

APPENDIX 22	APPENDIX R1822 (IN PROGRESS)	
COASTAL ROWING COMPETITION REGULATIONS – EVENT REGULATIONS AND/ OR DEPARTURES FROM THE FISA RULES OF RACING	COASTAL ROWING COMPETITION REGULATIONS – EVENT REGULATIONS AND/ OR DEPARTURES FROM THE FISA RULES OF RACING	
Rules applying to International Regattas shall apply to international Coastal Rowing regattas and rules applying to World Championship regattas shall apply to World Rowing Coastal Championship regattas except as provided in these Regulations, which are approved by the FISA Council as Departures from the Rules.	Rules applying to International Regattas shall apply to international Coastal Rowing regattas and rules applying to World Championship regattas shall apply to World Rowing Coastal Championship regattas except as provided in these Regulations, which are approved by the FISA Council as Departures from the Rules.	
1. Rowing, Boats, Regattas (Rule 1)	1) 1-Rowing, Boats, Regattas (Rule 1)	
A Coastal Rowing regatta is a regatta in which all rowers use Coastal Rowing boats as defined in these Regulations and where the competition course is on the open sea or on a large inland body of water and in accordance with these Regulations.	A Coastal Rowing regatta is a regatta in which all rowers use Coastal Rowing boats as defined in these Regulations and where the competition course is on the open sea or on a large inland body of water and in accordance with these Regulations.	
2. Application (Rule 2)	2) 2-Application (Rule 2)	
These Regulations apply to International Regattas for Coastal Rowing and the World Rowing Coastal Championship regatta together with and not in exclusion of the FISA Rules of Racing.	These Regulations apply to International Regattas for Coastal Rowing and the World Rowing Coastal Championships <u>regatta</u> together with and not in exclusion of the FISA Rules of Racing.	
3. World Rowing Coastal Championships (Rule 4)	3. World Rowing Coastal Championships (Rule 4)	
The World Rowing Coastal Championship regatta shall be held every year.	The World Rowing Coastal Championship regatta shall be held every year.	Deleted as duplicated in the Rules
4. Attribution of World Rowing Coastal Championships (Rule 6)	4. Attribution of World Rowing Coastal Championships (Rule 6)	
In principle, three years in advance, the Rowing for All Commission shall select the most suitable candidate to host the World Rowing Coastal Championships and propose it to the Council for approval.	In principle, three years in advance, the Rowing for All Commission shall select the most suitable candidate to host the World Rowing Coastal Championships and propose it to the Council for approval.	Deleted as duplicated in the Rules
5. Right to Participate (Rule 7)	3) 5-Right to Participate (Rule 711)	
The World Rowing Coastal Championships are open only to club crews nominated by their member federations.	The World Rowing Coastal Championships are open only to club crews nominated by their member federations.	
6. Eligibility (Rule 19)	4) 6-Eligibility (Rule 1912)	

To compete in a World Rowing Coastal Championship regatta, a rower shall be a member of a club recognised by the member federation.	To compete in a World Rowing Coastal Championship regatta, a rower shall be a member of a club recognised by the member federation.	
	5) 7-Safety and Health of Rowers (Rule 14)	
	<p>a) <u>Each rower at Coastal rowing events shall ensure that:</u></p> <p>i) <u>they have a state of health and fitness which allows them to compete at a level commensurate with the competition level of the particular event; and</u></p> <p>ii) <u>they have a basic swimming ability, including being able to swim 50m and keep their head above water unassisted for three minutes.</u></p> <p>b) <u>For the World Rowing Coastal Championships, it is strongly recommended that rowers undergo a pre-competition health screening Detailed in Bye-Law to Rule 14 2) a).</u></p> <p>c) <u>These requirements are in addition to the safety provisions in Regulation 19.</u></p>	<u>Moved from 42 to match new order of the Rules</u> <u>Add the requirements that have been included in Rule 14, including for swimming ability.</u>
7. Commitment (Rule 23)	78-Commitment (Rule 2316)	
Rowers may only compete at World Rowing Coastal Championship regattas if they have submitted a signed commitment form, according to Art. 58. Each team official must have submitted a signed commitment form to FISA before accreditation may be issued at the event.	Rowers may only compete at World Rowing Coastal Championship regattas if they have submitted a signed commitment form, according to Art. 58. Each team official must have submitted a signed commitment form to FISA before accreditation may be issued at the event.	Deleted as duplicated from the Rules
8. Age Categories (Rule 24)	6) 89-Age Categories (Rule 2417)	
The following age categories for rowers are recognised by FISA for Coastal Rowing: • Seniors	The following age categories for rowers are recognised by FISA for Coastal Rowing: a) • Seniors a)b) • Under 19	Add Under 19 as an age category for Coastal Rowing.
9. Additional Categories (Rule 25)	7) 910-Additional Categories (Rule 1825)	
Except for the age categories, FISA does not recognise any additional categories for Coastal Rowing.	Except for the age categories, FISA does not recognise any additional categories for Coastal Rowing.	

10. Coxswains (Rule 27)	8) 1011. Coxswains (Rule 2721)	
The minimum weights of coxswains shall also apply to Coastal Rowing.	The minimum weights of coxswains shall also apply to Coastal Rowing.	
11. Boat Classes (Rule 35)	9) 1112. Boat Classes (Rule 3524)	
The following boat classes are recognised by FISA for Coastal Rowing: <ul style="list-style-type: none"> • Solo (C1x) • Double Sculls (C2x) • Coxed Quadruple Sculls (C4x+) • Coxed Four (C4+) 	The following boat classes are recognised by FISA for Coastal Rowing: <ul style="list-style-type: none"> a) a-Solo (C1x) b) b-Double Sculls (C2x) c) c-Coxed Quadruple Sculls (C4x+) d) d-Coxed Four (C4+) 	
12. World Rowing Coastal Championships Boat Classes (Rule 36)	10) 1213. World Rowing Coastal Championships Boat ClassesEvent Programme (Rule 3625)	
World Rowing Coastal Championships are held in the following events: <ul style="list-style-type: none"> • Men (M) C1x, C2x, C4x+ • Women (W) C1x, C2x, C4x+ • Mixed (Mix) C2x 	World Rowing Coastal Championships are held in the following events: <ul style="list-style-type: none"> a) a-Men (M) C1x, C2x, C4x+ b) b-Women (W) C1x, C2x, C4x+ c) c-Mixed (Mix) C2x 	
	11) Mixed Coastal Events	
	<u>Mixed crew events may be held at Coastal Rowing regattas in which half of the crew, excluding the coxswain, shall be women and half shall be men.</u>	New Regulation to define a Mixed Coastal crew
13. Construction of Coastal Rowing Boats (Rule 39)	12) 1314. Construction of Coastal Rowing Boats (Rule 3928)	
13.1 Coastal Rowing boats used in international Coastal Rowing regattas and World Rowing Coastal Championships must meet the following three measurement requirements:	a) 1314.1 Coastal Rowing boats used in international Coastal Rowing regattas and World Rowing Coastal Championships must meet the following three measurement requirements:	
13.1.1 Maximum permitted length over all;	i) 13.1.1a. Maximum permitted length over all;	
13.1.2 Minimum permitted weight of boat;	ii) 13.1.2b. Minimum permitted weight of boat;	
13.1.3 Minimum permitted width of the boat measured at the following two locations, all measurements taken externally at the station of maximum overall beam: a. width overall (point 1);	iii) 13.1.3c. Minimum permitted width of the boat measured at the following two locations, all measurements taken externally at the station of maximum overall beam: (1) a i- width overall (point 1);	

b. width at the Secondary Beam Measurement Point which shall be located at the specified height from the deepest point of the boat at that station (point 2).
The maximum permitted length and minimum permitted weights are as follows:

	Maximum length (m)	Minimum weight (kg)
C1x	6.00	35
C2x	7.50	60
C4+, C4x+	10.70	140

(2) ~~bii~~ width at the Secondary Beam Measurement Point which shall be located at the specified height from the deepest point of the boat at that station (point 2).

The maximum permitted length and minimum permitted weights are as follows:

	Maximum length (m)	Minimum weight (kg)
C1x	6.00	35
C2x	7.50	60
C4+, C4x+	10.70	140 130

C4x minimum weight changed per Row 4 All Commission request.

There is no minimum length for Coastal Rowing boats.

There is no minimum length for Coastal Rowing boats.

The minimum permitted widths are as follows:

The minimum permitted widths are as follows:

Boat Type	Width Overall	Secondary Beam Measurement Point	
		Height of Measurement Point above Deepest Point of Boat	Width at Measurement Point
C1x	0.75 m	0.19 m	0.55 m
C2x	1.0 m	0.23 m	0.70 m
C4+, C4x+	1.3 m	0.30 m	0.90 m

Boat Type	Width Overall (Point 1)	Secondary Beam Measurement Point	
		Height of Measurement Point above Deepest Point of Boat	Width at Measurement Point (Point 2)
C1x	0.75 m	0.19 m	0.55 m
C2x	1.0 m	0.23 m	0.70 m
C4+, C4x+	1.3 m	0.30 m	0.90 m

In Coastal Rowing boats, all rowers must be seated in line over the axis of the boat and all coxed boats shall be designed so that the coxswain is required to sit upright to the stern of the rowers.

In Coastal Rowing boats, all rowers must be seated in line over the axis of the boat and all coxed boats shall be designed so that the coxswain is required to sit upright to the stern of the rowers.

