\*\* Will be seeded in the case of a seeded crew withdrawing before the Draw.

**Notes:** The above crews are those that have been identified as the crews that will be seeded in their respective events.

The crews are listed according to their seeding rank.

\*The seeding will be finalised between 10h00 and 13h00 on Saturday 24 August, after which it will be submitted for the Draw taking place at 15h00 on 24 August.

The final seeding will be available following the Draw.

**Any comments on the seeding may be addressed using a form which can be obtained at the FISA Office. The form must be submitted to the FISA office until 10h00 on Saturday 24 August.**

In accordance with Bye-Laws to Rule 68, the seeding has been determined by a Seeding Panel appointed by the FISA Executive Committee. The seeding is used to place crews in the heats, in principle seeding two crews per heat with the highest seeded crew being paired with the lowest seeded crew, the next highest with the next lowest etc. The seeded crews will be placed into the heats by random draw, such that their lanes are randomly assigned and so that the highest seed is not always in heat 1.

A document outlining the FISA Seeding Principles can be found at <http://www.worldrowing.com/fisa/publications/2019-event-bulletins>
