The image is a collage of four distinct scenes, all overlaid with a semi-transparent blue filter. The top-left quadrant shows a city skyline at dusk, featuring prominent skyscrapers like the Oriental Pearl Tower and the Shanghai Tower. The top-right quadrant depicts a dragon boat race with several teams of rowers in traditional dragon-shaped boats on a body of water. The bottom-left quadrant captures a cityscape at night, with illuminated buildings and a bridge over a river. The bottom-right quadrant shows a diverse crowd of people, including a young boy in the foreground, cheering and holding up signs and foam fingers. The text "Shanghai is ready" is centered across the middle of the collage in a large, white, sans-serif font.

**Shanghai is ready**