In addition to the flotation requirements referred to in Bye-Law to Rule 39 and in the "Minimum Guidelines for the Safe Practice of Rowing", Coastal Rowing boats should be constructed with three (3) watertight compartments. These

In addition to the flotation requirements referred to in ~~Appendix 11R2~~ Bye-Law to Rule ~~39-28~~ and in the "Minimum Guidelines for the Safe Practice of Rowing", Coastal Rowing boats should be constructed

<p>compartments may have watertight hatches or ports for access to these areas.</p> <p>Boats must be designed and constructed so that the hulls are self-bailing; self-bailing shall mean that water in the boat will automatically be removed through hull bailers by the forward movement of the boat, or by a cockpit floor properly pitched aft to an open transom.</p>	<p>with three (3) watertight compartments. These compartments may have watertight hatches or ports for access to these areas.</p> <p>Boats must be designed and constructed so that the hulls are self-bailing; self-bailing shall mean that water in the boat will automatically be removed through hull bailers by the forward movement of the boat, or by a cockpit floor properly pitched aft to an open transom.</p>	
<p>13.2 Traditional Coastal Rowing Boats of Different Design The organising committee of an international Coastal Rowing regatta may establish separate events for Coastal Rowing boats of different traditional designs or may allow such boats to compete in races together with boats of other designs, and at the discretion of the organising committee may or may not categorise each design individually for the purpose of the competition.</p>	<p>b) 13.14.2 Traditional Coastal Rowing Boats of Different Design The organising committee of an international Coastal Rowing regatta may establish separate events for Coastal Rowing boats of different traditional designs or may allow such boats to compete in races together with boats of other designs, and at the discretion of the organising committee may or may not categorise each design individually for the purpose of the competition.</p>	
<p>13.3 Requirements for Coastal Rowing Boats and Equipment All boats must meet the safety requirements set down by FISA and any additional requirements set down by any national, regional and/ or local authority for participation in the particular Coastal Rowing regatta. In particular:</p>	<p>c) 13.14.3 Requirements for Coastal Rowing Boats and Equipment - All boats must meet the safety requirements set down by FISA and any additional requirements set down by any national, regional and/ or local authority for participation in the particular Coastal Rowing regatta. In particular:</p>	
<p>13.3.1 Boats must meet the minimum flotation standards set down by FISA, either with the required watertight compartments or built-in flotation utilising bags or tanks. (At an international Coastal Rowing regatta where the organising committee accepts entries from traditional Coastal Rowing boats exceptions to the FISA Flotation Guidelines may be made by the organising committee for a class of boats if the boats meet all other safety requirements.)</p>	<p>i) 13.14.3.1 Boats must meet the minimum flotation standards set down by FISA, either with the required watertight compartments or built-in flotation utilising bags or tanks. (At an international Coastal Rowing regatta where the organising committee accepts entries from traditional Coastal Rowing boats exceptions to the FISA Flotation Guidelines may be made by the</p>	

	organising committee for a class of boats if the boats meet all other safety requirements.)	
13.3.2 Boats must carry a life jacket for every crew member, of a type which meets recognised international standards. Coxswains must wear a life jacket at all times in the boat;	ii) 13.14.3.2 Boats must carry a life jacket for every crew member, of a type which meets recognised international standards. Coxswains must wear a life jacket at all times in the boat;	
13.3.3 Boats must have a towing eye located approximately 100 mm above the loaded waterline on the bow fitted with a 15m buoyant line. Both the towing eye and the line shall be of sufficient strength to allow safe towing of the swamped boat with crew members on board in strong wind and sea conditions. The loose end of the line must be within handreach of a rower for the purpose of throwing to a rescue boat if required;	iii) 13.14.3.3 Boats must have a towing eye located approximately 100 mm above the loaded waterline on the bow fitted with a 15m buoyant line. Both the towing eye and the line shall be of sufficient strength to allow safe towing of the swamped boat with crew members on board in strong wind and sea conditions. The loose end of the line must be within hand_reach of a rower for the purpose of throwing to a rescue boat if required;	Eliminate the location of towing eye.
13.3.4 Any ballast must be fixed securely to the structure of the boat;	iv) 13.14.3.4 Any ballast must be fixed securely to the structure of the boat;	
13.3.5 During Coastal Rowing races, for safety reasons each boat shall be permitted to carry such radio or telecommunication equipment as permitted or required by the organising committee or by other maritime authorities for such events;	v) 13.14.3.5 During Coastal Rowing races, for safety reasons each boat shall be permitted to carry such radio or telecommunication equipment as permitted or required by the organising committee or by other maritime authorities for such events;	
13.3.6 The Jury may at its discretion refuse permission for a particular boat or crew to go on the water or to participate in the regatta if it believes the boat is unsafe.	vi) 13.14.3.6 <u>Any member of the Jury may prohibit any crew from going on the water if he considers that crew constitutes a danger to themselves or other crews on the water. In the event of a dispute, the President of the Jury shall determine the issue.</u> The Jury may at its discretion refuse permission for a particular boat or crew to go on the water or to participate in	Edit to match new wording in Rule 51

	<p>the regatta if it believes the boat is unsafe or the crew not sufficiently experienced in the prevailing conditions.</p>	
<p>13.4 Boat Numbers All boats participating in an international Coastal Rowing regatta must be registered with the organising committee before going on the water, whether for training or competition, and shall be allocated a boat number. Each boat must display its boat number on both sides of the bow in the manner described below for the purpose of identification and safety. Registration is the responsibility of the member federation or the club in whose name the crew is entered, and the crew concerned. Any crew failing to register their boat in accordance with these Regulations or failing to properly display the boat number at all times at a regatta may be penalised. The individual numbers and/or letters making up the boat number on the boat shall each be a minimum of 20cm high and shall be in contrasting colour to the background. At a World Rowing Coastal Championships the boat numbers shall be allocated by the organising committee.</p>	<p>d) 1314.4 Boat Numbers</p> <p>i) All boats participating in an international Coastal Rowing regatta must be registered with the organising committee before going on the water, whether for training or competition, and shall be allocated a boat number.</p> <p>ii) Each boat must display its boat number on both sides of the bow in the manner described below for the purpose of identification and safety.</p> <p>iii) Registration is the responsibility of the member federation or the club in whose name the crew is entered, and the crew concerned. Any crew failing to register their boat in accordance with these Regulations or failing to properly display the boat number at all times at a regatta may be penalisedsanctioned up to disqualification.</p> <p>iv) The individual numbers and/or letters making up the boat number on the boat shall each be a minimum of 20cm high and shall be in contrasting colour to the background.</p> <p>v) At a World Rowing Coastal Championships, the boat numbers shall be allocated by the organising committee.</p>	<p>Change penalty to sanction to match the new wording in the Rules.</p>
<p>13.5 Crew Racing Numbers At races where crews are using shared pool boats each competing crew will be required to display a crew racing number in addition to a boat number. At a World Rowing Coastal Championships the crew racing numbers will be the country code and national federation rank [example: FRA09]. For races with beach finishes which require one or more crew members to exit the boat and cross the finish line on foot,</p>	<p>e) 1314.5 Crew Racing Numbers</p> <p>i) At races where crews are using shared pool boats each competing crew will be required to display a crew racing number in addition to a boat number.</p> <p>ii) 14.5 b At a World Rowing Coastal Championships <u>all crews are required to display the</u> crew racing</p>	

<p>every crew member crossing the finish line must clearly display their crew number on their person in a manner visible to the finish judges.</p>	<p>number which wills will be the country code and national federation rank [example: FRA09].</p> <p>iii) <u>The individual numbers and/or letters making up the crew racing number on the boat shall each be a minimum of 20cm high and shall be in contrasting colour to the background.</u></p> <p>ii)iv) For races with beach finishes which require one or more crew members to exit the boat and cross the finish line on foot, every crew member crossing the finish line must clearly display their crew number on their person in a manner visible to the finish judges.</p>	<p>Specify the minimum height of the Crew Racing Number.</p>
<p>14. Weight of Boats (Rule 41)</p>	<p>1415. Weight of Boats (Rule 4130)</p>	
<p>The defined minimum weights for boats used in international Coastal Rowing regattas and World Rowing Coastal Championships shall be as set out in Regulation 13.</p>	<p>The defined minimum weights for boats used in international Coastal Rowing regattas and World Rowing Coastal Championships shall be as set out in Regulation 13.</p>	<p>Deleted as duplicated</p>
<p>15. Characteristics (Rule 42)</p>	<p>13) 1516. Race Course Characteristics (Rule 4231)</p>	
<p>The race course for international Coastal Rowing regattas shall provide, as far as possible, fair and equal racing conditions for all crews. This shall require sufficient width of the start line to allow all the crews in each event to start at the same time (except in the case where there are preliminary heats, the process for which shall have been notified to all teams at the time of their entry). Wherever possible, the organising committee shall design the course so that the action of the race and competing boats can be seen by spectators on shore. In designing the course the organising committee shall take advantage of wind and wave direction, coastal features and beaches. This may include beach starts or finishes.</p> <p>The length of course shall be as provided in Regulation 16. The course may be straight, rectangular, triangular or point to point or of such other shape as may be suited to the location.</p>	<p>a) <u>The Race Course</u></p> <p>i) The race course for international Coastal Rowing regattas shall provide, as far as possible, fair and equal racing conditions for all crews. This shall require sufficient width of the start line to allow all the crews in each <u>event-race</u> to start at the same time (except in the case where there are preliminary heats, the process for which shall have been notified to all teams at the time of their entry).</p> <p>ii) Wherever possible, the organising committee shall design the course so that the action of the race and competing boats can be seen by spectators on shore. In designing the course the organising committee shall take advantage of wind and wave direction, coastal features and</p>	

