FISA
Ordinary Congress

Minutes

Hamilton, New Zealand
Monday, 8 November 2010

MINUTES

2010 FISA Ordinary Congress

Hamilton, New Zealand
Monday, 8 November 2010

Agenda

1.	Opening of the session	5
2.	Identification of the delegates and confirmation of their authority	5
3.	Appointment of scrutineers for the period of Congress	5
4.	Approval of the minutes of the 2009 Ordinary Congress	5
5.	President's report and reports of the Executive Committee Members	6
6.	Reports of the Chairs of the Specialist Commissions	6
7.	Reports of the Continental Representatives	7
8.	Accounts, financial report and auditors' report	7
9.	Approval of Accounts	7
10.	Determination of entrance fee and annual subscription	8
11.	Budget for 2011	8
12.	Reports on future FISA Events and Olympic regattas	8
13.	Place and date of the next Ordinary Congress	8
14.	Attribution of future FISA Events in accordance with Rule 5	9
15.	Reports on applications for affiliation and voting consequent thereon	9
16.	Reconsideration or Confirmation of decisions (ref. Art. 32) taken by the Council in accordance with the provisions of paragraph 3 of Art. 44 or by the Executive Committee in accordance with the provisions of paragraph 4 of Art.50	9
17.	Council Elections in accordance with Article 39	9
18.	Specific Proposals from the Member Federations, the Council or the Executive Committee.	10
19.	Other Items proposed by Member Federations, the Council or the Executive Committee.	10
20.	Any other items proposed by the Council or the Executive Committee	10
21.	Any other business	10

1. Opening of the session

FISA President Denis Oswald declared the Congress open and greeted the delegates. He especially welcomed the newest FISA member Vanuatu present with their federation president Tim Merrick, secretary Greg Pechan, captain John Maschke and the coach Paul Coates. President Oswald thanked the Organising Committee for their excellent organisation of the Championships and preparation of the Congress. He introduced the Chairman of the Karapiro 2010 Organising Committee and Chairman of the New Zealand Rowing Association Bill Falconer who welcomed the delegates to Hamilton Gardens, site of the congress this year.

In the memory of recently deceased rowing friends and colleagues, the President then asked the delegates to stand and observe a moment of silence, among them:

Juan Antonio Samaranch (ESP)

Piotr Noworski (POL)

Andy Holmes (GBR)

Dietrich Neff (GER)

Claude Arnoult (FRA)

Zoltan Armat (HUN)

Felix Erdocia (ESP)

Tony Fox (GBR)

Allie Francis (RSA)

Cas Rekers (NED)

Sandor Dobiecky (HUN)

The President provided the general information about the programme and organisation of the Congress. He reminded the delegates that they should feel free to speak but asked that they be as concise as possible. There were no questions regarding the course of the Congress or the Agenda for the Congress so the president considered it approved.

2. Identification of the delegates and confirmation of their authority

The Executive Director Matt Smith made a roll call. He then informed the delegates that, at that point, there were 44 federations represented, 38 entitled to three votes and 6 entitled to one vote making a total of 120 votes. Therefore, 61 votes would be necessary for a clear majority if all votes were utilised. A list of those present is annexed to these minutes.

3. Appointment of scrutineers for the period of Congress

The Congress unanimously accepted the President's proposal that the following individuals serve as scrutineers for this congress:

- Mike Murphy (CAN)
- Colin Smith (AUS)

4. Approval of the minutes of the 2009 Ordinary Congress

The President reminded the delegates that they were asked in a circular to submit comments to the above mentioned minutes in advance of this Congress in order to save time. No comments were received in advance, however, he invited the delegates to make comments if they wished.

As there were no remarks, the President considered these minutes as approved unanimously.

5. President's report and reports of the Executive Committee Members

The President added to his written report by commenting on the successful staging of the World Rowing Under 23 Championships in Brest last July, and thanked the Brest Organising Committee and the Belarus Rowing Federation. He also recognised the successful World Rowing Junior Championships at the beginning of August in Racice, Czech Republic and thanked the Racice Organising Committee and the Czech Republic Federation. He said that the question of two days of finals would be dealt with later in the Congress. He mentioned the success of the first Youth Olympic Games in Singapore and the tremendous work done by Nicholas Ee, President of the Singapore Rowing Association. As well, he mentioned that the Coastal Rowing Championships in Istanbul were very well organised and gave praise to the Turkish Rowing Federation.

