I.1. DEVELOPMENT PROGRAMME

To continue to develop the sport FISA requires the Organising Committee to provide free full board accommodation, transport, support and equipment for 10 to 15 FISA designated development individuals as follows:

- The accommodations for development teams should be of a university, college or hostel standard with 2 to 3 persons per room, clean sheets, towels and air conditioning or heating. Locking doors on all rooms is required.
- If the accommodations have shared bathroom facilities, they should be separate for boys/girls, men/women.
- The accommodations should be located in quiet surroundings, to allow competitors to sleep from approximately 9:00 pm.
- Meals should be a similar standard to what would be found at a standard 3-star hotel and suitable for athletes
- The equipment should come from the boat pool at no cost to the development athletes
- FISA recommends that the Organising Committee have a designated Development Contact Person to liaise with the FISA Development staff and the development teams, including assisting with visas if required.
- FISA will distribute to the designated development programme countries an invitation 6 months before the WRCC asking for their applications with entries, full names, birthdates and passport details and establish contact between the national federations and the Development Contact Person in the OC.
- FISA will make the final decision on the size of teams under the development programme. FISA may send a specialist Development Coach to attend the event to work directly with the development teams (at FISA's expense).
 - The Organising Committee should provide a per head cost for the same accommodation, catering and transport provisions to FISA for situations where larger numbers above the 10 to 15 required are selected, or if development teams wish to send an additional coach or team manager (as examples).
- Once FISA has approved the request from the development team, the contact person from the federation will be put in contact with the Development Contact Person from the Organising Committee to coordinate on the following:
 - Visa invitations, when necessary.
 - Names of team, dates of birth, passport number, expiry date of passport and role in team (e.g. athlete, coach, delegate, etc.).
 - Arrival and departure of team.
 - Provision of equipment (through the boat rental pool)
 - Any special needs.