<p>For safety purposes the layout of the course shall not allow boats to be travelling in opposite directions in the same water.</p> <p>The course may be covered more than once. In principle there should be no turning marker closer than one kilometre (1 km) from the start if the required angle of the turn at that marker is greater than 45 degrees.</p> <p>Where an event has separate preliminary heats, the courses used for the respective heats may be different from one heat to the next but must be of the same racing distance and the racing conditions of each course on the day must be similar.</p>	<p>beaches. This may include beach starts or finishes.</p> <p>iiiii) The length of course shall be as provided in Regulation 16.4.</p> <p>iiiiv) The course may be straight, rectangular, triangular or point to point or of such other shape as may be suited to the location.</p> <p>ivv) For safety purposes the layout of the course shall not allow boats to be travelling in opposite directions in the same water.</p> <p>vvi) The course may be covered more than once. In principle there should be no turning marker closer than one kilometre (1 km) from the start if the required angle of the turn at that marker is greater than 45 degrees.</p> <p>vivii) Where an event has separate preliminary heats, the courses used for the respective heats may be different from one heat to the next but must be of the same racing distance and the racing conditions of each course on the day must be similar.</p>	
<p>15.1 Course Markers</p> <p>A plan of the course(s) showing the location of all course markers together with their description and their GPS position, must be included in the Notice of Regatta and also in the instructions issued to all crews upon arrival at the regatta. The plan shall also be displayed at the Control Commission.</p> <p>For safety purposes, wherever buoys are used to mark the turning points, the organising committee should, wherever possible, use inflatable marker-type buoys rather than existing solid moorage buoys and beacons.</p>	<p>b) 1516.1 Course Markers</p> <p>i) A plan of the course(s) showing the location of all course markers together with their description and their GPS position, must be included in the Notice of Regatta and also in the instructions issued to all crews upon arrival at the regatta. The plan shall also be displayed at the Control Commission.</p> <p>ii) For safety purposes, wherever buoys are used to mark the turning points, the organising committee should, wherever possible, use</p>	

<p>The organising committee shall take all necessary precautions in setting out the course markers and the course to avoid any risks of boats grounding in shallow waters, including by clearly marking such areas and placing warning buoys in the appropriate locations.</p> <p>Prior to the Crew Captain’s Meeting the Race Director, President of the Jury and a representative of the Rowing For All Commission shall agree on which turning marks shall be designated a ‘key turning marker’. A key turning marker is a point of increased risk of severe interference between crews due to factors such as, for example and not limited to, the angle of the turn and/or its proximity to the start.</p>	<p>inflatable marker-type buoys rather than existing solid moorage buoys and beacons.</p> <p>iii) The organising committee shall take all necessary precautions in setting out the course markers and the course to avoid any risks of boats grounding in shallow waters, including by clearly marking such areas and placing warning buoys in the appropriate locations.</p> <p>iv) Prior to the Crew Captain’s Meeting the Race Director, President of the Jury and a representative of the Rowing For All Commission shall agree on which turning marks shall be designated a ‘key turning marker’. A key turning marker is a point of increased risk of severe interference between crews due to factors such as, for example and not limited to, the angle of the turn and/or its proximity to the start.</p>	
<p>15.2 Start and Finish Lines</p> <p>The start line and finish line shall be visually marked by the alignment of two landmarks or buoys.</p> <p>The orientation of the start or finish line shall in principle be perpendicular to the route to be taken to or from the next or previous turning point respectively.</p> <p>For all races, except for races against the clock, the start line shall be wide enough to allow all rowers in the race to align and start at the same time.</p> <p>The finish line may either be on the water, or if such an option is possible, on the beach. Where a beach finish is provided, the finish shall be a finish line or a flag situated at a designated point on the beach and a crew shall have finished the race when one or more members of the crew has crossed the line or touched the flag as required.</p>	<p>c) 1516.2 Start and Finish Lines</p> <p>i) The start line and finish line shall be visually marked by the alignment of two landmarks or buoys.</p> <p>ii) The orientation of the start or finish line shall in principle be perpendicular to the route to be taken to or from the next or previous turning point respectively.</p> <p>iii) For all races, except for races against the clock, the start line shall be wide enough to allow all rowers in the race to align and start at the same time.</p> <p>iv) The finish line may either be on the water, or if such an option is possible, on the beach. Where a beach finish is provided, the finish shall be a finish line, or a flag <u>or a button</u> situated at a</p>	

	designated point on the beach and a crew shall have finished the race when one or more members of the crew has crossed the line, or touched the flag <u>or pressed a button</u> as required.	Add a button on the finish line as way to finish the race.
16. Racing Distance (Rule 43)	14) 1617. Racing Distance (Rule 4332)	
16.1 International Coastal Rowing regattas - In principle there is no specified racing distance and this may vary from regatta to regatta. However, the length of the course in each case shall be shown in the FISA International Regatta Calendar (Rule 17) and shall be notified to all participants in the Notice of Regatta. The racing distance may be changed by the President of the Jury in the case of adverse weather conditions, in consultation with the organising committee.	a) 1617.1 International Coastal Rowing regattas - In principle there is no specified racing distance and this may vary from regatta to regatta. However, the length of the course in each case shall be shown in the FISA International Regatta Calendar (Rule 107) and shall be notified to all participants in the Notice of Regatta. The racing distance may be changed by the President of the Jury in the case of adverse weather conditions, in consultation with the organising committee.	
16.2 World Rowing Coastal Championships - In principle the racing distance shall be between 6km and 8 km and shall be the same for men and women. The distance may vary depending on factors relating to the individual venue for the Championships taking into account safety, favourable weather conditions, progression to finals, positioning of course markers, spectator visibility and start and finish facilities. In adverse weather conditions the distance may be changed by the President of the Jury, in consultation with the Race Director and the organising committee.	b) 1617.2 World Rowing Coastal Championships - In principle the racing distance shall be between 6km and 8 km and shall be the same for men and women. The distance may vary depending on factors relating to the individual venue for the Championships taking into account safety, favourable weather conditions, progression to finals, positioning of course markers, spectator visibility and start and finish facilities. In adverse weather conditions the distance may be changed by the President of the Jury, in consultation with the Race Director and the organising committee.	
17. Number of Lanes (Rule 44)	15) 1718. Number of Lanes (Rule 4433)	
Coastal Rowing regattas shall normally be raced without limit to the number of crews in each race. This will be subject to the dimensions of the start line, the length of the course and all safety considerations, including weather conditions and provision of safety boats. There shall be no delineated lanes.	Coastal Rowing regattas shall normally be raced without limit to the number of crews in each race. This will be subject to the dimensions of the start line, the length of the course and all safety considerations, including weather conditions and provision of safety boats. There shall be no delineated lanes.	

<p>Where there is a limit on the width of the start line, the organising committee shall indicate in the Notice of Regatta and in the information to crews the maximum number of boats which can be accommodated on the start line at one time in any category.</p>	<p>Where there is a limit on the width of the start line, the organising committee shall indicate in the Notice of Regatta and in the information to crews the maximum number of boats which can be accommodated on the start line at one time in any categoryrace.</p>	
	<p>16) 19.President of the Jury (Rule 37)</p>	
	<p><u>The President of the Jury shall allot duties to each member of the Jury and shall supervise their activities. He shall take the Chair at Jury meetings and ensure proper co-ordination with the organising committee and especially the Race Director.</u></p>	<p><u>Moved from 30 in keeping with order of Rules</u></p>
	<p>17) 20.Composition of the Jury (Rule 37)</p>	
	<p>a) <u>The Jury shall be responsible for ensuring that the competition is run in accordance with these Rules of Racing, related Bye-Laws and Event Regulations. The Jury shall consist of Umpires carrying out the following duties:</u></p> <ul style="list-style-type: none"> <u>i) President of the Jury;</u> <u>ii) Starter;</u> <u>iii) Judge at the Start</u> <u>iv) Race Umpire;</u> <u>v) Key Turning Mark Umpires;</u> <u>vi) Penalty Umpire;</u> <u>vii) Judges at the Finish, one of whom shall be the Senior Judge;</u> <u>viii) Members of the Control Commission, one of whom shall be the senior member.</u> <p>b) <u>In races that have a large number of crews, two Race Umpires can be used. One shall be appointed the senior Race Umpire. The Recording Umpire shall centrally monitor the progression of the crews around the course and record in real time the penalties as awarded by the Race Umpire(s) and any Key Turning Mark Umpires. The Recording Umpire</u></p>	<p><u>Moved from 31 in keeping with order of Rules</u></p> <p><u>Change Recording Umpire to Penalty Umpire with responsibility of informing crews of penalties and ensuring that the penalized crew serves the penalty. The duties of the Penalty Umpire moved to the section 38</u></p>

	<p>can award relevant penalties for crews that fail for crews that fail to complete the course.</p> <p>c) The President of the Jury, the Starter, the Judge at the Start, the Race Umpire, the Key Turning Mark Umpires, the Penalty Umpire, Senior Judge at the Finish and the senior member of the Control Commission shall each hold an International Umpire’s licence. The Jury shall be supported in its work by other officials holding a national umpire licence.</p> <p>d) The International Coastal Rowing regattas - The Jury shall be appointed by the organising committee.</p> <p>e) The World Rowing Coastal Championships - The Jury shall be appointed and supervised by the FISA Umpiring Commission.</p>	
18. FISA Advertising Rules (Bye-laws to Rule 50)	18) 1821. FISA Advertising Commercial Publicity, Sponsorship, Advertising, and Identifications Rules Identifications displayed on Equipment and Rowers (Bye-laws to Rule 50385)	
18.1 Identification on the racing shirt or equivalent	a) 1821.1 Identification on the racing shirt or equivalent	
18.1.1 For World Rowing Coastal Championships and other designated FISA Coastal Rowing events, FISA may require rowers to wear special clothing with the FISA identifications. This may take the form of a specially made T-Shirt or bib, to be provided by FISA, which shall be worn under or over the rowers’ racing shirt.	i) 18.1.1 For World Rowing Coastal Championships and other designated FISA Coastal Rowing events (<u>FISA Events</u>), FISA may require rowers to wear special clothing with the FISA identifications. This may take the form of a specially made T-shirt or bib, to be provided by FISA, which shall be worn under or over the rowers’ racing shirt. <u>For this purpose, for all FISA Events, the racing shirt shall be the “singlet” or “sleeveless-shirt” style.</u>	Define as FISA Events to follow the main Rules – then use this term in following Regs.
18.1.2 Each crew member shall also display on their racing shirt or equivalent the three-letter country code and their family name (in Romanised text) in the following manner and format:	ii) 1821.1.2 Each crew member shall also display on their racing shirt or equivalent the three-letter country code and their family name (in

