is the proposal for the Plovdiv test event ahead of the 2018 World Rowing Championships. The President asked for a vote to attribute the event to Plovdiv and the Bulgarian Federation. The delegates approved unanimously.

15. Reports on applications for affiliation and voting consequent thereon

There were no applications for new membership.

16. Reconsideration or Confirmation of decisions (ref. Art. 30) taken by the Council in accordance with the provisions of paragraph 4 of Art. 44 or by the Executive Committee in accordance with the provisions of paragraph 3 of Art. 50

19. Other Items proposed by Member Federations, the Council or the Executive Committee

The British Federation had proposed an extension deadline to comply with the rule concerning the maximum length of a four (paragraph 2 of Bye-Law to Rule 39) until 2017. Paul Fuchs, Chair of the Equipment and Technology Commission announced that the FISA Council has suspended this bye-law until further notice so that further research can take place and information can be obtained.

20. Report of the Development Programme

The report was submitted in the Agenda papers. The President asked for any questions from the delegates on this report. There were no questions and he considered the report approved.

21. Any other business

- a. 2015 World Anti-Doping Code – Dr. Alain Lacoste, Chair of the Sport Medicine Commission, presented information on the update in the above mentioned code. FISA would publish its updated Anti-Doping rules soon but reminded the delegates that NFs are also required to update their rules from 1 January 2015.
- b. New Technologies – Paul Fuchs explained that the new electronic devices that are entering the market and entering the boats are constantly increasing in complexity.

The Council is concerned about the impact of the ever evolving new technologies of this new equipment being carried in the boat during racing. Consideration is now being given to freezing the complexity of equipment that a crew would be allowed to carry in a boat during a race.

- c. 2019 World Rowing Championships – Colin Smith (AUS) asked if FISA would declare the bidding cities for these championships. Matt Smith responded that the national federations would be free to announce themselves but that some had requested time to finalise their discussions with their governments. The Czech Federation had already announced the interest of bidding with the venue of Racice. The Austrian Federation confirmed the interest of Linz/Ottensheim. The Australian Federation confirmed the interest of Sydney. The German Federation confirmed the interest of Hamburg.
- d. Strategic Session – The President started a special session dedicated to updating the delegates on the latest developments in the Olympic movement and, in particular, the impact of the IOC Olympic programme commission report which highlighted the need for more universality and gender equity. This analysis impacted the Council's decision-making on the 2016 Olympic Qualification system. He also mentioned the IOC's Agenda 2020, IOC president Thomas Bach's initiative to help the Olympic Games adapt to the current context.

Then Matt Smith made a general review on the latest draft FISA Strategic Plan which was available for further comments from the national federations. Then Guin Batten presented the Islands project to help develop coastal rowing

on islands in the Caribbean and Oceania. She was followed by a presentation from Jacomine Ravensbergen on the progress with the women's development project. Finally, Matt Smith presented information on the next step in the relationship with WWF, FISA's strategic alliance partner for the environment, which is a project to gather the world's leaders in water research and science along with a rowing centre in Zambia. This project will be launched in 2015.

22. Closing

The President thanked the delegates for their excellent co-operation. He also expressed his gratitude to the Dutch Rowing Federation and the Amsterdam Organising Committee for their excellent organisation of the Congress. He also thanked Matt Smith and the FISA staff for their preparation of the Agenda Papers. He also thanked the interpreters for their excellent work.

He declared the 2014 FISA Ordinary Congress closed at 12:40 hrs.

Jean-Christophe ROLLAND, President

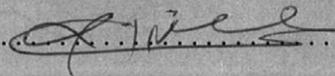

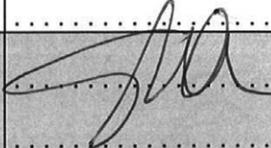

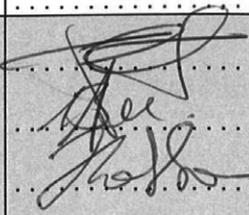

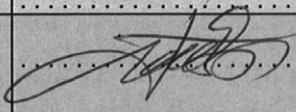

Matt SMITH, Executive Director
