2010 WORLD ROWING JUNIOR CHAMPIONSHIPS RAČICE / PRAGUE CZECH REPUBLIC 4.-7. AUGUST

Dear Rowing Friends,

As Chairman of the Czech Rowing Association I am delighted to invite representatives of the International Rowing Federation and of the National Federations as well as young athletes and rowing enthusiasts to the 2010 World Rowing Junior Championships, to be held at the Račice Rowing Course. The Račice Rowing Course opened back in 1986 with the hosting of the World Junior Championships, and the Czech Rowing Association is honoured to be able to host this prestigious event again in 2010.

The Czech Rowing Association and the Račice Rowing Course look forward to building on this venue's excellent reputation for staging international events efficiently and to a very high standard. The City of Prague intends to put itself forward as a candidate to host the 2020 Summer Olympic Games, and in the event of a successful bid the Olympic rowing and sprint racing canoeing events would be held here at Račice. This ambition is reflected in the quality of the course and the enthusiasm and professionalism of the organisers.

The Račice Rowing Course, set in the beautiful Central Bohemian countryside but just 30 minutes from Prague, provides ideal conditions and facilities for the best young rowers from around the world to perform at their peak and provide entertaining races for spectators. We wish them all the best and hope to see them back at Račice for future competitions or to make use of the excellent training opportunities.

Looking back over the results of previous World Rowing Junior Championships, we see the names of many athletes who later went onto to achieve Olympic and other senior championship successes. For them, participation in the World Rowing Junior Championships was a stepping stone on the path to this success. For many others the Junior Championships represented the pinnacle of their rowing achievements. That is what makes this event so special for all the participants and lovers of the sport of rowing. We are confident that the 2010 World Rowing Junior Championships will be an exceptional event for all who attend and compete.

We look forward to welcoming you to Račice

Jiří Kejval  
Chairman of the Organisation Committee  
2010 World Rowing Junior Championships

## PRAGUE – THE CAPITAL OF THE CZECH REPUBLIC

Prague is the capital and largest city of the Czech Republic. Situated on the Vltava River in central Bohemia, Prague has been the political, cultural and economic centre of the Czech state for over 1000 years. The city proper is home to nearly 1.2 million people, while its metropolitan area is estimated to have a population of over 1.9 million.

Prague is widely considered to be one of the most beautiful cities in Europe and is among the most visited cities on the continent. Since 1992, the historic centre of Prague has been included in the UNESCO list of World Heritage Sites. Over the years Prague has also been referred to as „the mother of cities (Praga mater urbium)“, „the city of a hundred spires“ and „the golden city“.

Since the fall of the Iron Curtain, Prague has become one of Europe's (and the world's) most popular tourist destinations. It is the sixth most visited European city after London, Paris, Rome, Madrid and Berlin. Prague suffered considerably less damage during World War II than some other major cities in the region, allowing most of its historic architecture to remain intact. It contains one of the world's most pristine and varied collections of architecture, from Art Nouveau to Baroque, Renaissance, Cubist, Gothic, Neo-Classical and ultra-modern.

Some of the best known sights are: the Old Town (Staré Město) with its Old Town Square, the Astronomical Clock, the picturesque Charles Bridge, the New Town (Nové město) with its busy and historic Wenceslas Square, Malá Strana (the Lesser Quarter), Prague Castle (the largest castle complex in the world) with its St. Vitus Cathedral, Josefov (the old Jewish quarter) with the Old Jewish Cemetery and Old New Synagogue, the Lennon Wall, the museum of the Heydrich assassination in the crypt of the Church of Saints Cyril and Methodius, the National Museum, Vyšehrad castle, Petřínská rozhledna, an observation tower on Petřín hill, which is an approximate 1:5 copy of the Eiffel Tower, the New Jewish Cemetery in Olšany, location of Franz Kafka's grave, the Dancing House (Fred and Ginger Building), the Mucha Museum showcasing the Art Nouveau works of Alfons Mucha, and places connected to writers living in the city, such as the Franz Kafka museum.

# The Rowing Course

2010 WORLD ROWING JUNIOR CHAMPIONSHIPS RAČICE / PRAGUE CZECH REPUBLIC 4.-7. AUGUST

The Račice Rowing Course Centre was developed from a former sand pit and was completed in 1986. The total length of the water channel is 2350 meters and the main channel is 130 meters wide with 8 Albano-buoyed lanes. The Rowing Course Centre houses a restaurant, finish towers, the boathouse, changing facilities, showers and WC for competitors.