<p>21. The Draw and Determining the Lanes (Rule 68)</p>	<p>21) 2124.The Draw and Determining the Lanes (Rules 685659 and 60)</p>	
<p>Where a system of preliminary heats is required, a draw for the first round shall take place at the Crew Captains' meeting on the day before the first heat takes place, or earlier if appropriate. The draw shall be to decide which crews take part in which heats. There shall be no lanes allocated. However, for beach starts where the line of the start is not perpendicular to the first turning marker, crews' starting positions will be allocated as follows:</p>	<p>Where a system of preliminary heats is required, a <u>Draw, supervised by the Jury, for the first round</u> shall <u>take place at the Crew Captains' meeting on the day before the first heat takes place, or earlier if appropriate. The draw shall be to decide allocate which crews take part in which to</u> heats. There shall be no lanes allocated. However, for beach starts where the line of the start is not perpendicular to the first turning marker, crews' starting positions will be allocated as follows:</p>	<p>Remove wording as the Draw may not take place at the Crew Captain's meeting for timing and logistical reasons</p>
<p>21.1 By random draw, supervised by the Jury; or</p>	<p><u>a) 2124.1 Preliminary round - By</u> <u>i) (i) Where there is no seeding the allocation shall be by</u> random draw, supervised by the Jury; or</p>	<p>Addition for clarification</p>
<p>21.2 Where there has been a preliminary round the positions shall be allocated based on the ranking of crews in the preliminary round with the higher ranking crews at the end nearest to the first turning marker; or</p>	<p><u>2124.2 Where there has been a preliminary round the positions shall be allocated based on the ranking of crews in the preliminary round with the higher ranking crews at the end nearest to the first turning marker; or</u></p>	
<p>21.3 If there is seeding of crews at the World Rowing Coastal Championships, the higher seeded crews shall, in the first round of the event only, be allocated starting positions at the end nearest to the first turning marker.</p>	<p><u>i)ii) 2124.3 (ii) If there is seeding of crews at the World Rowing Coastal Championships, the higher seeded crews shall, in the first round of the event only, be allocated starting positions at the end nearest to the first turning marker.</u></p>	
	<p>b) <u>24.2 Where there has been a preliminary round the positions for subsequent rounds shall be allocated based on the ranking of crews in the preliminary</u></p>	<p>Change to a more logical order of points</p>

	previous round with the higher ranking crews at the end nearest to the first turning marker. ; or	
22. Adverse Weather Conditions (Rule 71)	22) 2225. Adverse Weather Conditions (Rule 7163)	
The President of the Jury, in consultation with the Race Director and the organising committee, shall take all decisions on any delay, postponement or cancellation of races, or of changes to the course, resulting from adverse weather conditions or other matters relating to the safety of rowers and officials on the water or the fairness of the course. This may include reducing the maximum number of boats in races. If the number of boats in a race is reduced under this Regulation, the President of the Jury may use the ranking in the preliminary heats to seed the races or, if there have been no preliminary heats, the crew ranking issued by the member federation shall be used. This may include reducing the maximum number of boats in races. If the number of boats in a race is reduced under this Regulation, the President of the Jury may use the ranking in the preliminary heats to seed the races or, if there have been no preliminary heats, the crew ranking issued by the member federation shall be used.	
23. At the Start (Rule 73)	23) 2326. At the Start (Rule 7366)	
There shall be no start zone in Coastal Rowing events. Crews are responsible for their own equipment if there is damage. Crews must be in the vicinity of the start line two minutes before the designated start time. The Starter may start the race without reference to absentees.	There shall be no start zone in Coastal Rowing events. Crews are responsible for their own equipment if there is damage. Crews must be in the vicinity of the start line two minutes before the designated start time. The Starter may start the race without reference to absentees.	
24. The Starting Procedure (Rule 74)	24) 2427. The Starting Procedure (Rule 74674)	
24.1 The Start (floating) Each boat shall be at liberty to find its own position on the Start line but it is the responsibility of each crew to ensure that it does not interfere with other boats. Where such interference occurs or is going to occur, each crew must take appropriate avoiding action, but shall follow the instruction of the Starter or Umpire whenever such instructions are given. The Starter may be assisted by other umpires under the authority of the Starter. The position of the Starter shall in	a) 2427.1 The Start (floating) Each boat shall be at liberty to find its own position on the Start line but it is the responsibility of each crew to ensure that it does not interfere with other boats. Where such interference occurs or is going to occur, each crew must take appropriate avoiding action, but shall follow the instruction of the Starter or Umpire whenever such instructions are given.	

<p>principle be approximately 50-100 meters behind the line of the Start and shall be such that the Starter has a clear view of all boats and the starting signals are clearly visible to all crews on the Start line. A clearly distinguishing jacket should be worn by the Starter.</p> <p>There shall be a Judge at the Start who shall be positioned exactly on the line of the Start.</p> <p>The Judge at the Start shall be responsible to identify any boats which are on the course-side of the Start Line at the time the start signal is given. He shall immediately notify the Starter and Umpires of his decision in this regard and the offending crews shall be notified in accordance with Regulation 25.</p>	<p>The Starter may be assisted by other umpires under the authority of the Starter. The position of the Starter shall in principle be approximately 50-100 meters behind the line of the Start and shall be such that the Starter has a clear view of all boats and the starting signals are clearly visible to all crews on the Start line. A clearly distinguishing jacket should be worn by the Starter.</p> <p>There shall be a Judge at the Start who shall be positioned exactly on the line of the Start <u>in a position where he can clearly see all boats on the start line</u> can be clearly seen.</p> <p>The Judge at the Start shall be responsible to identify any boats which are on the course-side of the Start Line at the time the start signal is given. He shall immediately notify the Starter and Umpires of his decision in this regard and the offending crews shall be notified in accordance with Regulation 25.</p>	
<p>The starting procedure shall be as follows:</p>	<p>The starting procedure shall be as follows:</p>	
<p>24.1.1 It shall be the responsibility of each crew to ensure that no part of their boat is on the course-side of the Start Line at the time the start signal is given and the Judge at the Start shall not be obliged to give any instructions to crews in this regard prior to the start signal being given. Crews in the Start area shall at all times closely follow the instructions of the Starter or Umpire. Any crew not following such instructions may be penalised. After giving the 3-minute, 2-minute and 1-minute signals respectively as provided in 24.1.2, 24.1.5 and 24.1.6 of this Regulation, the Starter may start the race at the given time without reference to the position of any crew.</p>	<p>i) 2427.1.1 It shall be the responsibility of each crew to ensure that no part of their boat is on the course-side of the Start Line at the time the start signal is given and the Judge at the Start shall not be obliged to give any instructions to crews in this regard prior to the start signal being given. Crews in the Start area shall at all times closely follow the instructions of the Starter or Umpire. Any crew not following such instructions may be penalised. After giving the 3-minute, 2-minute and 1-minute signals respectively as provided in 2427.1.2, 2427.1.5 and 2427.1.6 of this Regulation, the Starter may start the race at the</p>	

	given time without reference to the position of any crew.	
<p>24.1.2 Three minutes before the start, the Starter shall simultaneously:</p> <ul style="list-style-type: none"> • Hoist three balls one above the other (each ball shall be red with a white cross on it, be clearly visible from the Start line and shall be not smaller than 50cm in diameter); and • Sound 3 clear, short blasts with a hooter. 	<p>ii) 2427.1.2 Three minutes before the start, the Starter shall simultaneously:</p> <p>(1) Hoist three balls one above the other in the air (each ball shall be red with a white cross on it, be clearly visible from the Start line and shall be not smaller than 50cm in diameter); and</p> <p>(2) Sound 3 clear, short blasts with a hooter.</p>	Remove the requirement for the balls to be one above the other.
<p>24.1.3 All boats shall remain within the vicinity of the start line. At the expiry of the 3 minutes the start can be given even if some boats have not reached the start position.</p>	<p>iii) 2427.1.3 All boats shall remain within the vicinity of the start line. At the expiry of the 3 minutes the start can be given even if some boats have not reached the start position.</p>	
<p>24.1.4 Each crew shall be responsible to be aware of the time remaining before the start. It is the responsibility of crews to be close to the start line at the start time of the race and not to cause a false start. There will be no instructions given to crews concerning alignment unless the Judge at the Start considers that too many boats are over the start line and that the race cannot be started in a safe or fair manner.</p>	<p>iv) 2427.1.4 Each crew shall be responsible to be aware of the time remaining before the start. It is the responsibility of crews to be close to the start line at the start time of the race and not to cause a false start. There will be no instructions given to crews concerning alignment unless the Judge at the Start considers that too many boats are over the start line and that the race cannot be started in a safe or fair manner.</p>	
<p>24.1.5 Two minutes before the start time, the Starter shall simultaneously:</p> <ul style="list-style-type: none"> • Lower one of the three raised balls; and • Sound two clear, short blasts with the hooter. 	<p>v) 2427.1.5 Two minutes before the start time, the Starter shall simultaneously:</p> <p>(1) Lower Drop one of the three raised balls; and</p> <p>(2) Sound two clear, short blasts with the hooter.</p>	
<p>24.1.6 One minute before the start, the Starter shall simultaneously:</p> <ul style="list-style-type: none"> • Lower one of the two remaining balls; and • Sound one clear, short blast with the hooter. 	<p>vi) 2427.1.6 One minute before the start, the Starter shall simultaneously:</p> <p>(1) Lower Drop one of the two remaining balls; and</p>	

