INTRODUCTION

As we enter into the final preparation stages of the 2015 World Rowing season, we look with anticipation at the exciting events that lie ahead. The season will begin in Bled (SLO) at the first stage of the World Rowing Cup. The series has three stages and shall continue to Varese (ITA) and then Lucerne (SUI) for the final stage.

Throughout the 2014 season, FISA made every effort to increase the awareness, popularity and attractiveness of the sport of rowing both through TV and web broadcasting as well as through on site presentation. Close collaboration with our service and television partners is essential in improving the presentation of our sport, and for this we would like to acknowledge the fantastic partnership we have built over the years with Swiss Timing, our timing and results providers; the European Broadcasting Union; Supervision, provider of big screens and Quattro Media, our TV consultancy and distribution company who achieved a huge increase in distribution and viewership of our events over the last three years. A final acknowledgement must go to Great Big Events, our Sport Presentation partner who joined us in 2011.

The 2015 World Rowing Cup venues are:

- Bled (SLO): 6 - 8 May 2015
- Varese (ITA): 19 - 21 June 2015
- Lucerne (SUI): 10- 12 July 2015

The entire World Rowing Cup series A Finals will be produced and available for broadcasting. They will be live video streamed and is available through www.worldrowing.com.

The World Rowing Championships and the World Rowing Masters Regatta will take place as follows:

- World Rowing Under 23 Championships in Plovdiv (BUL): 22 - 26 July 2015
- World Rowing Junior Championships in Rio de Janeiro (BRA): 5-9 August 2015
- World Rowing Championships in Aiguebelette (FRA): 30 August - 6 September 2015
- World Rowing Masters Regatta in Hazewinkel (BEL): 10 - 13 September 2015
- World Rowing Coastal Championships in Lima: 13 - 15 November 2015

We would like to take this opportunity to acknowledge the great support of the National Federations and their national teams, without whom none of these events would be possible: we appreciate all the efforts made.

Finally, we would like to thank the volunteer organising committees for all their hard work. We can always count on them to do everything possible to ensure the highest standard of competition for rowers and the promotion of rowing.

We have prepared this Information Bulletin to present in one place all the information you will need to take part in this year's World Rowing events.

GENERAL INFORMATION

ENTRY INFORMATION

Team managers may make their entries directly online through <https://rowingtwo.sportresult.com>

National Federations must nominate their chosen contact person for this online entry system for the season.

Please contact databases@fisa.org if you need any assistance on the online entry system. Instructions are posted on <http://www.worldrowing.com/fisa/publications/>

For any queries on the entry process, please contact daniela.oronova@fisa.org

New athletes

The National Federations can add new athletes to the database by logging into <https://rowingtwo.sportresult.com>, using the National Federation user ID and password. For adding an athlete basic details need to be filled in and athlete's scanned copy of the passport to be uploaded.

Information about the entry process for the the 2015 World Rowing Masters Regata and the 2015 World Rowing Coastal Championships could be found on page 44 and 46 of the Bulletin.

Restriction on Entries

Each member federation may enter up to four crews in each event of the 1st World Cup regatta and a maximum of two crews in each event of the 2nd and 3rd World Cup regatta.

Soon after the close of entries, a list of the nations entered in each event will be published

MEDIA ACCREDITATION

The online media accreditation form is available on <http://www.worldrowing.com/media-center/>.

If you have any questions, please contact media@fisa.org

BIOGRAPHICAL INFORMATION ON www.worldrowing.com

[Worldrowing.com](http://www.worldrowing.com) is proud to offer a comprehensive athlete and rowing officials' database containing biographical information on all current and most past international rowers. The database also includes contact details for national associations worldwide as well as results from all major regattas since 1977.

Although much effort has been put into this database, we need the help of the athletes and the federations to ensure that the data is accurate and up to date. The database can be updated by each National Federation and athlete by entering into the system with a personal password.

- ATHLETES / INDIVIDUALS: Each individual can update his/her own biography page through their account with the World Rowing

database at <https://rowingtwo.sportresult.com>.

In case athletes have not received an email with a link to create an account yet, they are encouraged to provide their email address to databases@fisa.org along with a scanned copy of their passport. An account then will be created for them to update their profiles.

NATIONAL FEDERATIONS: Each NF can update their basic information (address, contact numbers, president/secretary general, etc). This information forms the basis of FISA's mailing list, so must remain up to date.

ACCREDITATION INFORMATION

for World Rowing Championships only (U23, Senior & Junior)

All new athletes (those participating for first time at a World Rowing regatta) must present themselves with their passports at the athlete registration office at the venue. An individual photo will be taken there and it will be used for the regatta crew photo and for the athlete biography section on the FISA website.

FISA PRE-COMPETITION HEALTH SCREENING

All rowers competing in the 2015 World Rowing Junior, U23 and Senior Championship are required to have completed a questionnaire, submitted it to their doctor and have undertaken the required physical examination and diagnostic ECG test. The National Federation is required to confirm to FISA that all entered athletes have completed the screening.

An electronic format of this questionnaire is being prepared so that rowers can complete it online and send it directly to their doctor and the team doctor in full confidentiality followed by a physical exam and an ECG. The link for this form will be announced shortly.

When entering crews for the 2015 World Rowing Junior , U23 and Senior Championships, the National Federation will be required to declare that all entered athletes for their crews have completed this screening.
