In close proximity to our training centre is a smaller river, called Bestança, which is the second less polluted river in Europe with a course of 1000 meters/0,62 miles, marked with buoys.
- The river extension is 45 Km (27,96 miles) and the weather conditions are quite favourable, even in the winter.
- The Hotel/Centre is located 70 km/43,50 Miles from Porto and access to the hotel from International Airport Francisco Sá Carneiro (Porto) is guaranteed by train or shuttle provided by the Hotel.