	(2) • Sound one clear, short blast with the hooter.	
24.1.7 At the Start time, the Starter shall give the signal to start by simultaneously: • Lowering the one remaining ball; and • Sound one long blast with the hooter.	vii) 2427.1.7 At the Start time, the Starter shall give the signal to start by simultaneously: (1) • Lowering Dropping the one remaining ball; and (2) • Sound one long blast with the hooter.	
The ball should be lowered exactly 3 minutes after the beginning of the starting sequence. The official start of the race will be considered the moment the single ball starts to be lowered. Summary table of starting sequence (floating)	viii) The ball should be lowered exactly 3 minutes after the beginning of the starting sequence. The official start of the race will be considered the moment the single ball starts to be lowered. Summary table of starting sequence (floating)	
TABLE	TABLE	
24.1.8 Should the Judge at the Start consider that many crews are on the course-side of the Start line at the designated start time, or should the Starter find that many crews are late to the Start through reasons beyond their control; the Starter may delay the Start at his sole discretion. Alternatively he may start the race on time and if appropriate may award penalties as provided in these Regulations and Rules.	ix) 2427.1.8 Should the Judge at the Start consider that many crews are on the course-side of the Start line at the designated start time, or should the Starter find that many crews are late to the Start through reasons beyond their control; the Starter may delay the Start at his sole discretion. Alternatively he may start the race on time and if appropriate may award penalties as provided in these Rules, Bye-Laws-and Regulations and Rules .	
24.2 The Start (Beach Start)	b) 2427.2 The Start (Beach Start)	
24.2.1 The boats shall be lined up on the beach near the water's edge. If under Regulation 21, the starting position of boats has been allocated, the boats shall line up and start in accordance with those positions.	i) 2427.2.1 The boats shall be lined up on the beach near the water's edge. If under Regulation 21, the starting position of boats has been allocated, the boats shall line up and start in accordance with those positions.	
24.2.2 Boat Handlers - There shall be up to two boat handlers per boat. The boat handlers shall, in principle, be provided by the teams and are recognised as official support crew members. The role of the boat handler is to support the departure and arrival of the crew from and to the beach. The	ii) 2427.2.2 Boat Handlers - There shall be up to two boat handlers per boat. The boat handlers shall, in principle, be provided by the teams and are recognised as official support crew members. The role of the boat handler is to support the	

<p>boat handlers for each crew should wear matched uniforms that conform to the rules, and in a colour which is different from the crew (alternatively the boat handlers may wear a coloured bib). In rougher conditions and at the discretion of the President of the Jury the number of boat handlers may be increased. Boat handlers may not board the boat at any time but may assist the crew in any other way, including rudder fixing, etc. When the boat returns to the beach the boat handlers may “catch” the boat to slow its progress when it reaches the beach and a crew member disembarks to run to the finish line. The boat handlers shall comply with any instructions of the race officials and shall at all times be subject to the rules of racing. The boat handlers will support the crews in holding the best pointing for the boat for the crew members to board and depart. The boat handlers must not board the boat or move in to any position where the typical water surface is above their shoulders when standing on the sea bed.</p>	<p>departure and arrival of the crew from and to the beach. The boat handlers for each crew should wear matched uniforms <u>or a bib that conform comply with to the rules Rules in respect of Identifications</u>, and <u>in a colour which is different from the crew are clearly distinguishable from the crew. (alternatively the boat handlers may wear a compliant coloured bib).</u> In rougher conditions and at the discretion of the President of the Jury the number of boat handlers may be increased. Boat handlers may not board the boat at any time but may assist the crew in any other way, including rudder fixing, etc. When the boat returns to the beach the boat handlers may “catch” the boat to slow its progress when it reaches the beach and a crew member disembarks to run to the finish line. The boat handlers shall comply with any instructions of the race officials and shall at all times be subject to the rules Rules of racing Racing. The boat handlers will support the crews in holding the best pointing for the boat for the crew members to board and depart. The boat handlers must not board the boat or move in to any position where the typical water surface is above their shoulders when standing on the sea bed.</p>	<p>Change for clarity</p>
<p>24.2.3 When the Starter directs the crews to put their boats on the water (24.3.3 below), they shall hold their boats approximately 8m apart at the edge of the water. In a normal beach start, all crew members shall be holding their boat standing in the water next to their boats and can only start to board their boat after the start signal has been given.</p>	<p>iii) 24.2.3 When the Starter directs the crews to put their boats on the water (24.3.3 below), they shall hold their boats approximately 8m apart at the edge of the water. In a normal beach start, all crew members shall be holding their boat standing in the water next to their boats and can</p>	

	only start to board their boat after the start signal has been given.	
24.2.4 The Starter shall then order the crews to get ready and bring their boats into line. The Judge at the Start shall be the sole judge of whether the boats are in line.	iv) 2427.2.4 The Starter shall then order the crews to get ready and bring their boats into line. The Judge at the Start shall be the sole judge of whether the boats are in line.	
24.2.5 If a running start is used one nominated crew member from each crew shall be a runner. The runners will start behind a set running start line located on the beach and when the start signal is given shall run to their boat to join the other crew members. The remaining crew members shall be holding their boats and standing in the water next to their boats and can only start to board their boat after the start signal has been given.	v) 2427.2.5 If a running start is used, one nominated crew member from each crew shall be a runner. The runners will start behind a set running start line located on the beach and when the start signal is given shall run to their boat to join the other crew members. The remaining crew members shall be holding their boats and standing in the water next to their boats and can only start to board their boat after <u>when</u> the start signal has been <u>is</u> given.	Change to 'when' – boarding the boat can happen simultaneously with the start signal.
24.2.6 It is the responsibility of each crew to ensure that it does not interfere with other boats. Where such interference occurs or is going to occur, each crew must take appropriate avoiding action, but shall follow the instruction of the Starter or Umpire whenever such instructions are given. A crew causing interference may be penalised by the Starter or the Umpire.	vi) 2427.2.6 It is the responsibility of each crew to ensure that it does not interfere with other boats. Where such interference occurs or is going to occur, each crew must take appropriate avoiding action, but shall follow the instruction of the Starter or Umpire whenever such instructions are given. A crew causing interference may be penalised by the Starter or the Umpire.	
24.3 The Start Procedure (Beach Start) The Starter may be assisted by other umpires under the authority of the Starter. The position of the Starter shall be such that the Starter has a clear view of the running start line (in case of running starts) and all boats and the starting signals are clearly visible to all race rowers. A clearly distinguishing jacket should be worn by the Starter.	vii) 2427.3 The Start Procedure (Beach Start) viii) vii) The Starter may be assisted by other umpires under the authority of the Starter. The position of the Starter shall be such that the Starter has a clear view of the running start line (in case of running starts) and all boats and the starting signals are clearly visible to all race rowers. A clearly distinguishing jacket should be worn by the Starter.	Remove the requirement for the Starter to wear a distinguishing jacket

<p>The Starter shall inform the crews when there is five minutes, four minutes and three minutes remaining before the start time.</p> <p>There shall be a Judge at the Start who shall be positioned in such location as to be able to properly carry out his responsibilities. In the case of a running start, the President of the Jury may allocate two Judges at the Start for this purpose. The Judge at the Start shall be responsible to identify any nominated runner who crosses the set running start line before the start signal is given (in the case of a running start) and any crew whose member(s) start to board their boat before the start signal is given.</p> <p>The starting procedure for beach starts shall be as follows:</p>	<p>The Starter shall inform the crews when there is five minutes, four minutes and three minutes remaining before the start time.</p> <p>There shall be a Judge at the Start who shall be positioned in such location as to be able to properly carry out his responsibilities. <p>26. Responsibility of Rowers (Rule 77)</p>	<p>26) 2629. Responsibility of Rowers (Rule 7770)</p>	
<p>All crews shall compete in accordance with the rules. If a crew does not comply with the rules, including if it impedes or interferes with another boat or gains any advantage thereby, it may be penalised.</p> <p>A crew, which for any reason does not complete the full course as designated by the organising committee, including not rounding all or any of the turning markers, is responsible to declare this to the Finish Judge or other Umpire or to the organising committee at the end of the race. The result of such crew shall show DNF.</p>	<p>a) a-All crews shall compete in accordance with the rules. If a crew does not comply with the rules, including if it impedes or interferes with another boat or gains any advantage thereby, it may be penalised.</p> <p>b) b-A crew, which for any reason does not complete the full course as designated by the organising committee, including not rounding all or any of the turning markers, is responsible to declare this to the Finish Judge or other Umpire or to the organising committee at the end of the race. The result of such crew shall show DNF.</p> <p>c) <u>In the case of a Beach Finish, crews returning to the beach shall endeavour to keep their boat under control in an upright position with all crew members in contact with the boat until such time as the boat reaches the beach and a member of the crew disembarks to run to the finish line. In the event the boat capsizes while returning to the beach, the crew shall upright and recover the boat and ensure that all crew members are safe and in contact with the boat before a member of the crew leaves the boat to run to the finish line.</u></p>	<p>Specify that crews returning to the beach must maintain control of their boats as they go through the surf.</p>