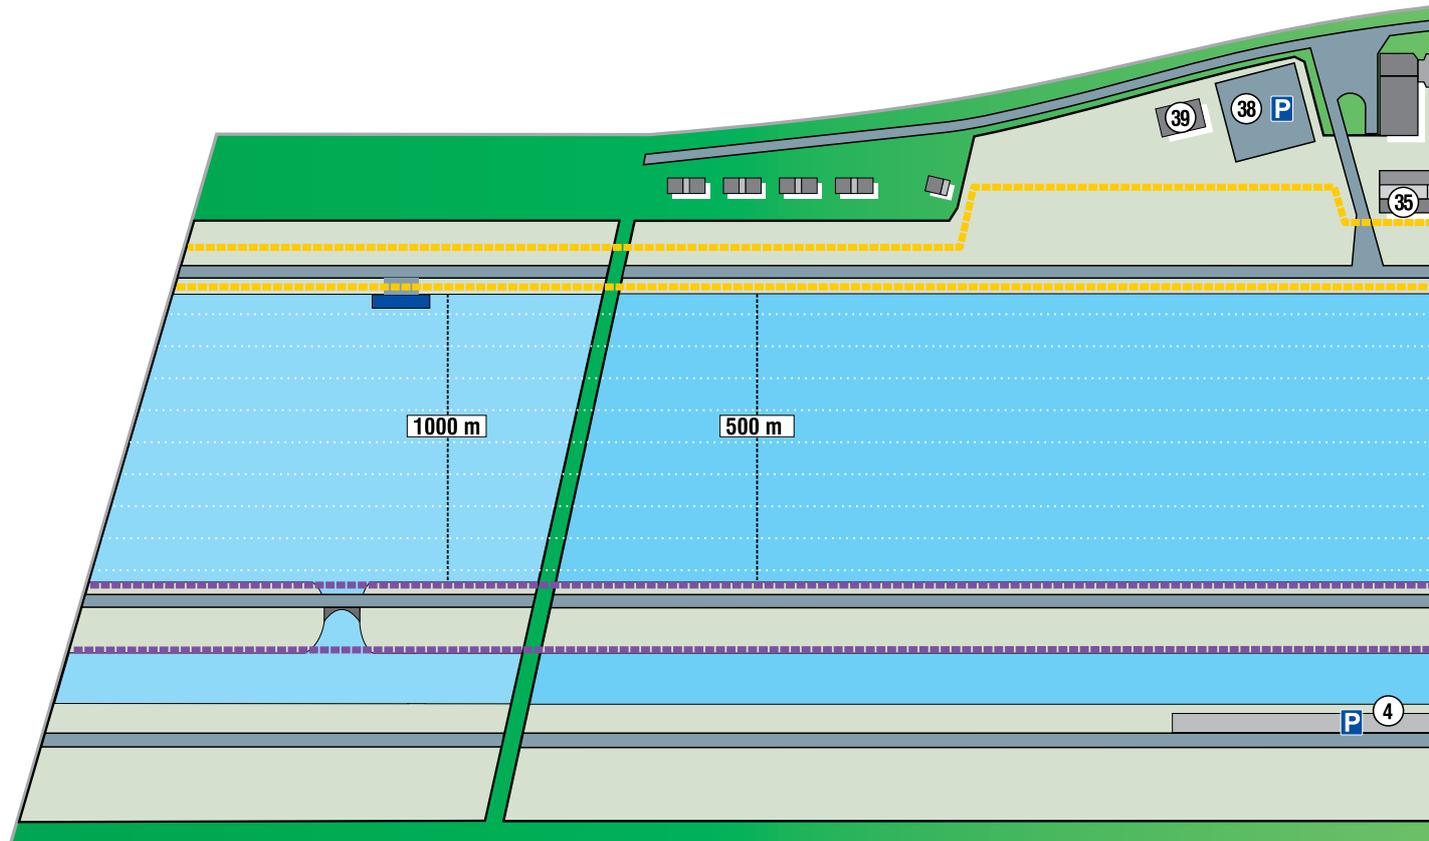

The town of Račice was established in 1295 by King Václav II. Until 1960 it was a part of the town of Štětí and has been a separate legal entity since 1989. In 1980 sand quarrying commenced in Račice and in 1986 the rowing course was opened for the World Rowing Junior Championships. Račice is located 158 m above sea level, 8 km north of the town of Roudnice n/L., which is at the 50 km exit of the D8 motorway in the direction Prague–Teplice.