The President expressed his appreciation to Samsung Electronics for their new sponsorship of FISA. They will be Title Sponsor of the Rowing World Cup in 2011 and 2012 as well as a being a main sponsor of the World Rowing Championships in 2010 and 2011. They have an option on the 2013 Rowing World Cup which will be decided in August 2011.

He also congratulated the organising committee for organising an excellent World Championship regatta that concluded the day before. He mentioned that Lake Karapiro was an event that set new standards for future World Championships as it did in 1978.

The President then commented on the weather conditions during the event and that some days were very difficult due to wind. He then asked Jean-Christophe Rolland, Chair of the Athletes Commission, to speak on this subject on behalf of the Council. Mr. Rolland stated that he feels very deeply for the athletes as the athletes train very

hard all year so fairness is the key issue for the athletes. Some athletes prefer head wind, some prefer tail wind but an athlete has to prepare his skills to be ready for all conditions. There is a procedure in the rules to follow in cases of difficult weather. Athletes and coaches need to accept that these rules have to be applied when taking decisions and can only be taken with the elements available at the time. He accepted that in some cases there were some unfair races, but that the rules were applied as written with the athletes in mind. He asked that if there were any other suggestions on improving these rules, the federations were encouraged to send in suggestions.

For the other members of the Executive Committee, the Vice President had nothing else to add. The Treasurer had no additional comments at this point as his report is a part of the financial report which comes later in the Congress. The Executive Director added to his report a comment about the new demands upon FISA and the organising committees in bidding for and staging events. Several steps have been taken to assist bidding committees and organising committees to increase the level of information about staging events. A consequence of these steps has been to introduce bidding feeds and hosting fees as well as simplified commercial rights treatment. He reported that these new procedures would be assessed each year.

There were no questions and, thus, the President considered that these reports were approved unanimously.

6. Reports of the Chairs of the Specialist Commissions

The Chairs of the Commissions had no additional comments to add to their written reports, expect for the following:

- John Boulton, Chair of the Competitive Rowing Commission, announced that the Coaches Conference will take place 20-23 January 2011 in Windsor, Great Britain, instead of the usual date in November. He also read a statement entitled “Rowing is a Competitive Sport”. The complete text is annexed at the end of these minutes.
- Peter Morrison, Chair of the Masters Rowing Commission, announced that there were five bids for the 2013 event, and it was a very difficult decision to make. The Council has decided to attribute the 2013 World Rowing Masters Regatta to Varese, Italy.
- Denis Masegla, Chair of the Rowing for All Commission, commented on the success of the Coastal Rowing Championships held in Turkey. He thanked the Turkish federation for their huge efforts.
- Tricia Smith, Chair of the Women’s Commission, informed the delegates about the 2011 FISA Women’s Development Camp will be held in Seville, Spain from 31 January to 13 February 2011.

Wimpie du Plessis (RSA) commented about indoor rowing. She stated that indoor rowing was very important and that indoor competitions offered developing countries an easier way to create events to attract attention to the sport. The Executive Director commented about a recent survey of federations which showed that the estimated number of indoor rowers is a huge area of potential growth. Visits have been made to the manufacturers so that there is personal contact with them. He said that it is one of the most important new communities to add to our family of rowers and a strategy is being developed.

There were no other comments or questions and the President considered the reports approved unanimously.

7. Reports of the Continental Representatives

The European Continental Representative Ryszard Stadniuk reported on the recent European Championships in Montemor-o-velno, Portugal. There were 34 countries represented and it was the biggest so far. He expressed his congratulations for this excellent new regatta course that can be used in the future.

The President announced that the other Continental Representatives had no additional comments to their reports. As the delegates had no further questions, he considered that the reports were approved unanimously.