<p>27. Interference (Rule 78)</p>	<p>27) 2730-Interference (Rule 7871)</p>	
<p>A crew causes interference to another crew if it changes course to prevent another crew from passing, if it does not give way when required under this regulation, or causes a severe collision with another crew through not giving way when required by these regulations.</p>	<p>A crew causes interference to another crew if it changes course to prevent another crew from passing, if it does not give way when required under this regulation<u>these Regulations</u>, or causes a severe collision with another crew through not giving way when required by these regulations<u>Regulations or in any other way</u>. <u>Objections and Protests regarding the judgment of the Jury as to whether a crew caused an interference and the sanctions imposed on the crew for interference will not be accepted.</u></p>	<p>Determinations by a member of the Jury as to whether a crews caused an interference and the sanctions imposed for the interference cannot be protested.</p>
<p>27.1 Severe CollisionA crew causes a severe collision when one or more of the following occur:</p> <ul style="list-style-type: none"> • damage to a boat; • personal injury; • forcing another boat off the race course or to miss a turning marker; • a rower is struck by the blades of another boat. <p>In the event of a protest arising from a severe collision, the Umpire shall decide who is at fault and may impose a 60 second penalty on the crew responsible. A Red Card may be imposed in cases of a blatant disregard for the safety of other rowers.</p>	<p>a) 2730.1 Severe Collision-collision - A crew causes a severe collision when one or more of the following occur:</p> <ul style="list-style-type: none"> i) • damage to a boat; ii) • personal injury; iii) • forcing another boat off the race course or to miss a turning marker <u>or into an obstacle; or</u> iv) • a rower is struck by the blades of another boat<u>crew</u>. <p>In the event of a protest arising from a severe collision, the Umpire shall decide who is at fault and may impose a 60 second penalty on the crew responsible. A Red Card (<u>EXC</u>) may be imposed in cases of a blatant disregard for the safety of other rowers.</p>	
<p>27.2 Rules of Giving Way When three or more boats are on the same line and a coxswain reasonably considers that there is not enough room between his boat and the others the coxswain may call by its boat number one of the crews and say “(Boat Number --!)” – “Attention!” – “Give Way!!”, and the boat called must change its course sufficiently to leave the crowded boat enough room or it may be penalised by the Umpire.</p>	<p>b) 2730.2 Rules of Giving Way When three or more boats are on the same line and a coxswain reasonably considers that there is not enough room between his boat and the others the coxswain may call by its boat number one of the crews and say “(Boat Number --!)” – “Attention!” – “Give Way!!”, and the boat called must change its course sufficiently to</p>	

<p>No boat or boats may deliberately or otherwise cause interference to another boat which is on a course towards a turning marker or other course mark.</p> <p>If two or more crews co-operate to cause disadvantage to another crew or crews or to assist another crew or crews, all crews of the club(s) or member federation(s) involved in such cooperative action may be disqualified.</p>	<p>leave the crowded boat enough room or it may be penalised by the Umpire.</p> <p>No boat or boats may deliberately or otherwise cause interference to another boat which is on a course towards a turning marker or other course mark.</p> <p>If two or more crews co-operate to cause disadvantage to another crew or crews or to assist another crew or crews, all crews of the club(s) or member federation(s) involved in such cooperative action may be disqualified Disqualified (DSQ).</p>	
<p>27.3 Overtaking</p> <p>It is the responsibility of a crew overtaking another crew to avoid a severe collision with the crew being overtaken; a crew which is being overtaken must not obstruct the course of an overtaking crew.</p> <p>If a crew being overtaken obstructs or causes severe collision with the overtaking crew by changing its course or in any other manner, the Umpire may penalise the crew causing obstruction or severe collision by awarding a time penalty of 60 seconds, or may exclude the crew or take other appropriate measures under the rules.</p>	<p>c) 2730.3 Overtaking</p> <p>It is the responsibility of a crew overtaking another crew to avoid a severe collision with the crew being overtaken; a crew which is being overtaken must not obstruct the course of an overtaking crew.</p> <p>If a crew being overtaken obstructs or causes severe collision with the overtaking crew by changing its course or in any other manner, the Umpire may penalise the crew causing obstruction or severe collision by awarding a time penalty of 60 seconds, or may exclude Exclude exclude (EXC) the crew or take other appropriate measures under the rules.</p>	
<p>27.4 Rounding of a Turning Marker</p> <p>At the turning markers crews should avoid severe collisions with other crews and observe the rules of overtaking. Crews are responsible of their own steering and shall follow direction given by Umpires, including Umpires at the turning marker.</p> <p>In order to be placed in the final ranking for the event, all crews must round all turning markers and must complete the full course as designated by the organising committee.</p>	<p>d) 3027.4 Rounding of a Turning Marker</p> <p>At the turning markers <u>it is the individual responsibility of every crews crew should to</u> avoid severe collisions with other crews and observe the rules of overtaking. Crews are responsible of their own steering and shall follow direction given by Umpires, including Umpires at the turning marker.</p> <p>In order to be placed in the final ranking for the event, all crews must round all turning markers <u>in the correct direction</u> and must complete the full course as designated by the organising committee. Crews failing</p>	<p>Clarify that a crew failing to complete the course as designated by the organizing committee will be listed as Did Not Finish (DNF) in the results.</p>

	<u>to complete the full course shall not be ranked and will be listed in the results as Did Not Finish (DNF);</u>	
	28) 31.-Time Sanctions	
	<u>a) In principle crews should serve time penalties that have been awarded to the crew before the crew crosses the finish line by completing penalty loops or penalty turns in the case of a water finish or serving the time penalty in a penalty box in the case of a beach finish. Where penalty loops, penalty turns or a penalty box is not possible, finish times shall be adjusted by adding the time penalty(s) time to a crew's finish time. The method to be used shall be notified at the Crew Captains Meeting.</u>	<u>Add provisions to serve time penalty(s) by a penalty loop, penalty turn or penalty box before a crew crosses the finish line.</u>
	<u>b) Where penalty loops, penalty turns or penalty box are included, a crew crossing the finish line without serving the time penalty(s) will be excluded (EXC).</u>	
	<u>c) The Penalty Umpire shall centrally monitor the progression of the crews around the course and record in real time the penalties as awarded by the Starter, Race Umpire(s) and any Key Turning Mark Umpires. The Penalty Umpire may be assisted by NTO's in his duties.</u>	
	<u>d) Water Finish –Penalty Loop or Penalty Turn</u>	
	<u>i) In the event of a water finish, a penalty loop or penalty turn will be established for crews to serve time penalty(s).</u> <u>(1) Penalty Loop – Where a penalty loop is to be used, the penalty loop will be established between the final turning buoy and the finish line. The Penalty Umpire will be positioned at the end of the loop furthest from the finish line.</u>	

	<p>(2) <u>Penalty Turn</u> – Where a penalty turn will be utilised an area between the last turning buoy and the finish line and outside the race lane will be established for crews to do penalty turns. A crew that has been awarded a time penalty will need to complete a 720 degree turn for each penalty it has been awarded. The Penalty Umpire shall be positioned so that he can inform crews of their penalty before they reach the penalty turn area.</p>	
	<p>ii) <u>When a crew that has been awarded a penalty(s) passes the Penalty Umpire, the Penalty Umpire will announce to the crew the name of the crew and the number of penalty laps or penalty turns it must complete. The name of the crew and number of laps or turns will also be shown on a board which will be visible to the crew.</u></p>	
	<p>iii) <u>The crew must then complete the number of penalty loops or penalty turns before the crew continues to the finish line.</u></p>	
	<p>iv) <u>In principle the Penalty Umpire will record the time the crew first passes the Penalty Umpire and the time when the crew passes the Penalty Umpire after having completed the penalty loops or penalty turns.</u></p>	<p><u>In case a penalty is later overturned, this will allow adjustments to the crew's time</u></p>

	v) <u>A crew serving a time penalty shall not have the right of way and shall give way when entering and leaving the penalty loop and when returning on to the course.</u>	
	e) <u>31.5-Beach Finish – Time Penalty Box</u>	
	i) <u>In the event of a beach finish, a penalty box will be established on the beach between where the crew’s runner disembarks from the boat and the finish line.</u>	
	ii) <u>After the runner disembarks from the boat, the Penalty Umpire will inform the runner that the crew has been awarded a penalty(s) and the total time that must be served in the penalty box by saying “Crew X, 1 minute”. The crew name and penalty(s) shall also be displayed on a board which will be visible to the crew runner.</u>	
	iii) <u>The runner shall report to the penalty box. The Penalty Umpire will begin timing the penalty when the runner has entered the penalty box.</u>	
	iv) <u>After the runner has been in the penalty box for the required time, the Penalty Umpire will say “Crew X, GO!” at which time the runner may complete the race by crossing the finish line.</u>	
28. Finish of the Race (Rule 80)	29) 2831. <u>Finish Conclusion of the Race (Rule 8073)</u>	
<p>A crew has finished the race when the bow of its boat has reached the finish line between the two buoys. All crew members must start and finish the race.</p> <p>Where, in accordance with Regulation 15, a beach finish is provided, a crew shall have finished the race when one or more members of the crew has reached the line or touched the flag on the beach as required. For beach finish races all crew members must start and arrive at the beach.</p>	<p>a) <u>Floating finish</u> - A crew has finished the race when the bow of its boat has reached the finish line between the two buoys. All crew members must start and finish the race.</p> <p>b) <u>Beach Finish</u> - A crew shall have finished the race when <u>one member</u> of the crew has reached the line or touched the flag <u>or pressed the button</u> on the beach as required. For beach finish races all crew</p>	<p>Addition of pressing the button as an option</p>

