

General Manager

Melbourne University Boat Club (MUBC) is one of the leading rowing clubs in the world. Its members represent the club at all levels of the sport, from local junior rowing to international masters competitions, from representing the University against Sydney University at the Australian Boat Race to representing Australia at the Olympic Games

MUBC is seeking a General Manager who will be responsible for the management and growth of all operational activities at the club.

Candidates would be expected to have deep understanding of managing sporting organisations and relevant business development experience.

The General Manager will:

- ▶ Manage the MUBC business which includes membership services, communication, sub-committee management and club activities;
- ▶ Assist the committee with development and execute of the strategic plan;
- ▶ Develop and execute a revenue generating plan for the boatshed facility;
- ▶ Stakeholder management of members, alumni, University of Melbourne and other external parties

This is a **full time** (fixed-term) position available with a **two** year contract

To be considered for this opportunity, applicants should contact the Committee, via treasurer@mubc.asn.au, with a curriculum vitae. Application will close by 14th June 2015