8. Accounts, financial report and auditors’ report

Mike Williams, the Treasurer, presented the accounts of FISA including the financial report and the report by PriceWaterhouseCoopers, the independent auditors. The Treasurer directed the delegates to the detailed explanations in the Agenda Papers but repeated that the surplus of CHF 17,224 for the year 2009 was better than the expected result of zero. The surplus was primarily due to careful management of the budget and a less than budgeted expense in development.

He thanked Emilio Pastorello, FISA Controller, for his good work in maintaining and preparing the accounts and the Jean-Maurice Mordasini for his careful management of our assets.

9. Approval of 2009 Accounts

As there were no questions or comments, the president considered that the accounts as presented were approved by the delegates.

10. Determination of entrance fee and annual subscription

No change had been proposed by the Council and the delegates did not disagree.

11. Budget for 2011

The Treasurer presented the budget for 2011. The President asked if there were any questions and there were none. He then asked for and received unanimous approval for the 2011 budget.

12. Reports on future FISA Events and Olympic regattas

The President started a review of the upcoming events starting with the 2011 World Rowing Junior Championships in Eton, Great Britain. Ann-Louise Morgan, Competition Manager for the 2012 Olympic Games regatta in London, presented a progress report on preparations.

The President thanked her for an excellent presentation. He asked a few questions related to the temporary grandstands and if they would be covered? The response was, at this time, they are not planned to be covered. His next question was about video boards. Her response was that the subject was under review and this review should be completed shortly. The President reminded the delegates about the decision to move to four days of finals in order to increase the number of spectators as well as media coverage.

Anita DeFrantz asked if the rowing athletes would have accommodation in the main village. The President answered there was a solution available but it needs to be organized in advance by the NOCs. Tricia Smith asked about the radio earpieces that were available at the 2006 World Championships. Ann-Louise said it was not yet decided for 2012. Matt Smith reported that it looks very likely that reserve athletes would

have full access to the Olympic sub-village with transport rights. It will be confirmed soon. David Tanner asked about the FISA Family Grandstand and if it was final at this point. Ann-Louise responded that it has been approved and the sale of tickets would be announced soon.

Next, Janusz Bencina, Chair of the 2011 World Rowing Championships organising committee, gave a short report and pointed out that their bulletin had been placed on the tables of the delegates.

The president gave a few updates on continental events and qualification regattas. He mentioned that the Asian Games will take place next week in Guangzhou, China which was the reason for the absence of several Asian federations. Eduardo Palomo, North American Continental Representative, reported on his recent visit to the Pan Am Games course in Guadalajara, Mexico. At the moment they are soon to start construction along the side of the lake.

Matt Smith reviewed the locations and dates of the remaining Olympic qualification regattas as well as the 2012 World Cup regattas.

Pascal Berrest (FRA) asked why the final Paralympic qualification regatta will not take place at the same time as the final Olympic qualification regatta. Matt Smith responded that the IPC required this to take place in early May which was different from the IOC requirements. As well, Lucerne does not have a 1'000 metre starting bridge and the OC of Belgrade will provide one for the final Paralympic qualification regatta.

13. Place and date of the 2011 Ordinary Congress

The President proposed that the 2011 Ordinary Congress would take place on Monday, 5 September 2011 in Bled, Slovenia following

the World Rowing Championships. This was approved by the delegates.

14. Attribution of future FISA Events in accordance with Rule 5

The Congress then turned to the attribution of three world-level events for the near future.

Attribution of the 2013 World Rowing Under 23 Championships – The Council decision was to support the sole candidature of Linz/Ottensheim presented by the Austrian Rowing Federation. The Congress supported this decision unanimously.

Attribution of the 2013 World Rowing Junior Championships – The Council decision was to support the candidature of Trakai presented by the Lithuanian Federation. The Congress supported this decision unanimously.

Attribution of the 2014 World Rowing Junior Championships – The Council decision was to support the candidature of Hamburg presented by the German Rowing Federation. The Congress also supported this decision unanimously.

15. Reports on applications for affiliation and voting consequent thereon

The Congress unanimously approved the application for affiliation from the Maldives Rowing Federation to become the 131st member of FISA.

