BIOGRAPHICAL INFORMATION ON www.worldrowing.com

[Worldrowing.com](http://www.worldrowing.com) is proud to offer a comprehensive athlete and rowing officials' database containing biographical information on all current and most past international rowers. The database also includes contact details for national associations worldwide as well as results from all major regattas since 1977.

Although much effort has been put into this database, we need the help of the athletes and the federations to ensure that the data is accurate and up to date. The database can be updated by each National Federation and athlete by entering into the system with a personal password.

ATHLETES / INDIVIDUALS: Each individual can update his/her own biography page through their account with the World Rowing

New athletes

The National Federations can add new athletes to the database by logging into <https://rowingtwo.sportresult.com>, using the National Federation user ID and password. For adding an athlete basic details need to be filled in and a scanned copy of the athlete's passport to be uploaded.

MEDIA ACCREDITATION

The online media accreditation forms for the European Rowing Junior Championships in Belgrade, the European Championships in Poynan and the European Rowing U23 Championships in Duisburg are available on <http://www.worldrowing.com/mediacenter/>.

If you have any questions, please contact media@fisa.org

In case athletes have not received an email with a link to create an account yet, they are encouraged to provide their email address to databases@fisa.org along with a scanned copy of their passport. An account then will be created for them to update their profiles.

NATIONAL FEDERATIONS: Each NF should check their details (address, contact numbers, president/secretary general, etc.) and let FISA know at ludovica.caprino@fisa.org if the information needs to be updated.
