

IN MEMORIAM: Gerd Scheiner

(From Regatta Munich)

Regatta Munich grieves for its member Gerd Scheiner, who passed away on March 21. at the age of 78

Gerd, an honorary member of the Erlangen Rowing Club and the Bavarian Rowing Association, has been involved in rowing for decades and gained great merit as an international competition judge and as a BRV sports speaker, especially for the regattas in Munich and Bavaria. He was on countless small and large, national and international regattas in Munich and a fixed size worldwide. Alone with his " Franconian Evening ", which he hosted almost every regatta in Oberschlei heimheim for years, he will be remembered by the countless national and international competition juries.

" For me, Gerd has always been on our regattas, formerly an experienced competition judge and in recent years as a real authority in the control commission ", recalls Oliver Bettzieche, CEO of Regatta Munich. " Gerd, you were a calm and a good soul and at the same time a great man in Rudersport in Bavaria! We thank you and will always remember you!"

Our thoughts are with his clubmates in the Erlangen rowing club and especially his family.