16. Reconsideration or Confirmation of decisions (ref. Art. 32) taken by the Council in accordance with the provisions of paragraph 3 of Art. 44 or by the Executive Committee in accordance with the provisions of paragraph 4 of Art.50

No requests had been received at the deadline.

17. Council Elections in accordance with Article 39

Elections were held for the offices of Chairs of several commissions.

- a. Chair of the Events Commission – Mike Tanner (HKG)
- b. Chair of the Umpiring Commission – Patrick Rombaut (BEL)
- c. Chair of the Competitive Rowing Commission – John Boulton (AUS)
- d. Chair of the Women’s Rowing Commission – Tricia Smith (CAN)
- e. Chair of the Adaptive Rowing Commission – Fay Ho (HKG)

The above five candidates received large rounds of applause by the delegates and the President considered them elected with no objections.

The president then paused to thank and recognize the long and very efficient work of Peter Morrison who has chosen to step down as Chair of the Masters Commission since starting in 1992. He was presented with the traditional Swiss wine decanter. Mr. Morrison thanked several people, especially his wife Francis, in his acceptance comments.

- f. Chair of the Master’s Rowing Commission – Tone Pahle (NOR)

Mrs. Pahle also received strong applause and the President considered her as elected with no objection.

- g. Chair of the Media and Promotion Commission

Two candidates were presented:

- Arno Boes by the German Rowing Federation
- Patricia Lambert by the Belgian Rowing Federation

Both candidates were presented by their federations and a vote took place.

The result of the vote was:

- Arno Boes - 41 votes
- Patricia Lambert – 80 votes

Patricia Lambert (BEL) was elected as the Chair of the Media and Promotion Commission effective from 1 January 2011.

The president thanked Arno Boes for his contributions over the years as Chair of this commission.

18. Specific Proposals from the Member Federations, the Council or the Executive Committee

There were no specific proposals received.

19. Other Items proposed by Member Federations, the Council or the Executive Committee

The British Federation presented proposals related to the two final days at the Junior and Under 23 Championships that are found in the Agenda papers. David Tanner (GBR) introduced the proposals to the Congress. He provided some background arguments related to their proposals.

The president responded by pointing out a few weaknesses of the programme for the 2010 events. The Council has discussed it and wants to continue to test this system for the future. He asked two Council members to comment.

Algirdas Raslanas, Chair of the Youth Rowing Commission, reported on this discussion that took place at the Youth Coaches Conference.

The coaches responded positively to the move to Sunday finals for Juniors and they were positive about the two days of finals. He also took the opportunity to thank the Israeli Rowing Federation for their excellent hosting of the conference.

Mike Tanner, Chair of the Events Commission, commented on the experience of this year and that the Council now recognizes the weaknesses of only confirming the programme at the entry deadline. The other issue was the balance of the two genders between the two days. He did, however, emphasise the positive aspects of this proposal and confirmed that the Council did want to continue with the system. The Council would continue to work on this proposal and submit a final decision in January.

David Tanner withdrew the proposals of the British Federation for the time being subject to the request that it would be reviewed in Bled at the next Congress. The president accepted the withdrawal of proposal and confirmed that it could be discussed at the next Congress.

20. Any other items proposed by the Council or the Executive Committee

None were proposed.

21. Any other business

- 2013 and 2014 Rowing World Cup regattas – Matt Smith reported on the Council decision to try to take one world cup event outside of Europe to another continent. The Council asks that member federations from outside of Europe consider bidding for one stage of the World Cup. The bid process will be launched soon.
- Mike Murphy (CAN) requested that an information session on the subject of the bid and hosting fees for the events, specifically how these costs are incurred. FISA accepted this proposal.

- Antonio Marques (POR) mentioned that there was significant discussion on costs and the programme of the World Championships. He commented on the higher costs of staging regattas and it was difficult for small countries to obtain funding for top regattas. He asked if there was really a need for eight days of racing at the World Championships. The president thanked him for the comment but stated that this World Championships showed that bad weather can have a big impact on the experiences of the competitors. For example, we were forced to suspend racing last Sunday and we faced forecasts of bad weather for this past weekend which would have had a major negative impact on the event. The President accepted to consider the proposal for future discussion.

