Roundtable 1 - 15' discussion

Working with National Federations to entrench gender equality into policies and Statutes

What are you doing in your own NF that ensures sustainability of gender equality in your organisation leadership?

What are policies and rules you have in place?

Roundtable 2 - 15' discussion

Working with National Federations to entrench gender equality into policies and Statutes

You have heard what some (initiatives) of the IFs are doing as well as the recommendations of the IOC.

In your experience what would you suggest FISA should investigate and put in place for the Extraordinary Congress