<p>A crew in contravention of these requirements shall not be ranked in the race and shall be shown on the results as DNF.</p>	<p>members <u>in each boat</u> must start and arrive at the beach.</p> <p>c) A crew in contravention of these requirements shall not be ranked in the race and their result shall be shown as DNF.</p>	
<p>29. Dead Heats (Rule 81)</p>	<p>30) 2932. Dead Heats (Rule 8174)</p>	
<p>When the order of finish between two or more crews is too close for any difference to be determined, then the result shall be declared a dead heat between the crews involved. If there is a dead-heat, the following procedure shall operate:</p>	<p>When the order of finish between two or more crews is too close for any difference to be determined, then the result shall be declared a dead heat between the crews involved. If there is a dead-heat, the following procedure shall operate:</p>	
<p>29.1 In any preliminary round, if a dead-heat occurs between crews and if only one of the crews would progress into the next round, then, on the condition that sufficient boats are available for this purpose, all crews involved in the dead-heat shall progress to the next round. If there are not sufficient boats available then the President of the Jury and the Race Director, in the presence of the concerned Crew Captains, shall conduct a random draw between the crews involved in the dead heat to determine which of those crews shall so progress, up to the number of boats available for this purpose.</p>	<p>a) 2932.1 In any preliminary round, if a dead-heat occurs between crews and if only one of the crews would progress into the next round, then, on the condition that sufficient boats are available for this purpose, all crews involved in the dead-heat shall progress to the next round. If there are not sufficient boats available then the President of the Jury and the Race Director, in the presence of the concerned Crew Captains, shall conduct a random draw between the crews involved in the dead heat to determine which of those crews shall so progress, up to the number of boats available for this purpose.</p>	
<p>29.2 In a final, if a dead-heat occurs between crews, then they shall be given equal placing in the final order and the next placing(s) shall be left vacant. If the tied placing is for a medal position then the organising committee shall provide additional medals.</p>	<p>b) 2932.2 In a final, if a dead-heat occurs between crews, then they shall be given equal placing in the final order and the next placing(s) shall be left vacant. If the tied placing is for a medal position then the organising committee shall provide additional medals.</p>	
<p>30. President of the Jury (Rule 91)</p>	<p>30. President of the Jury (Rule 91)</p>	
<p>The President of the Jury shall allot duties to each member of the Jury and shall supervise their activities. 32. Penalties (Rule 72)	31) 3233. Penalties Sanctions (Rule 7265)	
<p>The Jury shall impose appropriate penalties in any case of breach of the rules. The penalties available to the Jury are:</p> <ul style="list-style-type: none"> • Reprimand; • Time penalty; 	<p>In any case of breach of the rules, a member of the Jury may impose appropriate penalties in any case of breach of the rules. The penalties available to the Jury are:</p>	<p>Revised to match the Rules of Racing.</p>

- Yellow Card (applying to the next race in which the crew competes - a crew receiving two Yellow Cards applying to the same race shall be awarded a Red Card and excluded from that event)
 - Relegation where specifically provided in these Rules;
 - Red Card (exclusion from all the rounds of the event in question);
 - Disqualification (from all events in the regatta).
- The Umpire may also order that a crew which has been interfered with be allowed to proceed to the next round of an event (where such rounds are held) if he considers that but for the interference the crew would have so progressed of its own accord.

- a) ~~Reprimand~~, which is a formal admonishment that the conduct of the rower or crew is in breach of the Rules and that this breach may be taken into account when considering an appropriate sanction for any further breach during that regatta. This will be an appropriate sanction where the breach does not warrant a high level of sanction.
- b) Time Penalty, which is a sanction awarded to a crew which is breach of these rules which requires a crew to:
- Complete a specified penalty loop;
 - Complete a specified number of penalty turns;
 - Spend the awarded time penalty in a designated penalty box; or
 - Where none of the above are available, the awarded penalty times will be added to the crews finish time.
- c) Yellow Card which is a formal warning for a breach of the Rules:
- A Yellow Card shall apply to the next race in which that crew competes in that regatta. It shall lapse only when the race is concluded and shall therefore still apply in the case of a postponement or a re-row of that race.
 - A crew awarded two Yellow Cards applying to the same race shall be awarded a Red Card and excluded from the event.
- d) Relegation (REL) which places a crew in the last position in a race where specifically provided in these ~~Rules and Regulations~~;
- e) Red Card or Exclusion (EXC) which excludes the crew from all the rounds of the event in question. This sanction is for a serious and/or repeated breach of

Time Penalties expanded to define the ways in which time penalties may be applied.

	<p><u>the Rules justifying that the offending crew take no further part in the event.</u></p> <p>f) <u>Disqualification (DSQ) which disqualifies a rower or a crew from all events in the regatta.</u></p> <p>i) <u>This sanction is for the most serious breach of the Rules justifying removal from the regatta.</u></p> <p>ii) <u>Where a rower is disqualified, that rower shall take no further part in the regatta.</u></p> <p>iii) <u>Where a rower is disqualified at a time when Rules 48 and 49 only allow substitutions in a crew for medical reasons, then the rower may not be replaced and the crew of that rower shall be excluded from all rounds of the event in question.</u></p> <p>iv) <u>Where a crew is disqualified, no member of that crew shall take any further part in any event in the regatta</u></p> <ul style="list-style-type: none"> • Time penalty; • Yellow Card (applying to the next race in which the crew competes—a crew receiving two Yellow Cards applying to the same race shall be awarded a Red Card and excluded from that event) • Relegation where specifically provided in these Rules; • Red Card (exclusion from all the rounds of the event in question); • Disqualification (from all events in the regatta). <p>The Umpire may also order that a crew which has been interfered with be allowed to proceed to the next round of an event (where such rounds are held) if he considers that but for the interference the crew would have so progressed of its own accord.</p>	
33. Objections (Rule 82)	32) 33 34. Objections (Rule 8275)	

A crew claiming that its race was not in order may make an objection to the Umpire immediately after the finish of the race and before leaving the area of the finish line by a member of the crew raising an arm.

- a) Objections regarding the judgment of the Jury as to whether a crew caused an interference and the sanctions imposed on the crew for interference will not be accepted.
- b) Objections to the conduct of a race
 - i) A crew that objects to the conduct of its race must object to the Umpire immediately after the finish of the race, before the crew leaves the immediate area of the finish line and before the umpire raises his white flag.
 - ii) The crew shall indicate to the Umpire that it wishes to make an objection by a member of the crew raising an arm.
 - iii) The objecting crew shall not leave the area of the finish line until the Umpire has heard its objection.
- c) The Umpire will determine the objection as follows:
 - i) The Umpire may reject the crew's objection and raise a white flag to signify that the race was in order;
 - ii) The Umpire may accept the crew's objection and raise a red flag to signify that the race was not in order.
 - (1) In this case he must go to the Judges at the Finish in order to give them his decision and any necessary explanation.
 - (2) The Judges at the Finish, in such cases, shall not announce the official result of the race until the Umpire has given his decision
 - iii) The Umpire may decide to seek further information regarding the objection.
 - (1) In this case, he shall raise a red flag and then take any necessary further steps to resolve

An Objection cannot be raised based on the Jury decision regarding interference and the sanctions for an interference.

Revise the wording to match the new wording in the Rules of Racing.

	<p><u>the issues relating to the objection, e.g. consult with other officials, consult with other persons, consult with the President of the Jury etc.</u></p> <p><u>(2) The Judges at the Finish, in such cases, shall not announce the official result of the race until the Umpire has given his decision.</u></p> <p><u>A crew claiming that its race was not in order may make an objection to the Umpire immediately after the finish of the race and before leaving the area of the finish line by a member of the crew raising an arm.</u></p>	
<p>34. Protests (Rule 83)</p>	<p>33) 3435. Protests (Rule 8376)</p>	
<p>A crew or crews whose objection has been rejected or who are affected by the acceptance of the objection or a crew that has been disqualified or excluded or ruled DNS or DNF, as well as crews disputing the published results may lodge a protest in writing to the President of the Jury not later than one hour after the Umpire has communicated his decision regarding the objection or, in the case of disputing the published results, no later than one hour after the results have been published. It shall be accompanied by a deposit of EUR 100 or equivalent, which amount shall be refunded if the protest or a subsequent appeal is allowed.</p> <p>The Board of the Jury shall decide if the protest was justified. It will make its decision before the next round of races in the event concerned, and, in any case, no later than two hours after the last race of the day. In the case of a protest concerning the final of an event arising from an objection, the victory ceremony of that event will not be postponed. If the subsequent decision of the Board of the Jury changes the final result of the event then the official result shall be changed accordingly and, where the medal placings are</p>	<p><u>a) There shall be no right of protest regarding the decision of the Jury as to whether a crew caused an interference and the sanctions imposed on any crew for interference.</u></p> <p><u>b) A protest to the Board of the Jury may only be made by:</u></p> <p><u>i) a crew whose objection has been rejected;</u></p> <p><u>ii) a crew whose ranking in a race has been affected by the acceptance of an objection;</u></p> <p><u>iii) a crew ruled DNS (did not start) or DNF (did not finish);</u></p> <p><u>iv) a crew that has been excluded or disqualified; and</u></p> <p><u>v) a crew that disputes the published results.</u></p> <p><u>c) Such a protest must be in writing and lodged with the President of the Jury not later than one hour after the conclusion of the race by the publication of the official results.</u></p>	<p>A Protest cannot be raised based on the Jury decision regarding interference and the sanctions for an interference.</p> <p>Revise the wording to match the new wording in the Rules of Racing.</p>

affected, then the medals shall be re-awarded as necessary in accordance with the decision.

- d) The protest must be accompanied by a deposit of EUR 100 or equivalent, which amount shall be refunded if the protest is upheld.
- e) The Board of the Jury shall then decide if the protest was justified. It will make its decision before the next round of races in the event concerned and, in any case, no later than two hours after the last race of the day. The decision and reasoning shall be given in writing.
- f) The Board of the Jury may:
 - i) Reject the protest;
 - ii) Uphold the protest and provide such relief as may be necessary to restore each affected crew's chances in the race or to correct the published results. The relief available to be provided by the Board of the Jury is as follows:
 - (1) Reprimand a crew;
 - (2) Exclude a crew from the event;
 - (3) Disqualify a crew
 - (4) Relegate a crew to last place in the race where specifically provided for in these Rules;
 - (5) Order a re-row in accordance with Rule 64 between some of all of the crews in the race
- g) At a World Rowing Coastal Championship, in the case of a protest arising from an objection concerning the final of an event, the Executive Committee may postpone the victory ceremony of that event.
 - i) If the victory ceremony has taken place, and if the subsequent decision of the Board of the Jury changes the final result of the event then the official result shall be changed accordingly.

