INTRODUCTION

As we enter into the final preparation stages of the 2020 World Rowing season, we look with anticipation at the exciting events that lie ahead in the 2020. The season will begin in Sabaudia (ITA) at the first stage of the World Rowing Cup. The series has three stages and shall continue to Varese (ITA) and then Lucerne (SUI) for the final stage.

The Final Paralympic Qualification Regatta will be held in Gavirate (ITA) from 8 to 10 May 2020 and the Final Olympic Qualification Regatta in Lucerne (SUI) from 17 to 19 May 2020.

Throughout the 2019 season, FISA made every effort to increase the awareness, popularity and attractiveness of the sport of rowing both through TV and web broadcasting as well as through on site presentation. Close collaboration with our service and television partners is essential in improving the presentation of our sport, and for this we would like to acknowledge the fantastic partnership we have built over the years with Swiss Timing, our timing and results providers; the European Broadcasting Union; Supervision, provider of big screens and Quattro Media, our TV consultancy and distribution company who achieved a huge increase in distribution and viewership of our events over the last four years.

The 2020 World Rowing Cup venues are:

- Sabaudia (ITA): 10 - 12 April 2020
- Varese (ITA): 1- 3 May 2020
- Lucerne (SUI): 22- 24 May 2020

The entire World Rowing Cup series A Finals will be produced and available for broadcasting. They will be live video streamed and available through www.worldrowing.com.

The World Rowing Championships and the World Rowing Masters Regatta will take place as follows:

- World Rowing Senior, Under 23 and Junior Championships in Bled (SLO): 16 - 23 August
- World Rowing Masters Regatta in Linz-Ottensheim (AUT): 2 - 6 Sept 2020
- World Rowing Beach Sprint Finals in Oeiras (POR): 25 -27 September 2020
- World Rowing Coastal Championships in Oeiras (POR): 2-4 October 2020

We would like to take this opportunity to acknowledge the great support of the National Federations and their national teams, without whom none of these events would be possible; we appreciate all the efforts made.

Finally, we would like to thank the volunteer organising committees for all their hard work. We can always count on them to do everything possible to ensure the highest standard of competition for rowers and the promotion of rowing.

We have prepared this Information Bulletin to present in one place all the information you will need to take part in this year's World Rowing events.

GENERAL INFORMATION

ENTRY INFORMATION

Team managers may make their entries directly online through <https://rowingtwo.sportresult.com>

National Federations must nominate their chosen contact person for this online entry system for the season.

Please contact databases@fisa.org if you need any assistance on the online entry system.

For any queries on the entry process, please contact daniela.oronova@fisa.org

New athletes

The National Federations can add new athletes to the database by logging into <https://rowingtwo.sportresult.com>, using the National Federation user ID and password. For adding an athlete, basic details must be provided and a scanned copy of the athlete's passport should be uploaded.

All new athletes need to complete and sign the **Commitment Form** which can be downloaded on http://www.worldrowing.com/mm/Document/General/General/14/17/99/FISARowersCommitmentform_Neutral.pdf and should be handed to the FISA representa-

BIOGRAPHICAL INFORMATION ON www.worldrowing.com

[Worldrowing.com](http://www.worldrowing.com) is proud to offer a comprehensive athlete and rowing officials' database containing biographical information on all current and most past international rowers. The database also includes contact details for national associations worldwide as well as results from all major regattas since 1977.

Although much effort has been put into this database, we need the help of the athletes and the federations to ensure that the data is accurate and up to date. The database can be updated by each National Federation and athlete by entering into the system with a personal password.

ATHLETES / INDIVIDUALS: Each individual can update his/her own biography page through their account with the World Rowing

tive in the registration office at events.

In addition to this, all athletes should complete and sign the **WADA Athlete Data Consent form** which can be downloaded on http://www.worldrowing.com/mm/Document/General/General/14/18/00/WADAathleteDataConsentform2020_Neutral.pdf

Restriction on Entries

Each member federation may enter up to four crews in each event of the 1st World Cup regatta and a maximum of two crews in each event of the 2nd and 3rd World Cup regattas. This restriction applies to the International and World Rowing Cup events on the World Rowing Cup programmes.

MEDIA ACCREDITATION

The online media accreditation form is available on <http://www.worldrowing.com/media-center/>.

If you have any questions, please contact media@fisa.org

database at <https://rowingtwo.sportresult.com>.

In case athletes have not received an email with a link to create an account yet, they are encouraged to provide their email address to databases@fisa.org along with a scanned copy of their passport. An account then will be created for them to update their profiles.

NATIONAL FEDERATIONS: Each NF can update their basic information (address, contact numbers, president/secretary general, etc). This information forms the basis of FISA's mailing list, so must remain up to date.