Closing

The President thanked the delegates for their excellent co-operation and agreeable atmosphere for discussions. He thanked the interpreters who were excellent. He also expressed his gratitude to the New Zealand Rowing Association and the Karapiro Organising Committee for their excellent organisation of the Congress.

He declared the 2010 FISA Ordinary Congress closed at 11:55 hrs.

President

Denis OSWALD

Executive Director

Matt SMITH

Rowing is a Competitive Sport

Statement by John Boulton, Chair, Competitive Rowing Commission At the 2010 FISA Ordinary Congress

The sport that we love is not one of the big entertainment sports like football, tennis or motor racing, and we feel this when we look for sponsorship and television income and the like. One of the abiding features of the sport of rowing is that it is a sport for the athletes. FISA and the sport of rowing are proud that the athletes come first.

What the sport provides for athletes is the opportunity to compete in regattas – 6 lane racing, long distance races, sometimes sprints. Its competing – and racing – which are at the heart of our sport. Its racing that the athletes love and what drives them.

I fear that we are losing sight of this a little. We may be forgetting that racing is what rowers do the sport for.

Government and Olympic funding is usually tied to results at the Olympics. World Championships are also important for this funding. Coaches and head coaches in particular are given performance targets which are usually medals in Olympic Games. Not unnaturally the whole program of our best rowers is directed to these targets. For example, this year we had some crews deciding not to come to New Zealand in November of 2010, because it did not fit into their detailed training program for London in August of 2012.

Apart from World Championships, we are struggling to get high participation in other major regattas – World Cups and others. Because it does not fit in the training program for the whole year. And it works down through the sport. National and local regattas hardly ever see their heroes – the rowers at the top of the sport. They are busy training rather than racing.

The rowers love racing. They love some of the lower profile regattas and events. The rest of the sport loves to see them. But it is not happening as much as it used to because of the single minded training programs directed towards achieving the targets which bring in the government funding.

We have become a coach and scientist led sport. Our coaches and scientists dictate what our crews do and rightly so. They are the experts and we rely on them.

But we the administrators, the people elected to manage our sports, should have a broader view and also express that broader view. We have a responsibility to the rowers, who love racing and want to race. We have a responsibility to the rest of the sport who want to see the champions racing, and not just at World Championships and Olympics.

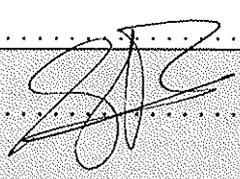

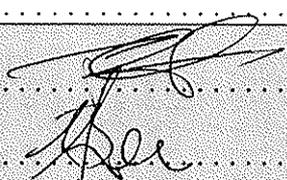

I would like to urge all of us to work with our coaches to find some more balance in the sport and to ensure that we survive at all levels, and that racing and competing regularly is not abandoned because of the need to meet externally imposed performance targets.

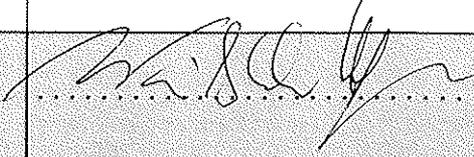

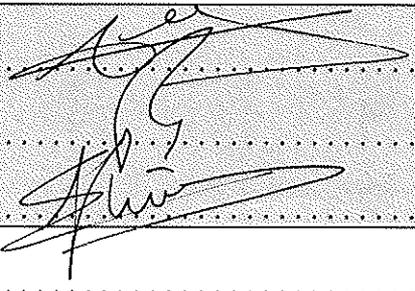

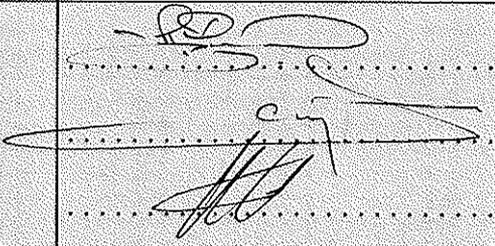

It's a matter of balance, and a matter of remembering that the sport is for the athletes, and they should be entitled to enjoy it.