Time penalty has been removed as an option for the Board of the Jury

	<p style="text-align: center;"><u>ii) Where medal placings are affected, then the medals shall be re-awarded as necessary in accordance with the decision.</u></p> <p><u>Subject only to Rule 78, the decision of the Board of the Jury on such a protest shall be final and not subject to further appeal.</u></p> <p>A crew or crews whose objection has been rejected or who are affected by the acceptance of the objection or a crew that has been disqualified or excluded or ruled DNS or DNF, as well as crews disputing the published results may lodge a protest in writing to the President of the Jury not later than one hour after the Umpire has communicated his decision regarding the objection or, in the case of disputing the published results, no later than one hour after the results have been published. It shall be accompanied by a deposit of EUR 100 or equivalent, which amount shall be refunded if the protest or a subsequent appeal is allowed. The Board of the Jury shall decide if the protest was justified. It will make its decision before the next round of races in the event concerned, and, in any case, no later than two hours after the last race of the day. In the case of a protest concerning the final of an event arising from an objection, the victory ceremony of that event will not be postponed. <p>35. The Outcome of the Protest (Rule 84)</p>	<p>35. The Outcome of the Protest (Rule 84)</p>	
<p>The Board of the Jury shall decide on the protest and on the measures resulting from its decision including:</p> <ul style="list-style-type: none"> • Reprimand; 	<p>The Board of the Jury shall decide on the protest and on the measures resulting from its decision including:</p> <ul style="list-style-type: none"> • Reprimand; 	<p>Combined into previous regulation (33)</p>

<ul style="list-style-type: none"> • Time penalty; • Yellow Card (applying to the next race in which the crew competes - a crew receiving two Yellow Cards applying to the same race shall be awarded a Red Card and excluded from that event); • Relegation where specifically provided in these Rules; • Red Card (exclusion from all the rounds of the event in question); • Disqualification (from all events in the regatta). <p>After application of the appropriate penalty, if any, the Board of the Jury may also take any other available measures to restore the chances of a crew that has suffered disadvantage, including, where appropriate, and where there are preliminary rounds, to allow the crew concerned to proceed to the next round if the Board of the Jury considers that but for the interference the crew would have so progressed of its own accord.</p>	<ul style="list-style-type: none"> • Time penalty; • Yellow Card (applying to the next race in which the crew competes—a crew receiving two Yellow Cards applying to the same race shall be awarded a Red Card and excluded from that event); • Relegation where specifically provided in these Rules; • Red Card (exclusion from all the rounds of the event in question); • Disqualification (from all events in the regatta). <p>After application of the appropriate penalty, if any, the Board of the Jury may also take any other available measures to restore the chances of a crew that has suffered disadvantage, including, where appropriate, and where there are preliminary rounds, to allow the crew concerned to proceed to the next round if the Board of the Jury considers that but for the interference the crew would have so progressed of its own accord.</p>	
<p>36. Appeals (Rule 85)</p>	<p>34) 36 Appeals (Rule 8577)</p>	
<p>The Executive Committee shall designate its representatives who shall comprise the Appeals Committee.</p> <p>An appeal against a decision of the Board of the Jury may only be made by a crew whose accepted objection has been overturned by the Board of the Jury or whose protest against the published results was rejected by the Board of the Jury. The appeal must be submitted in written form to the Appeals Committee on the same day as the decision being appealed. A decision will be given before the next round of the event concerned.</p> <p>If the decision of the Appeals Committee on the appeal changes the final result of the event then the official result shall be changed accordingly and, where the medal placings are affected, the medals shall be re-awarded as necessary in accordance with the decision.</p>	<p><u>a) Only appeals provided for by this Rule will be considered by the Executive Committee or The Executive Committee shall designate its designated representatives who shall comprise the Appeals Committee.</u></p> <p><u>b) A decision of the Board of the Jury which confirms the decision of a member of the Jury shall be final and may not be appealed.</u></p> <p><u>c) Subject to paragraph 2 above, an appeal to the Executive Committee against a decision of the Board of the Jury may be made only by:</u></p> <p><u>i) a crew whose ranking in a race has been adversely affected by a decision of the Board of the Jury; or</u></p>	<p>Revise the wording to match the new wording in the Rules of Racing.</p>

At World Rowing Coastal Championship regattas as a general rule the victory ceremony will not be postponed for an appeal.

Decisions of the Appeals Committee under this rule are final.

ii) a crew whose protest against the published results was rejected by the Board of the Jury.

d) Appeal Time Limits and Requirements

i) International Regattas -Any such appeal must be lodged with the Executive Director within three days of the date that the decision to be appealed was notified to that crew, club or member federation;

ii) World Rowing Coastal Championships – Any such appeal must be lodged at the FISA Office of the regatta within one hour of the publication of the official results of the race following the decision of the Board of the Jury.

iii) An appeal shall be by notice in writing specifying:

(1) The crew bringing the appeal;

(2) The decision appealed against;

(3) the grounds to be relied on for the appeal.

iv) The appeal must be accompanied by a fee of EUR 200 or equivalent which fee shall be refunded if the appeal is allowed.

v) The Executive Committee shall consider the appeal and may:

(1) Reject the appeal;

(2) Allow the appeal and provide such relief as was available to the Board of the Jury as it considers just and appropriate.

If the decision of the Executive Committee on the appeal changes the final result of the event, the official results shall be changed accordingly.

vi) At a World Rowing Coastal Championships:

(1) Where the appeal relates to a preliminary round in an event, the Executive Committee

will deliver its decision before the next round of that event

(2) Where the decision of the Executive Committee on the appeal changes the final result of the event:

(a) the official results shall be changed accordingly; and

(b) where the medal placings are affected, the medals shall be re-awarded as necessary in accordance with the decision.

(3) As a general rule, the victory ceremony will not be postponed for an appeal.

e) Decisions of the Executive Committee under this Regulation are final.

~~An appeal against a decision of the Board of the Jury may only be made by a crew whose accepted objection has been overturned by the Board of the Jury or whose protest against the published results was rejected by the Board of the Jury. The appeal must be submitted in written form to the Appeals Committee on the same day as the decision being appealed. A decision will be given before the next round of the event concerned.~~

~~If the decision of the Appeals Committee on the appeal changes the final result of the event then the official result shall be changed accordingly and, where the medal placings are affected, the medals shall be re-awarded as necessary in accordance with the decision.~~

~~At World Rowing Coastal Championship regattas as a general rule the victory ceremony will not be postponed for an appeal.~~

~~Decisions of the Appeals Committee under this rule are final.~~

37. Exceptional Cases (Rule 87)	37. Exceptional Cases (Rule 87)	
International Coastal Rowing regattas and World Rowing Coastal Championships – Should it be necessary to take decisions in exceptional cases, the President of the Jury shall appoint and preside over a body to make such decisions.	International Coastal Rowing regattas and World Rowing Coastal Championships – Should it be necessary to take decisions in exceptional cases, the President of the Jury shall appoint and preside over a body to make such decisions.	Moved to the final provision.
38. Control Commission (Rule 95)	35) 3837. Control Commission (Rule 9581)	
In addition to its other duties, the Control Commission at Coastal Rowing events shall check the correct display of the boat registration numbers and that the numbers required to be worn by crew members are correctly displayed and shall record the details as required by Regulation 13.	In addition to its other duties, the Control Commission at Coastal Rowing events shall check the correct display of the boat registration numbers and that the numbers required to be worn by crew members are correctly displayed and shall record the details as required by Regulation 13 148.	
39. The Starter and the Judge at the Start (Rule 96)	36) 3938. The Starter and the Judge at the Start (Rule 9682)	
The Starter and the Judge at the Start shall ensure that the correct starting procedure is followed. There shall be no Aligner. Except for a beach start, the Judge at the Start shall not be obliged to give instructions to any crew on their alignment at the Start. It is wholly the responsibility of the crews to not be on the course side of the start line at the time the start signal is given. It is wholly the responsibility of the crews to not be on the course side of the start line at the time the start signal is given.	
40. The Umpire (Rule 97)	37) 4039. The Umpire (Rule 97830)	
The President of the Jury, in consultation with the Race Director, shall decide the number of Umpires to supervise each race. Where there is more than one Umpire, the Umpires shall have equal status in their areas of responsibility. The Umpire shall ensure the proper conduct of the race and the safety of the rowers. In particular, he shall observe whether any crew gains any advantage or suffers any disadvantage from its opponents or from external factors and shall impose appropriate penalties on crews at fault. The Umpire shall not give any steering indications to crews. Nevertheless, he shall endeavour to ensure that accidents are avoided. In particular, he shall observe whether any crew gains any advantage or suffers any disadvantage from its opponents or from external factors and shall may impose appropriate penalties on crews at fault. The Umpire shall not give any steering indications to crews. Nevertheless, he shall endeavour to ensure that accidents are avoided.	

<p>All active umpire boats shall carry an identification flag or marker to distinguish them from other water craft. If necessary, the Umpire may impose penalties during the race. He may also stop the race, impose any necessary penalties and order the race to be re-started, either from the start or from some other point either immediately or later. In the latter case, he shall decide on the new starting time in consultation with the President of the Jury and he shall inform the crews concerned.</p> <p>Where the Umpire has serious doubt whether the impediment affected the result of the race, or considers the effect of the impediment was not significant, he may decline to take any action or he may take such action as he sees fit in the circumstances.</p> <p>The Umpire may also allow the race to continue and impose penalties after the race has finished. However, in principle, if a crew is to be awarded a time penalty the Umpire should advise the crew at the time the penalty is awarded by saying to the crew: “(Boat Number!)” – “(reason for penalty)!” – “Time Penalty! (60 seconds)!”.</p>	<p>All active umpire boats shall carry an identification flag or marker to distinguish them from other water craft. If necessary, the Umpire may impose penalties during the race.
