INTRODUCTION

As we enter into the final preparation stages of the World Rowing season, we look, with anticipation at the exciting events that lie ahead. The 2011 World Rowing season will begin in Munich at the first stage of the Samsung World Rowing Cup. The series counts three stages and shall continue in Hamburg (GER) and Lucerne (SUI) where the final shall be raced.

Throughout the 2010 season, FISA made every effort to increase awareness, popularity and the attractiveness of the sport of rowing both through TV and web broadcasting as well as on site presentation. Close collaboration with our service and television partners is essential in improving the presentation of our sport, and for this we would like to acknowledge the fantastic partnership we have built over the years with Swiss Timing, our timing and results providers, the European Broadcasting Union, Supervision, provider of big screens, and more recently Quattro Media, our TV consultancy and distribution company who achieved a huge increase in distribution and viewership of our events last year.

This year, we are very proud to welcome on board Samsung Electronics as FISA's Official Sponsor and Technology Partner. Samsung is an established leader in innovative digital technologies that offer new and exciting experiences for everyone, and aspires to use the power of sport to emotionally bond with consumers around the world. FISA's partnership with Samsung began in 2010 at the World Rowing Championships in New Zealand, and is set to go through until 2012, with option to renew for 2013.

Samsung will be this year's title sponsor for the World Cup and as such shall be present at all our major World Rowing events this year.

The 2011 Samsung World Rowing Cup venues will be:

- Munich (GER): 27 - 29 May 2011
- Hamburg (GER): 17 - 19 June 2011
- Lucerne (SUI): 8 - 10 July 2011

The three World Rowing Championships will take place as follows:

- World Rowing Under 23 Championships in Amsterdam (NED):
21 - 24 July 2011
- World Rowing Junior Championships in Eton (GBR):
4 - 7 August 2011
- World Rowing Championships in Bled (SLO):
28 August - 4 September 2011

The entire Samsung World Rowing Cup series A Finals as well as the senior World Rowing Championships four days of A Finals will be produced and available for broadcasting. They will be live cast and are available through www.worldrowing.com.

We would like to take this opportunity to acknowledge the great support of the National Federations and their national teams without whom none of this would be possible: we appreciate all the efforts made.

Finally, we would like to thank the volunteer organising committees for all their hard work. We can always count on them to do everything possible to ensure the delivery of the best standards of competition for rowers and the promotion of rowing.

We have prepared this Information Bulletin to present in one place all the information you will need to take part in this year's World Rowing events.

GENERAL INFORMATION

ENTRY INFORMATION

The National Federations should send scans of the passport face page of all new athletes who will participate at 2011 World Rowing regattas to FISA by 30 April 2011. Please attach the scans to an email message to Daniela Oronova using daniela.oronova@fisa.org

Team managers may make their entries directly online. Please contact Daniela Oronova by e-mail at daniela.oronova@fisa.org or by phone at +41 21 617 83 73 to obtain instructions and a password.

National Federations must nominate their chosen contact person for this online entry system for the season.

Restriction on Entries

National Federations may enter up to two crews (including the International events) in

each event of the Final World Rowing Cup regatta and no more than three crews in each event at the other World Cup regattas.

Soon after the closing of entries, a list of the nations entered in each event will be sent to all federations concerned.

MEDIA ACCREDITATION

The online media accreditation form is available on www.worldrowing.com.

If you have any questions, please contact Marion Gallimore, FISA Marketing and Communications Manager, by phone at +41 21 617 83 73 or by e-mail at marion.gallimore@fisa.org.

BIOGRAPHICAL INFORMATION ON www.worldrowing.com

Worldrowing.com, in conjunction with RowingOne.com, is proud to offer a comprehensive athlete and rowing officials' database containing biographical information on all current and most past international rowers. The database also includes contact details for clubs and national associations worldwide as well as results from all major regattas since 1990.

Each individual biography has its own unique URL address. You are therefore encouraged to use these biographies to supplement the information on your own websites, by linking directly from your website to your athletes' biographies on www.worldrowing.com.

Although much effort has been put into this database, we need the help of the athletes and the federations to ensure that the data is accurate and up to date. The database can be updated by each National Federation and athlete by entering into the system with a personal password.

• **ATHLETES / INDIVIDUALS:** Each individual can update his/her own biography, page and address. At the top of each individual bio, an "update your biography" button appears. Click the button, enter your e-mail address, and you will be sent a temporary password. If your e-mail address is not recognised, return the password request form together with a copy of some formal identification to the address mentioned (no driving licences please). A code will be generated and sent to your e-mail address which will allow the biographical data to be updated.

• **NATIONAL FEDERATIONS:** Each NF can update their basic information (address, contact numbers, president/secretary general, etc). This information forms the basis of FISA's mailing list, so must remain up to date. The NF can also update individual athlete bios, as well as create or update clubs and associations. Contact daniela.oronova@fisa.org to receive your NF password.

• **CLUBS /ASSOCIATIONS:** A club/association can update the information currently on site by requesting a password via e-mail to daniela.oronova@fisa.org. To see if your club/association exists in the database, click on your National Federation entry, where all clubs/associations linked to that NF are listed. If your club does not appear, contact your National Federation who will create an entry for your organisation.

Please contact daniela.oronova@fisa.org for any questions related to the update of the data.

Worldrowing.com's database is YOUR database. The more you put in, the better we will be able to ensure our athletes and our sport are promoted throughout the world. Thank you for your contribution in making this an invaluable and unmatched tool in the world of international sports.
