2020 Wales Rally GB 'Design a Rally Car Livery' Competition for UK Schools and Colleges

This competition is organised by Motorsport UK in conjunction with Toyota (GB) to celebrate Wales Rally GB, the UK's round of the FIA World Rally Championship. One of the standout fixtures on the motor sport calendar, Wales Rally GB was to have been based in Deeside, Flintshire before being cancelled due to the COVID-19 pandemic.

The competition is still running, though, and is open to all pre-university students enrolled at UK schools and colleges. An overall winner will be chosen, and their livery will be applied to a showroom Toyota GR Yaris model. Together with three guests, the winner will be invited to a special prize-giving ceremony later in the year. He or she will not only see their livery applied to the GR Yaris but will also be presented with a framed print of their winning livery as a memento of the once-in-a-lifetime occasion.

All entries should be made on the official template provided (you can, however, enlarge the official template if needed) and be accompanied by a completed entry form. Previous winners have come from all age groups and designs will be judged on creative thought rather than final presentation. Designs should be eye-catching and, aside from the official branding provided on the template, there are no other sponsor/branding/theme requirements. Previous winners have provided a short-written background revealing the thoughts behind their designs. Entries should be submitted electronically to competitions@walesrallygb.com as PDF or photo files. The competition closing date is FRIDAY 28 August 2020.
