- Regatta planning and support at home and abroad
- Motivated athletes of all ages
- Motivated team of co-trainers and volunteers
- Strong support from the club and the steering committee
- Versatile fleet of boats in excellent condition
- Open, collegial club atmosphere and an active club life

WHAT YOU BRING:

- Enjoy dealing with young people and be interested in the long-term development of athletes
- Experience in international rowing (rower and/or trainer)
- Clear and transparent communication, fair adherence to stated requirements
- Enthusiasm; motivational coaching skills to lead athletes to their limits
- Interpersonal skills, ability to cooperate with coaches, athletes and club members
- Good cooperation with the co-trainers; organize and support their coaching activities and development
- Professional trainer Swiss Olympic, trainer B license of the DRV or analog qualification
- Knowledge of German or English (written/oral)
- Driving License Kat. B (passenger car) with trailer driving license (BE); motorboat license preferred
